

## 13 1 2 Lives Of Captain Bluebear

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

"A bluebear has twenty-seven lives. I shall recount thirteen and a half of them in this book but keep quiet about the rest," says the narrator of Walter Moers's epic adventure. "What about the Minipirates? What about the Hobgoblins, the Spiderwitch, the Babbling Billows, the Troglotroll, the Mountain Maggot... Mine is a tale of mortal danger and eternal love, of hair's breadth, last-minute escapes." Welcome to the fantastic world of Zamonia, populated by all manner of extraordinary characters. It's a land of imaginative lunacy and supreme adventure, wicked satire and epic fantasy, all mixed together, turned on its head, and lavishly illustrated by the author.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

1 and 2 Timothy, Titus: A Theological Commentary for Preachers engages hermeneutics for preaching, employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons. This commentary unpacks the crucial link between Scripture and application: the theology of each preaching text (pericope). The three letters--collectively, the Pastoral Epistles--are divided into eighteen pericopes, and what the author is doing with what he is saying in each is explored. The overall theological trajectory of the Pastoral Epistles concerns the promotion of God's economy by the community of God's people. The specific theological thrust of individual preaching units is captured in this commentary, making possible a sequential homiletical movement through each pericope of the three epistles. While the primary goal of the commentary is to take the preacher from text to theology, it also provides two

sermon outlines for each of the eighteen preaching units of the Pastoral Epistles. The unique approach of this work results in a theology-for-preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application.

The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, The Vanishing Half considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times bestselling debut The Mothers, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.
