In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

"Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul." —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

A brilliant new biography of Saint Paul, whose interpretations of the life and teachings of Jesus transformed a loosely organized, grassroots peasant movement into the structured religion we know today Without Paul, there would be no Christianity. His letters to various churches scattered throughout the Roman Empire articulated, for the first time, the beliefs that make up the heart of Christian practice and faith. In this extraordinary biography, Bruce Chilton explains the changing images of Paul, from the early Church period when he was regarded as the premiere apostle who separated Christianity from Judaism to more recent liberal evaluations, which paint him as an antifeminist, homophobic figure more dedicated to doctrine than to spiritual freedom. By illuminating Paul's thoughts and contributions within the context of his time, Chilton restores him to his place as the founding architect of the Church and one of the most important figures in Western history. Rabbi Paul is at once a compelling, highly readable biography and a window on how Jesus' message was transformed into a religion embraced by millions around the world. Drawing on Paul's own writings as well as historical and scholarly documents about his life and times, Chilton portrays an all-too-human saint who helped to create both the most beautiful and the most troublesome aspects of the Church. He shows that Paul sought to specify the correct approach to such central concerns as sexuality, obedience, faith, conscience, and spirit, to define religion as an institution, and to clarify the nature of the religious personality—issues that Christians still struggle with today.

Now available in a popular contemporary English translation for the first time, important reflections of St. John Chrysostom on 1 Corinthians, Chapter 13. One of the most important passages in the Scriptures, I Corinthians 13 is often read and rarely followed. Medieval theologian, John Chrysostom, was called the "golden-mouthed" one, for the eloquence of his preaching. His reputation extended from his native East to the Christian West, and he is remembered today as a Church Father for the entire Church.

This in-depth look at what the Bible has to say about heaven, angels, and the afterlife gives Christians an encouraging glimpse of the home that awaits them. From the pen of John MacArthur.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Of the many good gifts the Lord has given his church on earth, none exceeds that of his love. The things of this earth are temporary, but "love never ends" (1 Cor. 13:8)—it is a present taste of future glory, made available through communion with the Holy Spirit. In this classic work, Heaven Is a World of Love, New England pastor Jonathan Edwards encourages Christians struggling through the imperfect life here on earth to experience the perfect love of God through an exposition of the biblical foundations for the cause of God's love, the objects of God's love, the enjoyment of God's love, and the fruits of God's love. Each page of pastoral insight will leave readers hungry to experience more of God.

Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

Most people are familiar with the 'love chapter' of the Bible, 1 Corinthians 13, yet Phil Ryken still has something new to say. He draws on the earthly life and ministry of Jesus to illustrate Paul's several statements about what love is and isn't. These aspects of love are then illuminated chronologically through the story of Christ's advent, teaching, miracle working, sufferings, crucifixion, death, resurrection and ascension. Jesus never does anything without love. His love is everything the love chapter says that love should be. It is patient with sinners and kind to strangers. It does not envy or boast, but offers itself in humble service. It does not insist on its own way, but submits to the Father. It is able to forgive, trust, hope and persevere. This approach highlights the crucial truth that we are able to love only because Christ first loved us in this particularly profound, very real, and transformative manner.

From the moment you pick it up, you'll know it's a classic. Featuring the word-for-word accuracy of the New King James Version, The MacArthur Study Bible is perfect for serious study. Dr. John MacArthur has compiled more than 20,000 study notes, a 200-page topical index, and numerous charts, maps, outlines, and articles to create The MacArthur Study Bible. No other study Bible does such a thorough job of explaining the historical context, unfolding the meaning of the text, and placing it within a theological framework. Love Gives Life: A Study of 1 Corinthians 13 We are to pursue love as we seek spiritual gifts because love gives life to gifts and love outlives gifts. That's Paul's main idea in 1 Corinthians 13, and this study will help you not only to see that in the text but to seek it in your life. The thirteenth chapter of First Corinthians is about having a love strategy. Paul relativizes what we tend to value most (usually our personal distinctives and niches), places love in central view, and summons us to use every power and resource we have for the good of those whom God has placed in our lives. This is the excellent way of love, and it is worthy of our pursuit. Here's what others are saying about this work: If you're like me, you have either heard or taught love from 1 Corinthians 13. You may even think that you have heard most, if not all of

the insights of 1 Corinthians 13. I did. That is, until I read Evan May's take on the text. Evan brings us into Paul's thoughts in a clear and engaging way, which is somewhat hard to do. Not only that, he brings clarity to the definition of love which has been hijacked and is now defined as "undogmatic" and "untheological." However, love is very dogmatic and very theological. In a world where social media has made us, "fall for the delusion that what makes us significant is mainly what causes us to stand out from everyone else, rather than what helps us to serve everyone else," what we all need now is a little bit of love, properly understood that is. Read this book! Curtis Allen Rap artist Voice, author of Education or Imitation: Bible Interpretation for Dummies Like You and Me Evan May's Love Gives Life: A Study of 1 Corinthians 13 is a good example of what Paul says in 1 Cor. 14:26, "Let all things be done for building up." It is brief, unpretentious, but says what must be said to bring the message of the "love chapter" to the heart of the reader. May has been personally moved by Paul's words, and he wants to convey to us the same blessing he has found. He has a wonderful gift for simple, conversational writing, with the most natural and appropriate illustrations. He never assaults the reader, but nurtures him gently, so that we find ourselves growing in grace, almost by surprise. No academic trappings here, but May's understanding of the passage is substantial. I hope that many take the opportunity to learn from this book. Dr. John Frame Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of the Theology of Lordship series The apostle Paul told his dear friend Timothy, with regard to Christian discipleship, "The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith." That is, love is the necessary consequence of the Gospel he preached. Today, that charge is unfortunately blanded by all manner of social and cultural influences, reduced to the idea that "love" is somehow synonymous with quiet and unconditional acceptance. My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love, and why it actually changes the world. The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing, both kind and truthful, both eternal and immediate. I recommend this study without qualification, and hope to see more from Evan in the future. Frank Turk Speaker, writer, and blogger at www.teampyro.blogspot.com

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

In looking to the Bible's witness, this book offers readers a spirituality that is understood as faith, lived in love and sustained by hope.

The church at Corinth was troubled. It was five years old, but had divisions, doctrinal problems, and all kinds of disorder. One faction tried to justify going to prostitutes, which was widely accepted in their culture. Others thought they were so spiritual that they should avoid sex in marriage in favor of celibacy. Speaking in tongues was rampant, while most other spiritual gifts were being neglected. Idolatry was reclaiming some of the new believers. Observing the Lord's Supper was a farce. This church had serious problems. More than that, many of the Corinthians resented Paul's influence and tried to minimize his apostolic authority. This is one of his most spirited letters -- harsh in spots as Paul seeks to steer this young congregation away from pitfalls that threaten to destroy it. More than anywhere else in Paul's letters, you'll find instruction on church unity, balanced worship, the Lord's Supper, church discipline, the resurrection and Christ's coming, divorce and marriage. The Letter contains numerous notable verses: "I have become all things to all men so that by all possible means I might save some" (9:22). "No temptation has seized you except what is common to man..." (10:13). "The Lord Jesus, on the night he was betrayed, took bread..." (11:23-26). "Love is patient, love is kind..." (13:4-8). "We shall all be, changed, in a moment, in the twinkling of an eye, at the last trumpet..." (15:51-52). And many, many more.... 1 Corinthians is a long letter -- sixteen chapters -- but Paul's most important epistle for shaping the Christian church. This study explores First Corinthians in 15 lessons. Helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.
