

95 Poems Ee Cummings

A Miscellany, confined to a private edition for decades, sheds further light on the prodigious vision and imagination of the most inventive poet of the twentieth century: E.E. Cummings. Formally fractured and yet gleefully alive and whole, E. E. Cummings's groundbreaking modernist poetry expanded the boundaries of language. In *A Miscellany*, originally released in a limited run in 1958, Cummings lent his delightfully original voice to "a cluster of epigrams," a poem, three speeches from an unfinished play, and forty-nine essays—most of them previously written for or published in magazines, anthologies, or art gallery catalogues. Seven years later, George J. Firmage—editor of much of Cummings's work, including *Complete Poems*—broadened the scope of this delightfully eclectic collection, adding seven more poems and essays, and many of Cummings's unpublished line drawings. Together, these pieces paint a distinctive portrait of Cummings's eccentric, yet precise, genius. Like his poetry, Cummings's prose is lively; often witty, biting, and offbeat, he is an intelligent observer and critic of the modern. His essays explore everything from Cubism to the circus, equally quick to analyze his poetic contemporaries and satirize New York society. As Cummings wrote in his original foreword, *A Miscellany* contains "a great deal of liveliness and nothing dead." This remains true today, more than fifty years after its original publication.

E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not said she

The Lyric Self offers a precise and thorough examination of Zen, based on classical and contemporary scholarly works as well as the author's personal experience. Eight themes that are common to the practice of Zen Buddhism and the poetry of E.E. Cummings are compared and explored, with an emphasis on their respective value to contemporary psychology and education. It is the premise of The Lyric Self that both Zen and Cummings' poetry are profoundly concerned with individual awareness, and that they both employ an unorthodox use of words to break through the static structures of conventional language and thought.

The complete collection of E. E. Cummings's writing for the stage, from the most inventive poet of the twentieth century. The Theatre of E. E. Cummings collects in their entirety Cummings's long out-of-print theatrical works: the plays HIM (1927), Anthropos (1930), and Santa Claus (1946), and the ballet treatment Tom (1935). In HIM, a creatively blocked artist and his lover, Me, struggle to bridge the impasse in their relationship and in his art. In Anthropos, a Platonic parable, three "infrahumans" brainstorm slogans while a man sketches on a cave wall; and in Santa Claus, Death and Saint Nick exchange identities. Harriet Beecher Stowe's Uncle Tom's Cabin is reimaged as dance, transforming the novel into a symbolic attack against Evil itself. Cummings's prodigious creativity is on display in each of these works, which are ultimately about the place of the artist outside of society. "DON'T TRY TO UNDERSTAND IT, LET IT TRY TO UNDERSTAND YOU," Cummings famously wrote about his intentions for the stage. Thoughtful and witty, Cummings's dramas are an integral part of his canon. With a new introduction by Pulitzer Prize-winning poet Stephen Dunn, this redesigned and fully reset edition of Complete Poems collects and presents all the poems published or designated for publication by E. E. Cummings in his lifetime. It spans his earliest creations, his vivacious linguistic acrobatics, and through his last valedictory sonnets. Combining Thoreau's controlled belligerence with the brash abandon of an uninhibited Bohemian, Cummings, together with Pound, Eliot, and William Carlos Williams, helped bring about the twentieth-century revolution in literary expression. Today Cummings is recognized as the author of some of the most sensuous lyric poems in the English language as well as one of the most inventive American poets of his time—in the words of Richard Kostelanetz, "the major American poet of the middle-twentieth century." Formally fractured and yet gleefully alive and whole, at once cubistic and figurative, Cummings's work

expanded the boundaries of what language is and can do.

"Uncomfortable minds" is Larry's Sorkin's riff on poet e.e. cummings ' words, "Cambridge ladies who...are unbeautiful and have comfortable mind" which refer to the conceit that uncomfortable minds are universal to all human beings. Larry Sorkin's collection of poems--sometimes joyful, sometimes elegiac--explore the idea of the restless, uncomfortable state as either something we can run from, try to fix, or embrace. Each poem in the collection explores some disturbance in the psyche, with poetry as a way to confront the disturbance, use it, embrace it.

Presents the life of E.E. Cummings, his childhood in Cambridge, Massachusetts, his early attempts to establish himself as a poet, his marriages, his travels, and his eventual great success and world recognition.

A reassessment of the life and work of the preeminent 20th-century poet examines the idiosyncratic expressions that led to critical disagreements about his achievements, providing coverage of such topics as his Cambridge youth, Harvard education and relationships with fellow writers.

Fresh and candid, by turns earthy, tender, defiant, and romantic, Cummings's poems celebrate the uniqueness of each individual, the need to protest the dehumanizing force of organizations, and the exuberant power of love.

Edward Estlin Cummings (1894–1962), a native of Cambridge, Massachusetts, and a Harvard University graduate, is best known for his rejection of traditional poetic forms. As e. e. cummings, he conducted radical experiments with spelling, syntax, and punctuation that inspired a revolution in twentieth-century literary expression and excited the admiration and affection of poetry lovers of all ages. With his 1923 debut, *Tulips & Chimneys*, the 25-year-old poet rattled the conservative literary scene, directing his avant-garde approach to the traditional subjects of love, life, time, and

beauty. His playful treatment of punctuation and language adds enduring zest to such popular and oft-anthologized poems as "All in green went my love riding," "in Just-," "Tumbling-hair," "O sweet spontaneous," "Buffalo Bill's," and "the Cambridge ladies who live in furnished souls." This edition presents complete and textually accurate editions of Cummings's work, in keeping with the original manuscripts and the poet's intentions.

e.e. cummings is without question one of the major poets of this century, and this volume, first published in 1959, is indispensable for every lover of modern lyrical verse. It contains one hundred of cummings's wittiest and most profound poems, harvested from thirty-five of the most radically creative years in contemporary American poetry. These poems exhibit all the extraordinary lyricism, playfulness, technical ingenuity, and compassion for which cummings is famous. They demonstrate beautifully his extrapolations from traditional poetic structures and his departures from them, as well as the unique synthesis of lavish imagery and acute artistic precision that has won him the adulation and respect of critics and poetry lovers everywhere.

Reissued in an edition newly offset from the authoritative Complete Poems 1904-1962, edited by George James Firmage. E. E. Cummings, along with Pound, Eliot, and Williams, helped bring about the twentieth-century revolution in literary expression. He is recognized as the author of some of the most beautiful lyric poems written in the English language and also as one of the most inventive American poets of his time. Fresh and candid, by turns earthy, tender, defiant, and romantic, Cummings's poems celebrate the uniqueness of each individual, the need to protest the dehumanizing force of organizations, and the exuberant power of love. No Thanks was first published in 1935; although Cummings was by then in mid-career, he had still not achieved recognition, and the title refers ironically to publishers' rejections. No Thanks contains some of Cummings's most daring literary experiments, and it represents most fully his view of life—romantic individualism. The poems celebrate an openly felt response to the beauties of the natural world, and they give first place to love, especially sexual love, in all its manifestations. The volume includes such favorites as "sonnet entitled how to run the world)," "may I feel said he," "Jehovah buried. Satan dead," "be of love (a little)," and the now-famous grasshopper poem.

Collects the poet's most avant-garde poetry and prose, including deviant traditional verse, erotic poetry, visual poetry, texts set to music, condensed prose, and elliptical narratives

In 1959 Kathleen Spivack won a fellowship to study at Boston University with Robert Lowell. Her fellow students were Sylvia Plath and Anne Sexton, among others. Thus began a relationship with the famous poet and his circle that would last to the end of his life in 1977 and beyond. Spivack presents a lovingly rendered story of her time among some of the most esteemed artists of a generation. Part memoir, part loose collection of anecdotes, artistic considerations, and soulful yet clear-eyed reminiscences of a lost time and place, hers is an intimate portrait of the often suffering Lowell, the great and near great artists he attracted, his teaching methods, his private world, and the significant legacy he left to his students. Through the story of a youthful artist finding her poetic voice among literary giants, Spivack thoughtfully considers how poets work. She looks at friendships, addiction, despair, perseverance and survival, and how social changes altered lives and circumstances. This is a beautifully written portrait of friends who loved and lived words, and made great beauty together. A touching and deeply revealing look into the lives and thoughts of some of the most influential artists of the twentieth century, *With Robert Lowell and His Circle* will appeal to writers, students, and thoughtful literary readers, as well as to scholars.
