Renowned lecturer from The Teaching Company, Mark W. Muesse brings readers into an encounter with the world's oldest living religious tradition, known as Hinduism. Muesse's brief survey, challenges the perception of Hinduism as one religious tradition, showing how wonderfully rich and diverse this 5,000-year old story truly is. He traces the vast history and practices of classic and diverse traditions, moving from the origins in the Indus Valley up through classic and contemporary periods. Muesse exhibits a keen sense of the myriad spiritualities associated with Hinduism, demonstrating how the religious tradition is both monotheistic and polytheistic.

Annually during the months of autumn, Bengal hosts three interlinked festivals to honor its most important goddesses: Durga, Kali, and Jagaddhatri. While each of these deities possesses a distinct iconography, myth, and character, they are all martial. Durga, Kali, and Jagaddhatri often demand blood sacrifice as part of their worship and offer material and

spiritual benefits to their votaries. Richly represented in straw, clay, paint, and decoration, they are similarly displayed in elaborately festooned temples, thronged by thousands of admirers. The first book to recount the history of these festivals and their revelry, rivalry, and nostalgic power, this volume marks an unprecedented achievement in the mapping of a major public event. Rachel Fell McDermott describes the festivals' origins and growth under British rule. She identifies their iconographic conventions and carnivalesque qualities and their relationship to the fierce, Tantric sides of ritual practice. McDermott confronts controversies over the tradition of blood sacrifice and the status-seekers who compete for symbolic capital. Expanding her narrative, she takes readers beyond Bengal's borders to trace the transformation of the goddesses and their festivals across the world. McDermott's work underscores the role of holidays in cultural memory, specifically the Bengali evocation of an ideal, culturally rich past. Under the thrall of the goddess, the social, political, economic, and religious identity of Bengalis takes shape. A lively introduction to the main festivals of the world's major religions - in each book, real children talk about their lives and what happens at festival time.

investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies, and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions, and others, understand and cultivate the spiritual lives of children and adolescents around the globe.

Hindu religion does not claim any one prophet; it does not worship any one god; it does not subscribe to any one dogma; it does not believe in any one philosophic concept; it does not follow any one set of religious rites or performances; in fact, it does not appear to satisfy the narrow traditional features of any religion or creed. It may broadly be described as a way of life and nothing more."ABC of Hinduism introduces innumerable Hindu gods and goddesses that are known by many names in a simple language. It shares a glimpse of how the gods, humans, demons, Yaksh and the Gandharv along with the vast animal and plant world intermingle to shape this vast universe. It gives an insight how the ancient sages, saints and seers sought, interpreted and shared the great wealth of knowledge revealed and brought forward by them. It narrates the special instances in the lives of the important characters in the great epics Ramayan and Mahabharat that have over hundreds of years shaped the lives of those who follow Hinduism. Listed in alphabetic order it simplifies everyday life, explaining what makes Hinduism a flexible and convenient way of life.

Most overviews of Hindu belief and practice follow a history from the ancient Vedas to today. Such approaches privilege Brahmanical traditions and create a sense of Hinduism as a homogenous system and culture, and one which is largely unchanging and based solely on sacred texts. In reality, modern Hindu faith and culture present an extraordinary range of dynamic beliefs and practices. 'Contemporary Hinduism' aims to capture the full breadth of the Hindu worldview as practised today, both in the sub-continent and the diaspora. Global and regional faith, ritualised and everyday practice, Brahmanical and non-Brahmanical belief, and ascetic and devotional traditions are all discussed. Throughout, the discussion is illustrated with detailed case material and images, whilst key terms are highlighted and explained in a glossary. 'Contemporary Hinduism' presents students with a lively and engaging survey of Hinduism, offering an introduction to the oldest and one of the most complex of world religions.

Explores the contemporary nature and the diverse narratives, rituals, and performances of the Navaratri festival. *Nine Nights of the Goddess* explores the festival of Navaratri—alternatively called Navaratra, Mahanavami, Durga Puja, Dasara, and/or Dassain—which lasts for nine nights and ends with a celebration called Vijayadashami, or “the tenth (day) of victory.” Celebrated in both massive public venues and in small, private domestic spaces, Navaratri is one of the most important and ubiquitous festivals in South Asia and wherever South Asians have settled. These festivals share many elements, including the goddess, royal power, the killing of demons, and the worship of young girls and married women, but their interpretation and performance vary widely. This interdisciplinary collection of essays investigates Navaratri in its many manifestations and across historical periods, including celebrations in West Bengal, Odisha, Karnataka, Maharashtra, Tamil Nadu, Uttar Pradesh, and Nepal. Collectively, the essays consider the role of the festival’s contextual specificity and continental ubiquity as a central component for understanding South Asian religious life, as well as how it shapes and is shaped by political patronage, economic development, and social status. “This is a unique collection of marvelously diverse perspectives on one of the most prominent contemporary Hindu festivals.
