Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College-High School in Portland, Oregon in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington in 1969, and B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961 while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't do it again or recommend it, saying "It was chronologically distracting." Otto has taught many Sunday School classes to both teenagers and adults. This work emerged out of those life experiences. The more Otto read the scripture the more he became excited about what he "discovered." It was quite a surprise to him to learn so many believers had never read the whole Bible through once. Filled with a hunger to encourage others to read and find the "gems" he found in the Scripture, in 1985 he wrote and taught this Bible Study with a twist. The emphasis is on "discovering the gems," not theology or doctrine. It is fast paced, fun, and simple. Its primary purpose; to encourage believers to apply Romans 10:17, "faith comes by hearing and hearing by the Word of God."

"The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness. He is bold in demanding that we, his colleagues in liturgical leadership, plan worship that has to do with the reality of our congregations' experience in the world, rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week. He is bold in challenging us to bring that real world -- with its pains and its pleasures, its hungers and its feasts, its beauty and its ugliness -- to exposure before the living God. And he is bold in helping us shine the strong, exposing light of the transforming Word on our real lives and on that real world, so that we may move beyond planning worship as a "nice," safe, feel-good routine from which we depart the same people we were when we arrived. We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship. Thank God for Wayne Keller and for his deep respect for the central act of the Christian community: the blessed and life-transforming experience of the worship of God." Richard Avery and Donald Marsh Port Jervis, New York

"Wayne Keller's method creates not only a contemporary appeal, but also effects a congregational involvement so necessary today within the liturgical context. His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background. Keller has the ability to appeal to the everydayness of congregational experience." Donald Macleod Francis L. Patton Professor Emeritus Princeton Theological Seminary

"The good humor of Wayne Keller's work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves. Wayne's work encourages hope and faith with the way we are." Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union

"A cascade of insights, ideas, suggestions, and plans for stimulating the working pastor's imagination and guiding in worship planning." Robert Coote Professor, San Francisco Theological Seminary Editor,

"Mustard-Seed Churches" "Wayne Keller elevates us to an authentic bring-your-warts-and-smiles encounter with the living God... a remarkable year-round resource for the entire worship team." Paul Hackett Former pastor and member, First Presbyterian Church Puyallup, Washington Keller says, "I have seen people bored to death in worship, seemingly because they come to worship as spectators, not as participants. For me no spectators are allowed! Soren Kierkegaard's analogy of worship as drama has guided my thinking and planning." Wayne H. Keller graduated from Monmouth College in Monmouth, Illinois, and Pittsburgh Theological Seminary. He has served pastorates in Pennsylvania, Washington, and Oregon, and has also been the director of a halfway house for recovering mental patients. A member of the Presbyterian Writers Guild, Keller has published several books and numerous articles, and has been a columnist for the "Bellingham Herald." He has also appeared frequently on radio and television programs and co-hosted a call-in counseling program and talk show.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

As text or script, this play is a unique teaching tool for medical and nursing schools, and other health professional schools and continuing education programs involving health care clinicians and staff of all kinds.

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post
