

Amadeus

Wolfgang Amadeus Mozart helped to create some incredible music. Learn about his life in this exciting title.

“Barth was sometimes asked if his theology demanded a different master in music than Mozart. Barth’s response noted in this volume was emphatically, and characteristically to some, negative—Nein. Regardless of what one makes of Mozart, or of Barth’s view of him ... the reader gains a greater understanding of Barth’s theology through attention to his reflections on Mozart. For ‘the evangelical Christian,’ Barth’s fascination with the ‘Catholic’ and ‘Freemason’ Mozart was by no means an anomaly that strikes a dissonant chord in Barth’s theological symphony. Rather, it resonates with the melodic line. Like a magic flute, Barth’s tribute to Mozart serves as a key to unlocking the door to the mysteries of Barth’s view of God’s ways with the world.” (from the foreword by Paul Louis Metzger).

As a little boy, Wolfgang Amadeus Mozart began writing musical compositions when most kids his age were still learning to read. By the time he was seven, Mozart was an accomplished musician who could play several instruments and also sing. Accompanied by his older sister, Nannerl, and his father, Leopold, young Wolfgang toured Europe. He performed before royalty and some of the richest members of society. By the time he was twelve, Wolfgang was famous. He first tasted failure as a teenager, as audiences ignored his operas, and he had trouble making money. He began to be known for his bad jokes and relentless pursuit of women. He eventually married the sister of the woman who broke his heart. In adulthood, Mozart’s problems grew. He couldn’t keep a job. He was usually broke. One of the greatest composers the world had ever known was forced to make a

living giving piano lessons. Yet today, he is one of the most celebrated and respected composers of all time.?

Lowcountry storyteller Delores B. Nevils and acclaimed artist Jonathan Green collaborate to share the story of Amadeus, a loud and proud leghorn rooster who comes to live with a widow lady in the Corners community of St. Helena Island on the South Carolina coast. The widow lady's dogs—Kane and Able—and cats—Mae Liza, Scooter, and Pumpkin—are unhappy with the arrival of this new resident in their yard. Amadeus makes himself at home and becomes the pride of the neighborhood. When the widow lady comes to welcome Amadeus and his constant cock-a-doodle-dooing, a rivalry develops between the rooster and the original residents of the yard, with unexpected results. The cautionary story of Amadeus teaches a valuable lesson for readers of all ages about what can be lost without cooperation and friendship. As the characters learn from the consequences of their actions, if you do not take care of everyone and everything around you, then you just might end up with nothing.

(Amadeus). Today Mozart's exquisite *Le Nozze di Figaro* delights and moves audiences everywhere, long after its 1786 birth into tumultuous times. The original Beaumarchais play raised a firestorm in France, then on the brink of revolution, with its dangerous commentary on class relations. However, Lorenzo Da Ponte carefully omitted anything political from his opera libretto; what remained, when joined with Mozart's sublime and penetrating music, was a witty yet profound tale of infatuation, heartache, scheming, and tenderness, where complex emotions are laid bare and everyone, regardless of class, is equally vulnerable to the powers of love. *Figaro* continues the story of *The Barber of Seville* several years later, in a single "day of madness." Count Almaviva's love, Rosina, is now his long-suffering countess, and the barber Figaro, now the count's valet, is about to marry Susanna, the countess's maid. But the couple-to-be must first deal with two obstacles: a demand that Figaro pay his debt to an older woman or marry her instead, and the count's determination to bed

Susanna on her wedding night. Suspicions fly, plots are hatched, narrow escapes abound, and connivers receive their due. Love and forgiveness finally bring order to the craziness, and a day filled with torment and worry ends in joy.

Mozart showed amazing talent from early in childhood. Already competent on the keyboard and violin, he started composing from the age of five and performed before European royalty. At 17, he was enlisted as a court musician in Salzburg, but grew restless of this and decided to travel in search of a better position, always composing abundantly. The Requiem Mass in D minor was composed in Vienna in 1791 and was left unfinished when Mozart died on December 5th 1791. A completion dated 1792 by Franz Xaver Süssmayr was delivered to
