A captivating exploration of the little-known story of Rembrandt's formative years by a prize-winning biographer. Rembrandt van Rijn's early years are as famously shrouded in mystery as Shakespeare's, and his life has always been an enigma. How did a miller's son from a provincial Dutch town become the greatest artist of his age? How in short, did Rembrandt become Rembrandt? Seeking the roots of Rembrandt's genius, the celebrated Dutch writer Onno Blom immersed himself in Leiden, the city in which Rembrandt was born in 1606 and where he spent his first twenty-five years. It was a turbulent time, the city having only recently rebelled against the Spanish. There are almost no written records by or about Rembrandt, so Blom tracked down old maps, sought out the Rembrandt family house and mill, and walked the route that Rembrandt would have taken to school. Leiden was a bustling center of intellectual life, and Blom, a native of Leiden himself, brings to life all the places Rembrandt would have known: the university, library, botanical garden, and anatomy theater. He investigated the concerns and tensions of the era: burial rites for plague victims, the renovation of the city in the wake of the Spanish siege, the influx of immigrants to work the cloth trade. And he examined the origins and influences that led to the famous and beloved paintings that marked the beginning of Rembrandt's celebrated career as the paramount painter of the Dutch Golden Age. Young Rembrandt is a fascinating portrait of the artist and the world that made him. Evocatively told and beautifully illustrated with more than 100 color images, it is a superb biography that captures Rembrandt for a new generation.

Men to Avoid in Art and Life pairs classical fine art with modern captions that epitomize the spirit of mansplaining. This hilarious book perfectly captures those relatable moments when a man explains to a woman a subject about which he knows considerably less than she does. Situations include men sharing keen insight on the female anatomy, an eloquent defense of catcalling, or offering sage advice about horseback riding to the woman who owns the horse. • These less qualified men of antiquity dish out mediocrity as if it's pure genius • For the women who have endured overbearing men over the centuries • Written with hilariously painful accuracy "Now, when you're riding a horse, you need to make sure to keep a good grip on the reins." "These are my horses." Through cringe-induced empathy, this timeless gift book of shared experiences unites women across history in one of the most powerful forms of resistance: laughter. • Started as a Twitter thread and quickly gained widespread popularity. • Makes a perfect book for women and feminists with a wry sense of humor, millennials, anyone who loves memes and Internet humor, as well as history and art buffs. • You'll love this book if you love books like Men Explain Things to Me by Rebecca Solnit, Milk and Vine: Inspirational Quotes from Classic Vines by Emily Beck, and Awards For Good Boys: Tales Of Dating, Double Standards, And Doom by Shelby Lorman.

The definitive guide for those who create and those who sell art is back, now in a newly revised and updated third edition.

Available for a limited time, this artist's book by renowned visual artist Tacita Dean explores her chance encounters with objects in the archives of the Getty Research Institute. ?As the Getty Research Institute artist in residence in 2014–15, Tacita Dean was asked to define a subject and identify a path of research. What she proposed instead was a project titled "The Importance of Objective Chance as a Tool of Research." Her idea was to allow chance to be her guide. Dean researched randomly, picking out boxes from the collections without knowing their contents, meandering through objects and images from sources as varied as medieval alchemy books to twentieth-century artist letters. *Monet Hates Me* features reproductions of fifty artworks she created from Getty's archival holdings along with enlightening texts that expand on her method of research and illustrate her encounters with the archives.

A daily almanac that presents a selection of art historical events for every day of the

year, from momentous and headline-grabbing to intimate, amusing, and illuminating. A timely and expansive survey of a groundbreaking American art movement that overturned aesthetic hierarchies in a riot of color and ornamentation The Pattern and Decoration movement emerged in the 1970s as an embrace of long-dismissed art forms associated with the decorative. Pioneering artists such as Miriam Schapiro (1923-2015), Joyce Kozloff (b. 1942), Robert Kushner (b. 1949), and others appropriated patterns, frequently from non-Western decorative arts, to produce intricate, often dizzying or gaudy designs in media ranging from painting, sculpture, and collage to ceramics, installation art, and performance. This dazzling book showcases an astonishing array of works by more than 40 artists from across the United States, examining the movement's defiant adoption of art forms traditionally viewed as feminine, craft-based, or otherwise inferior to fine art. In addition to offering an overview of the Pattern and Decoration movement as it is commonly recognized, this volume considers artists of the period who are not typically associated with the movement. Rethinking the significance of patterns and the decorative in postwar American art, this panoramic view provides new insights into abstraction, feminism, and installation art. Essays explore the movement's feminist methods and values, including Miriam Schapiro's "femmage" practice; its impact on contemporary abstract painting; and its relationship to postmodern architecture and design. Artist biographies, an exhibition history, and reprints of historically significant writings further establish *With Pleasure* as the most expansive publication on the subject.

'A riveting tale, brilliantly told' Philippe Sands The little-known story of Hitler's war on modern art and the mentally ill.

Providing a crucial record of the painter Noah Davis's extraordinary oeuvre, this monograph tells the story of a brilliant artist and cultural force through the eyes of his friends and collaborators. Despite his exceedingly premature death at the age of 32, Davis's paintings have deeply influenced the rise of figurative and representational painting in the twenty-first century. Davis's emotionally charged work places him firmly in the canon of great American painting. Stirring, elusive, and attuned to the history of painting, his compositions infuse scenes from everyday life with a magical realist atmosphere and contain traces of his abiding interest in artists such as Marlene Dumas, Kerry James Marshall, Fairfield Porter, and Luc Tuymans. This catalogue is born of the unique relationship between Davis and Helen Molesworth, whom Davis entrusted to be the curator of his work. It is published on the occasion of the 2020 exhibition at David Zwirner, New York, which travels to The Underground Museum in Los Angeles, a space that Davis founded with his wife, artist Karon Davis. In her introduction, catalogue essay, and interviews with important figures in Davis's life, Molesworth shows how the artist's generosity and sense of responsibility galvanized a uniquely supportive artistic community, culture, and vision. Together with color illustrations and archival photographs, the book features heartfelt testimonials that unfold in the intimate yet expansive spirit of studio visits with people close to him.

Sable Island, a small island off the coast of eastern Canada, is the site of some 500 wild horses, 500 shipwrecks, and 500 years of known history. Never settled, the island, also known as the "Graveyard of the Atlantic," has seen temporary occupation by shipwrecked sailors, transported convicts, pirates, and wreckers. The wild horses, named for the island they inhabit, abandoned there long ago or cast ashore from wrecks, are now the only terrestrial mammals on Sable Island. Roeberto Dutesco's twenty years' documentation of Sable Island comes to you as a stunning volume of photographs, an unprecedented collection of extraordinary moments in a place uninhabited by humans, where the wild horses run free, unaware and unafraid of man. Dutesco portrays the wild beauty of these horses as well as the barren and unspoiled quality of the island, creating an immersive photographic memoir that captures the soul and spirit. The Romanian-born Canadian photographer's aim is to document and record this enchanted place for posterity, for our children's children, as an important place in Earth's history, and more so in our current moment, when unique wild places are vanishing. It is Dutesco's life project, celebrating the beauty he encountered in a place forgotten by time, desire, and conquest--Sable Island.

While it seeks neither to define Zen nor answer its most famous koan (a riddle unanswerable by conventional thinking, in this case the sound of one hand clapping), this bestselling little book with 437,000 copies in print possesses a maverick Zen spirit that points to a different way of looking at the world. With each page featuring a quote,

phrase, story, koan, haiku, or poem, Zen Companion combines the feeling and format of a meditation book with 2,500 years of wisdom—from Lao-tzu and Groucho Marx, William Carlos Williams and *The Little Prince*, D. T. Suzuki and Walker Percy, the Buddha and the Bible, Einstein and Gertrude Stein. It's a celebration of intuition: "If a man wishes to be sure of the road he treads on, he must close his eyes and walk in the dark"—St. John the Cross. Individuality: "Do not seek to follow in the footsteps of the men of old; seek what they sought."—Basho. Uncomplicated nature: "Among twenty snowy mountains/The only moving thing/Was the eye of the blackbird."—Wallace Stevens. Childlike spontaneity: "Goodnight stars. Goodnight air."—Margaret Wise Brown. Irreverent paradox: "Wakuan complained when he saw a picture of bearded Bodhidharma: 'Why hasn't that fellow a beard?'" And above all, the simple pleasure of life lived in the moment. "Chop wood, carry water."

Grayson Perry's book will overturn everything you thought you knew about "art" Now Grayson Perry is a fully paid-up member of the art establishment, he wants to show that any of us can appreciate art (after all, there is a reason he's called this book *Playing to the Gallery* and not *Sucking Up to the Academic Elite*). This funny, personal journey through the art world answers the basic questions that might occur to us in an art gallery but that we're too embarrassed to ask. Questions such as: What is "good" or "bad" art—and does it even matter? Is art still capable of shocking us or have we seen it all before? And what happens if you place a piece of art in a rubbish dump?

When life (in a global pandemic) imitates art . . . Van Gogh’s *Starry Night* made out of spaghetti? Cat with a Pearl Earring? Frida Kahlo self-portraits with pets and toilet paper? While the world reeled from the rapid spread of the novel coronavirus (COVID-19), thousands of people around the globe, inspired by challenges from Getty and other museums, raided toy chests, repurposed pantry items, and enlisted family, roommates, and animals to re-create famous works of art at home. Astonishing in their creativity, wit, and ingenuity, these creations remind us of the power of art to unite us and bring joy during troubled times. *Off the Walls: Inspired Re-Creations of Iconic Artworks* celebrates these imaginative re-creations, bringing highlights from this challenge together in one whimsical, irresistible volume. Getty Publications will donate all profits from the sales of this book to Artist Relief, an emergency initiative offering resources to artists across the United States.

“The best memoir I’ve ever read.” —Oprah Winfrey “Will Smith isn’t holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith’s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it’s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn’t see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn’t signed up for. It turned out Will Smith’s education wasn’t nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world’s biggest stages for the highest of stakes,

but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.
