

Assassination Classroom Vol 14

The students in Class 3-E of Kunugigaoka Junior High have a new teacher: an alien octopus with bizarre powers and unlimited strength, who's just destroyed the moon and is threatening to destroy the earth--unless they can kill him first!

In the aftermath of tragedy, the students of 3-E nevertheless march proudly in their graduation ceremony. Will their futures still unfold as planned? And what will they do with their reward money...? Then, enjoy a long side story revealing what Koro Sensei was really up to over winter break! Can Koro Sensei truly make a friend and ally out of anyone...?!

Plus, a bonus short story with all-new characters, set in a dystopian future. -- VIZ Media

SILENT INVASION They arrive in silence and darkness. They descend from the skies. They have a hunger for human flesh. They are everywhere. They are parasites, alien creatures who must invade—and take control of—a human host to survive. And once they have infected their victims, they can assume any deadly form they choose: monsters with giant teeth, winged demons, creatures with blades for hands. But most have chosen to conceal their lethal purpose behind ordinary human faces. So no one knows their secret—except an ordinary high school student. Shin is battling for control of his own body against an alien parasite, but can he find a way to warn humanity of the horrors to come?

Meet the would-be assassins of class 3-E: Sugino, who let his grades slip and got kicked off the baseball team. Karma, who's doing well in his classes but keeps getting suspended for fighting. And Okuda, who lacks both academic and social skills, yet excels at one subject: chemistry. Who has the best chance of winning that reward? Will the deed be accomplished through pity, brute force or poison...? And what chance does their teacher have of repairing his students' tattered self-esteem? -- VIZ Media

BRAND NEW FLAVORS First grade is a time for new adventures for Tsumugi—from cutting her hair, to meeting a new relative for the first time, and even trying her hand at cooking all by herself! Tsumugi seems eager to try new things on her own, but Kôhei can't help but feel anxious, wondering if Tsumugi is growing up too fast. And when Tsumugi asks her father if he is ever going to get remarried, how will he respond? Does this mean Tsumugi is ready to move on from her mother—and if so, what about Kôhei?

Several secret pasts are finally revealed this volume: The tragedy that led Principal Asano to develop his harsh—some would say brutal, sadistic and inhumane—pedagogical methods, the relationship that gives one 3-E student a personal motivation to assassinate her teacher, and even Koro Sensei's origin story! Will the students be more or less motivated to assassinate their teacher after they know his former secret identity? And what lengths will shy Nagisa go to in order to rein in the student who wants to get revenge on Koro Sensei? Also, it's time for...lunch theater! Which member of 3-E will be the star? -- VIZ Media

The veil of mystery cast over the Aurora Society's "absolute salvation" is torn away, and the true mastermind behind the scheme steps forward at long last. In the ensuing battle, Earl Ciel Phantomhive looks on in horror as Sebastian, his infallible manservant, is struck down by the death scythe of an unforeseen combatant. Devil though he may be, even Sebastian is not immune to the blade of a reaper's scythe. As Sebastian's cinematic record spills forth, the tale of how a devil became a butler to a little lost lord flickers to life in shades of sepia, blood, and ash...

Murder and Politics in Mexico studies the causes of political killings in Mexico's liberalization-democratization within the larger context of political repression. Mexico's democratization process has entailed a little known but highly significant cost of human lives in pre- and post-election violence. The majority of these crimes remain in a state of impunity: in other words, no person had been charged with the crime and/or no investigation of it had occurred. This has several consequences for Mexican politics: when the level of violence is extreme and when political killings that are systematic and invasive are involved, this could indicate a real fracture in the democratic system. This book analyzes several dimensions regarding impunity and political crime, more specifically, the political killings of members of the PRD in the post-1988 period in Mexico. The main argument proposed in this book is that impunity for political killings is a structured system requiring one central precondition, namely the failure of the legal system to function as a system of restraint for killings. Dr Schatz's research finds that political assassinations are indeed rational, targeted actions but they do not occur within an institutional vacuum. Political assassinations are calculated strategies of action aimed at eliminating political rivals. As a form of interpersonal violence, political assassination involves direct or implied authorization from political leaders, the availability of assassins for hire and the willingness of some political leaders to utilize them against political opponents, and violent interactions between political parties combined with judicial system ineffectiveness. A corrupt legal system facilitates the use of political assassination and explains the persistence of impunity for political murder over time. To reduce political violence in the transition to electoral democracy, specific institutional conditions, namely a structured system of impunity for murder, must be overcome.

A major literary event, the publication of this masterly translation makes one of the towering works of twentieth-century German literature available to English-speaking readers for the first time. The three-volume novel *The Aesthetics of Resistance* is the crowning achievement of Peter Weiss, the internationally renowned dramatist best known for his play *Marat/Sade*. The first volume, presented here, was initially published in Germany in 1975; the third and final volume appeared in 1981, just six months before Weiss's death. Spanning the period from the late 1930s to World War II, this historical novel dramatizes anti-fascist resistance and the rise and fall of proletarian political parties in Europe. Living in Berlin in 1937, the unnamed narrator and his peers—sixteen- and seventeen-year-old working-class students—seek ways to express their hatred for the Nazi regime. They meet in museums and galleries, and in their discussions they explore the affinity between political resistance and art, the connection at the heart of Weiss's novel. Weiss suggests that meaning lies in embracing resistance, no matter how intense the oppression, and that we must look to art for new models of political action and social understanding. The novel includes extended meditations on paintings, sculpture, and literature. Moving from the Berlin underground to the front lines of the Spanish Civil War and on to other parts of Europe, the story teems with characters, almost all of whom are based on historical figures. *The Aesthetics of Resistance* is one of the truly great works of postwar German literature and an essential resource for understanding twentieth-century German history.

Theologian, philosopher, and political radical, Martin Buber (1878–1965) was actively committed to a fundamental economic and political reconstruction of society as well as the pursuit of international peace. In his voluminous writings on Arab-Jewish relations in Palestine, Buber united his religious and philosophical teachings with his politics, which he felt were essential to a life of public dialogue and service to God. Collected in *A Land of Two Peoples* are the private and open letters, addresses, and essays in which Buber advocated binationalism as a solution to the conflict in the Middle East. A committed Zionist, Buber steadfastly articulated the moral necessity for reconciliation and accommodation between the Arabs and Jews. From the Balfour Declaration of November 1917 to his death in 1965, he campaigned passionately for a "one state solution. With the Middle East embroiled in religious and ethnic chaos, *A Land of Two Peoples* remains as relevant today as it was when it was first published more than twenty years ago. This timely reprint, which includes a new preface by Paul Mendes-Flohr, offers context and depth to current affairs and will be welcomed by those interested in Middle Eastern studies and political theory.

3-E student Isogai breaks the school rules by working part-time to help support his family. When Gakushu and rest of the Big Four students find out, they use his secret as leverage to force 3-E to participate in a bizarre sports-day competition. Soon it's time for the school's midterm competition as well, but when some 3-E students accidentally injure the elderly owner of a day care/after-school program, Koro Sensei forbids them from studying and orders them to replace him until he recovers! Assassination is one thing, but babysitting little kids...?! And then, our friends rescue a cat. -- VIZ Media

In the spring of 1935 Dietrich Bonhoeffer returned from England to direct a small illegal seminary for the Confessing Church. The seminary existed for two years before the Gestapo ordered it closed in August 1937. This volume includes bible studies, sermons, and lectures on homiletics, pastoral care, and catechesis, giving a moving and up-close portrait of the Confessing Church in these crucial years—the same period during which Bonhoeffer wrote his classics, *Discipleship* and *Life Together*.
