

## Bhagavad Gita Paramahansa Yogananda

"One of the best-loved scriptures in the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. This new version, rendered in modern english prose by Swami Kriyananda, is based on the interpretations of his Guru, Paramhansa Yogananda, author of Autobiography of a Yogi." "The Gita is the heroic story of the battlefield counsel given by Krishna to Arjuna just prior to the start of a great war. Responding to Arjuna's moral dilemma over fighting against his beloved friends, family, and teachers, Krishna advises Arjuna on his duties as a warrior. Yogananda's insights reveal that The Gita is in fact a spiritual allegory, and that each character in the story symbolizes psychological traits and aspects of our own consciousness. As Arjuna looks upon the warriors on the battlefield, he is really facing his own inner battle between the forces of delusion and the forces of Spirit within. Krishna's advice to Arjuna on how to win the battle - using yogic tools of devotion, selfless service, and spiritual discrimination - gives each of us the guidance we need to move forward in dharma (right-action) in every material or spiritual test that life may bring."--BOOK JACKET.

This is an unparalleled, first hand account of the teachings of Paramhansa Yogananda, who has hundreds of thousands of followers and admirers in North America alone.

Where There is Light has sold over 200,000 copies since it was first published nearly thirty years ago. Its appeal and success stems from the fact that it provides a popular overview into the writings and teachings of Paramahansa Yogananda and is often considered a second book to read after Autobiography of a Yogi. This New Expanded Edition includes two new chapters, including one offering beginner's instructions on how to meditate. Topics include: [[Finding wisdom and strength to make life's decisions [[The antidote for stress, worry, and fear [[Transforming our failures into success [[Security in an uncertain world [[Understanding death

Presents entries A to L of a two-volume encyclopedia discussing religion around the globe, including biographies, concepts and theories, places, social issues, movements, texts, and traditions.

This collection debates the path and purpose of life. The author discusses such topics as whether it is possible to hasten human evolution, the possibility of a scientific method to ensure a pathway to life's highest fulfilments and what guidelines help mediators find genuine spiritual progress.

Many people share theories on reincarnation, or karma, or what happens at death. Paramhansa Yogananda, a master of yoga, writes from his own true knowledge and experience.

Kriya Yoga is an instrument through which human evolution can be quickened. Learn the essence of this spiritual science from its greatest proponent, Paramhansa Yogananda, in his own words. Heed his vibrant call, "Awaken! Arise from dreams of littleness to the realization of the vastness within you." A compilation and selection of the original writings of the a spiritual Master whose life-work was to spend over 30 years in the West as the Fountain of Life, from which countless have drunk. This volume consists of the complete 1925 versions of "The Science of Religion" and "Songs of the Soul" as well as critical excerpts from the 1946 1st edition of the "Autobiography of a Yogi." Included are also other excerpts from his writings in the 1920's which are still helpful to the spiritual seekers of the world.

The Family and the Early Life of Paramahansa Yogananda.

Explains how to pray with greater intimacy, and how to create a deep and fulfilling personal relationship with the divine "Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

One of the earliest commentaries on the popular and highly respected yoga scripture known as the Bhagavad Gita. Roy Eugene Davis explains the inner meaning in the light of Kriya Yoga in this new commentary on this scripture. Its seven hundred verses encourage the reader to acquire Self-knowledge and to intentionally engage in constructive performance of personal duties along with dedicated spiritual endeavor--to practice Kriya Yoga. The Sanskrit word kriya means action. Yoga can mean to yoke or unite soul awareness with God; practice of procedures for this purpose; or samadhi, the realization of spiritual wholeness, the culmination of successful practice.

When eleven-year-old Dev's father dies, he can't stop lashing out at those he loves. Until he meets Sanjay, a sprite-like being who claims there is a battle raging inside Dev's own body. Sanjay embarks on a perilous journey beginning in the darkest realm at the bottom of Dev's spine. As he searches for the noble warrior Prince Arjun, the only hope to defeat wicked Prince Ego, Sanjay encounters starving mobs, thieving gangs, water worlds and lands of fire, until at last he finds Arjun on the battlefield, ready to fight for Dev. This book takes the epic battle within the Gita and transports it inside the body of a young boy called Dev. A classic story of good overcoming evil, through Dev and Sanjay's adventure, readers will be able to connect with some of the deeper concepts in the Gita. It's time that the Gita is presented in its true context - not as a moralistic or religious book, but as a book that is relevant to everybody's life.'--SADHGURU, one of India's leading spiritual teachers

Today we see humanity divided and threatened with nuclear war and mutual destruction, but The Gita teaches us that it is only when we rise above human schemes and calculations and awake to the presence of the indwelling Spirit that we can hope to find the answer to our need. Original.

This guide teaches us how to break the shackles of fear and reveals how we can overcome our own psychological stumbling blocks. Filled with epigrams, lectures, and personal anecdotes, it is a testament of what we can become, if we have faith in the divinity of our true nature as the soul.

Learn how selfless love is the central ingredient in spiritual growth, and discover how to practice it. This third book in The Wisdom of Yogananda series captures the teachers expansive and compassionate wisdom, his sense of fun, and his practical spiritual guidance.

The Bhagavad Gita has been called India's greatest contribution to the world. For more than five thousand years, this great scripture has shown millions in the East how to fill their lives with serenity and love. In these pages, Jack Hawley brings these ancient secrets to Western seekers in a beautiful prose version that makes the story of the Gita clear and exciting, and makes its truths understandable and easy to apply to our busy lives. The Gita is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. These truths are for our hearts, not just our heads. The Gita is more than just a book, more than mere words or concepts. There is an accumulated potency in it. To read the Gita is to be inspired in the true sense of the term: to be "inspired," to inhale the ancient and ever-new breath of spiritual energy.

This anthology presents talks by Paramahansa Yogananda, his foremost living disciple Sri Daya Mata, and other long-time monks and nuns of his Self-Realization Order, offering keys to the art of spiritual living in the new millennium.

Exploring the "Bhagavad Gita's" psychological, spiritual, and metaphysical depths, Paramahansa Yogananda reveals the innermost essence of this majestic scripture, presenting an unparalleled translation of and commentary on one of the most revered scriptures of the ages.

Key Features: The only current guide to mammals of the region Contains color pictures and full text on the 106 larger species likely to be encountered Includes drawings of tracks of key species to aid identification Presents full details of 23 parks and reserves, with location maps, visiting details and species lists for each

All the literature of the world is puny and insignificant in front of the Bhagwat Gita- once remarked the famous American writer and philosopher, H.D. Thoreau. This book is an outcome of a deep study of the Gita over a long period and broadly covers the main teachings enshrined in the scripture. In fact, Gita is not merely a holy book meant for reverence and ritual worship, but it is a fountain spring of true knowledge and wisdom and can be considered as a manual for righteous living. This small book acquaints the readers with the fundamentals of life, which include the human body and the soul, pleasure and pain, God and nature, good and evil, the different qualities inherent in human beings, yoga, meditation, desires and similar other aspects. The book has been specially designed for the busy man of the present day, who has no time to read voluminous titles! Some Glimpses: \*The Goal of Life: The man who remains same in pain and pleasure, and who is wise makes himself fit for eternal life. \*The Charity given as a matter of duty and without expectation of return, to the right and deserving person, at the right time and place is Satvik. \*Whatever makes the unwavering and unsteady mind wander away, let him restrain and bring it back to the control of the self alone. \*A true devotee is one who has no ill-will to any being, who is friendly and compassionate, free from egoism and self sense, even-minded in pain and pleasure, and patient.

The Square and the Circle of the Indian Arts is a major contribution in Indian art history. More than a book on the theories of arts, it has far-reaching implications for the way one thinks about the future of indology and art history. It provides a model to be emulated for interdisciplinary research, not only between the arts but also the sciences and the arts. The book begins by re-examining the imagery of the Vedas and the Upanisads, highlighting some aspects of early speculative thought which influenced the enunciation of aesthetic theories, particularly of Bharata in the Natyasastra. The next chapter introduces a new methodology of analyzing the rituals (yajna) as laid down in the Yajurveda and the Satapatha Brahmana, the best way to focus the relationship between the text and the practice. Four chapters follow – one each on drama (natya), architecture (vastu), sculpture (silpa), and music (sangita). Each presents some fundamental concepts of speculative thought, concerned with each of the arts and purposefully correlates these with actual examples both of the past and the present. The afterward to this second edition remains an event not only because the book benefits from the works published since the first edition, but also because it presents the author's integral vision and her unique adventure into the boundaries of several disciplines. It demonstrates the efficacy of her earlier approach of investigating the imagery and the metaphors as basic to the discourse of the Indian tradition. She proposes a multi-layered cluster of concepts and metaphors which enable one to uncode the complex multi-dimensional character of the Indian Arts. Also significantly she suggests a deeper comprehension of the relevance of the developments in the field of traditional mathematics and biology for the study of the language of form of the Indian Arts.

Paramahansa Yogananda's Collected Talks and Essays present in-depth discussions of the vast range of inspiring and universal truths that have captivated millions in his Autobiography of a Yogi. Readers will find these talks alive with the unique blend of all-embracing wisdom, encouragement, and love for humanity that have made the author one of our era's most revered and trusted guides to the spiritual life. "The words of Lord Krishna to Arjuna in the Bhagavad Gita," writes Paramahansa Yogananda, "are at once a profound scripture the science of Yoga, union with God, and a textbook for everyday living." The Bhagavad Gita has been revered by truth seekers of both the East...

Paramahansa Yogananda presents an illuminating explanation of Lord Krishna's sublime Yoga message that he preached to the world - the way of right activity and meditation for divine communion.

Mary Kretzmann has practiced and taught the healing methods of Paramhansa Yogananda for many years. She is currently writing another book sharing many inspiring stories of healing and transformation that have occurred over the years. This new book, combined with Divine Will Healing, is used in a training course for aspiring healing practitioners. Mary moved to Ananda Village at age twenty-three with her husband, Timothy Kretzmann. They embraced the spiritual life, and raised their three children with these spiritual ideals. You can read about how to apply these ideals in your own family life, in her free online book, Finding God in Your Family. Mary teaches online, and at the Expanding Light Retreat, and "on the road." These classes feature Paramhansa Yogananda's techniques for physical, mental, and spiritual healing.

What happens as we grow spiritually? Is there a step-by-step process that everyone goes through all spiritual seekers, including those of any or no religious persuasion as they gradually work their way upward, until they achieve the highest state of Self-realization? About 2200 years ago, a great spiritual master of India named Patanjali described this process, and presented humanity with a clear-cut, step-by-step outline of how all truth seekers and saints achieve divine union. He called this universal inner experience and process yoga or union. His collection of profound aphorisms a true world scripture has been dubbed Patanjali's Yoga Sutras. Unfortunately, since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali's writings that have succeeded only in burying his pithy insights in convoluted phrases like becomes assimilated with transformations and the object alone shines without deliberation. How can any reader understand Patanjali's original meaning when he or she has to wade through such bewildering terminology? Thankfully, a great modern yoga master Paramhansa Yogananda, author of the classic Autobiography of a Yogi has cut through the scholarly debris and resurrected Patanjali's original teachings and revelations. Now, in Demystifying Patanjali, Swami Kriyananda, a direct disciple of Yogananda, shares his guru's crystal clear and easy-to-grasp explanations of Patanjali's aphorisms. As Kriyananda writes in his introduction, My Guru personally shared with me some of his most important insights into these sutras. During the three and a half years I lived with him, he also went with me at great length into the basic teachings of yoga. I was able, moreover, to ask my Guru personally about many of the subjects covered by Patanjali. His explanations have lingered with me, and have been a priceless help in the [writing of this book]. "

This collection of informal counsel provides intimate glimpses into the mind of one of the great spiritual figures of our time. In answering the questions of those who turned to him for guidance, Yogananda expressed himself with candor, spontaneity, and insight. He knew when to relieve a somber situation with a flash of wit, and was able to transform philosophical truths into simple precepts for everyday living.

The hardcover edition of The Second Coming of Christ (\$58.00 ISBN:9780876125557) was printed in 2004 and has sold over 45,000 copies. In Fall 2007 we published a smaller work of extracts from The Second Coming of Christ, titled The Yoga of Jesus, to function both as a stand alone book and to cross-promote the larger work. The result has been a resounding success with sales of The Yoga of Jesus reaching 20,000 in just over six months, and sales of The Second Coming of Christ increasing as planned. With sales momentum of both titles strong, this seemed like an ideal time to publish a low cost paperback edition. Yogananda's unique perspective on the real meaning of Jesus' teachings, takes the reader on a revelatory journey, verse by verse, through the four Gospels. Dispelling centuries old misconceptions and dogma, this monumental work is destined to leave an indelible mark on the way the world views the teachings of Jesus Christ.
