New York Times-bestselling author Jim Butcher expands his beloved "Dresden Files" novel series with the all-new "Dog Men" story set within official continuity, created exclusively as a graphic novel! Harry Dresden is a man on the edge—and that is something that can be dangerous to friend and foe alike. He's been drafted by a senior member of the White Council of Wizards to investigate a series of murders in rural Mississippi. As always, there's more afoot than is immediately apparent. The question is, will Harry's state of mind keep him from seeing it, and will his actions lead him into direct conflict with the wizard who's depending on his help?

In this novel in Jim Butcher's #1 New York Times bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way... Harry's life finally

seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case

Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

The precarious alliance between the people of Alera and the furies is thrown into disarray by the death of the First Lord of Alera, and the fate of the Alerians lies in the hands of Tavi, an untried young man who must draw on his courage to save his world. Family: Can't live with them, can't live without them. His brother is in trouble with a capital T; his grandfather, the wizard Ebenezer McCoy, is warning him that a faction in the White Council is maneuvering to kick Harry out; and oh, remember the Accords? The agreement that keeps all those supernatural nations playing kind-of-sort-of nice is under fire, teetering on the edge of

destruction. And Harry's brother might have something to do with that. As dark political manipulations threaten the very existence of Chicago and all Harry hold dear, it's take everything he has – and then some – to have any hope of succeeding. -- back cover.

Wizard for hire Harry Dresden has to track down the things that go bump in the night in this novel in Jim Butcher's #1 New York Times bestselling series. There's no love lost between Harry Dresden, the only wizard in the Chicago phone book, and the White Council of Wizards, who find him brash and undisciplined. But war with the vampires has thinned their ranks, so the Council has drafted Harry as a Warden and assigned him to look into rumors of black magic in the Windy City. As Harry adjusts to his new role, another problem arrives in the form of the tattooed and pierced daughter of an old friend—all grown up and already in trouble. Her boyfriend is the only suspect in what looks like a supernatural assault straight out of a horror film. Malevolent entities that feed on fear are loose in Chicago, but it's all in a day's work for a wizard, his faithful dog, and a talking skull named Bob...
