Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

A searing indictment of global finance, exploring how the banking sector grew from a supporter of business to the biggest business in the world, and showing how societies might fight against financial

hegemony Financial journalist Nicholas Shaxson first made his reputation studying the “resource curse,” seeing first-hand the disastrous economic and societal effects of the discovery of oil in Angola. He then gained prominence as an expert on tax havens, revealing the dark corners of that world long before the scandals of the Panama and Paradise Papers. Now, in *The Finance Curse*, revised with chapters exclusive to this American edition, he takes us on a terrifying journey through the world economy, exposing tax havens, monopolists, megabanks, private equity firms, Eurobond traders, lobbyists, and a menagerie of scoundrels quietly financializing our entire society, hurting both business and individuals. Shaxson shows we got here, telling the story of how finance re-engineered the global economic order in the last half-century, with the aim not of creating wealth but extracting it from the underlying economy. Under the twin gospels of “national competitiveness” and “shareholder value,” megabanks and financialized corporations have provoked a race to the bottom between states to provide the most subsidized environment for big business, have encouraged a brain drain into finance, and have fostered instability, inequality, and turned a blind eye to the spoils of organized crime. From Ireland to Iowa, Shaxson shows the insidious effects of financialization on our politics and on communities who were promised paradise but got

poverty wages instead. We need a strong financial system—but when it grows too big it becomes a monster. The Finance Curse is the explosive story of how finance got a stranglehold on society, and reveals how we might release ourselves from its grasp.

Venture into First for Schools is an international course preparing secondary students for the Cambridge English: First for Schools exam. The course prepares students for exam success from the outset with systematic skills development and scaffolded exam practice in every unit. Exam guides offer tips and hints for every task type, and students can prepare for the examination with the online practice test. Covering a huge range of topics, from The Simpsons to Shakespeare, the course encourages cultural insights and critical thinking and keeps students motivated to achieve success.

Practice of essential essay-writing skills appropriate to Business Studies students

“What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.” —Anand Teltumbde, author of *The Persistence of Caste*  
B.R. Ambedkar’s *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a

figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

If your reading is preventing you from getting the score you need in IELTS, Collins Reading for IELTS can help. Don't let one skill hold you back.

The general English course that takes students from 'how to' to 'can do' in every lesson.

The Business Result DVD Edition Teacher's Book supports the teacher in every aspect of business English teaching. Notes, activities, and supplementary material in the Teacher's Book provide teachers with extra ideas and support. The tests for each unit at the end of the book allow teachers to give students extra practice, and help to track their progress. The Class DVD features all the video material that can also be found on the Student's Interactive Workbook DVD-ROM. Each unit includes a video clip that can be used as a focal point of discussion, to develop students' listening skills, introduce new vocabulary and teach the business
