The Starter Teacher's Book offers detailed teaching notes for every lesson of the Student's Book. It also includes extra photocopiable activities, keys to exercises and extra teaching notes.

Challenge and inspire your teenage learners to think beyond language. THiNK Türkiye is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, THiNK focuses on developing the whole learner: building critical thinking skills, positive values and a healthy self-esteem while helping them avoid common mistakes made by Turkish learners through corpus-informed content and support. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning, and helping prepare them for Cambridge Exams with built-in assessment-style practice.

Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Interchange Third Edition Level 1 Student's Book builds on the foundations established in the Intro for accurate and fluent communication, extending grammatical, lexical, and functional skills. Topics such as school, work, leisure activities, entertainment, and food are presented in unique ways using interesting real-life information. The Student's Book contains 16 teaching units, frequent progress checks that allow students to assess and monitor their own learning, and a listening self-study section. Included is a Student Audio CD that contains the conversation, pronunciation, and self-study sections from the Student's Book.

This is a book about how language teachers themselves rather than curriculum specialists develop and implement their own courses. The paperback edition illuminates the process of course development through the narratives of six ELT teachers who have designed courses in widely varying contexts worldwide. Graves provides a framework for course design and examines how these six teachers have utilized or departed from the framework in meeting the challenges of their particular situations. Each narrative is followed by an analysis and a set of tasks that direct the reader's attention to a particular aspect of the framework.

Neuroscience tells us that the products of the mind--thought, emotions, artistic creation--are the result of the interactions of the biological brain with our senses and the physical world: in short, that thinking and learning are the products of a biological process. This realization, that learning actually alters the brain by changing the number and strength of synapses, offers a powerful foundation for rethinking teaching practice and one's philosophy of teaching. James Zull invites teachers in higher education or any other setting to accompany him in his exploration of what scientists can tell us about the brain and to discover how this knowledge can influence the practice of teaching. He describes the brain in clear non-technical language and an engaging conversational tone, highlighting its functions and parts and how they interact, and always relating them to the real world of the classroom and his own evolution as a teacher. "The Art of Changing the Brain" is grounded in the practicalities and challenges of creating effective opportunities for deep and lasting learning, and of dealing with students as unique learners.

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Class Audio CDs provide all the audio content from the Upper Intermediate Student's Book.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

Recently single, Danny Wallace was falling into loneliness and isolation. When a stranger on a bus advises, "Say yes more," Wallace vows to say yes to every offer, invitation, challenge, and chance. In *Yes Man*, Wallace recounts his months-long commitment to complete openness with profound insight and humbling honesty. Saying yes takes Wallace into a new plane of existence: a place where money comes as easily as it goes, nodding a lot can lead to a long weekend overseas with new friends, and romance isn't as complicated as it seems. Yes eventually leads to the biggest question of all: "Do you, Danny Wallace, take this woman . . ." *Yes Man* is inspiring proof that a little willingness can take anyone to the most wonderful of places.

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Elementary Teacher's Book offers detailed teaching notes for every lesson of the Student's Book. It also includes extra photocopiable activities, keys to exercises and extra teaching notes.

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

This book traces the origins and growth of the nonnative speaker teacher movement in TESOL since its birth a decade ago, summarizes the research that has been conducted, highlights the challenges faced by NNS teachers, and promotes NNS teachers' professional growth.
