Two-time Newbery medalist Lois Lowry has crafted a beautiful picture book about the power of longing and the importance of reconnection between a girl and her father in post-WWII America. This is the story of young Liz, her father, and their strained relationship. Dad has been away at WWII for longer than she can remember, and they begin their journey of reconnection through a hunting shirt, cherry pie, tender conversation, and the crow call. This allegorical story shows how, like the birds gathering above, the relationship between the girl and her father is graced with the chance to fly.

But as with all of George and Harold's genius ideas, Blissmas has some unexpected consequences. If they don't act fast, Christmas could be gone forever! Can Captain Underpants defeat Mechanaclaus and save the holidays? This hilarious young graphic novel is based on the "Mega Blissmas" holiday special of The Epic Tales of Captain Underpants TV show, now streaming on Netflix.
