Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen. 'Another indispensable classic' The Times "Ray Bradbury's gift for storytelling reshaped our culture and expanded our world' Barack Obama Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic dystopian novel of a post-literate future, Fahrenheit 451 stands alongside Orwell's 1984 and Huxley's Brave New World as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, decades on from first publication, still has the power to dazzle and shock.

author of *Sugar Daddy* In this darkly addictive novel of seduction and psychological obsession, a movie star with a shattered past meets a man who can either break her or make her whole. True Crime novelist Ian Sharpe has spent his career writing about serial killers for very personal reasons. For his latest exposé, he is taking on the sadistic madman known as the Red Ribbon Strangler, and when his research leads him to Hollywood's most private and provocative actress, he will break every rule to uncover her truth. The daughter of one of Hollywood's golden couples, chased by paparazzi and treated as a commodity her entire life, Veronica Romero wields her sex appeal like a weapon. She expects Ian to be as easy to control as every other man she's ever known. But from the beginning, he refuses to fall into line. Mysterious and cool, challenging and just a little bit dangerous, Ian somehow makes her feel safe—even as he digs into the deepest secrets of her life and pushes her to the breaking point. As raw ecstasy gives way to agonized truths, their dark obsession exposes secrets that have been buried for far too long. Ian wants to tear down her walls and heal the sensual woman underneath. But if Veronica's learned anything, it's that the line between pleasure and pain is a narrow one—and when caught between them the only thing that matters is how you play the game. A street smart, inspiring, practical and utterly honest book for renewing or resuming your career. Millions of mid- and late-career professionals are wondering why our careers are dying. We've been fired, downsized, job-eliminated, or we've left work voluntarily to raise children, care for loved ones, or go to school. Our unemployment rate is more than three times the national average. It takes twice as long to get hired, usually for far less money than we were making. Is it age discrimination? Maybe. But it's not that simple. So many of us have lagged on skills and technology, shrugged off social media, or ignored the rate of change and let younger people become the face of our profession's future. Our "track record" really doesn't matter. We want to come back, but we aren't ready. Coming Back offers clear advice, including: -Make yourself visible and relevant by sharing articles and information on your field with colleagues and on social media. -Use LinkedIn to build your network in your industry and identify decision makers. -Tell interviewers about what you will do—don't rely on what you have done. -Stop grouching about "those millennials" and start

working with them. -Volunteer strategically to build leadership skills and networks. Coming Back shows how you can save a career if still employed or get one back if cast out. Fawn Germer, one of the nation's most popular leadership experts and global motivational speakers, has personally interviewed more than 300 CEOs, senior executives, professors, lawyers, organizational experts, industry leaders and professionals. The result is a tactical, tough-love call to action: to learn, re-tool, connect, grow, and get ready to work again.

Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. Two powerhouse authors bring you a hilarious tale of one woman's journey to find herself again. Ever have one of those days where life just plain sucks? Welcome to my last three months—ever since I caught my can't-be-soon-enough ex-husband cheating with his paralegal. I'm thirty-five years old, and I've lost my NYC apartment, my job, my money, and frankly, my dignity. But the final heartache in the suck sandwich of my life? My great-aunt Maggie died. The only family member who's ever gotten me. Even after death, though, she's helping me get back up. She's willed me the keys to a house in the burbs, of all places, and dared me to grab life by the family jewels. Well, I've got the vise grips already in hand (my ex should take note) and I'm ready to fight for my life again. Too bad that bravado only lasts as long as it takes to drive into Huckleberry Hills. And see the house. There are forty-seven separate HOA violations, and I feel them all in my bones. Honestly, I'm surprised no one's "accidentally" torched the house yet. I want to, and I've only been standing in front of it for five minutes. But then my hot, grumpy neighbor tells me to mow the lawn first and I'm just...done. Done with men too sexy for their own good and

done with anyone telling me what to do. First rule of surviving the burbs? There is nothing that YouTube and a glass of wine can't conquer.

It's New Year's Eve 1982, and Oona Lockhart has her whole life before her. At the stroke of midnight she will turn nineteen, and the year ahead promises to be one of consequence. Should she go to London to study economics, or remain at home in Brooklyn to pursue her passion for music and be with her boyfriend? Greeted by a friendly stranger in a beautiful house she's told is her own, Oona learns that with each passing year she will leap to another age at random. And so begins Oona Out of Order... Hopping through decades, pop culture fads, and much-needed stock tips, Oona is still a young woman on the inside but ever changing on the outside. Who will she be next year? Philanthropist? Club Kid?
