"Lawrence Graver's book is a precise and generous account of dreadful obsession, in which deep issues are reduced by paranoia into misery all around--and work for many lawyers. It's sad, true to my knowledge of Meyer Levin and others enmeshed in the history--infinitely sad."--Herbert Gold, author of *Fathers* "Beautifully and poignantly told, this story holds a mirror up to American Jewry's own coming to terms with the Holocaust. It is by turns captivating and heartbreaking, the story of both Levin's obsession and his search for Jewish and American identity after the Holocaust. In this literary history, Lawrence Graver also reanimates the diary itself, returning it to the time and place from which it was torn fifty years ago."--James Young, author of *Writing and Re-writing the Holocaust and The Texture of Memory* "A gripping account, easy to read in one or two sittings, hard to put down. The balance between sympathy for Levin and criticism of his mounting obsession is exquisitely established and beautifully maintained, culminating in remarkable insight."--Morris Dickstein, author of *Gates of Eden* "Beyond Anne Frank is so beautiful and thoughtfully written that I really couldn't put it down. Diane Wolf's voice is human and humanistic, without glossing over any painful realities. She probes the subject from an impressive array of angles, considering a wide variety of types of experiences. This book is extraordinarily fine and I enthusiastically recommend it."--Lynn Davidman, author of *Motherloss*

A diary kept by a young girl during the Second World War recounting the suffering of the Dutch people under the German occupation.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Collection of critical essays about issues related to Anne Frank's diary.

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.

The *Diary of a Young Girl*, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with her occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

This book is a case study into the affective history of Holocaust drama offering a new perspective on the impact of *The Diary of Anne Frank*, the pivotal 1950s play that was a turning point in Holocaust consciousness. Despite its overwhelming success, criticism of the Broadway makeover has been harsh, suggesting that the alleged Americanization would not do justice to the violence of the Holocaust or Anne Frank's budding Jewishness. This study revisits these issues by focusing on the play's European appropriation delving into the emotional intensity with which the play was produced and received. The core of the exploration is a history of the Dutch staging in ethnographic detail, based on unique archival material such as correspondence with Otto Frank, prompt books, original tapes, blueprints of the set and oral history. The microhistory of the first Dutch performance of the stage adaptation of Anne Frank's diary examines the staging in the context of the postwar hesitant development of publicly voiced Holocaust consciousness. Influenced by memory studies and affect theory, the emphasis is on the emotional impact of the drama on both the members of the cast and the audience and will be of great interest to students and scholars in theater and performance studies, memory studies, cultural history, Jewish studies, Holocaust studies and contemporary European history.

For the millions moved by *Anne Frank: The Diary of a Young Girl*, here at last is Miep Gies's own astonishing story. For more than two years, Miep Gies and her husband helped hide the Franks from the Nazis. Like thousands of unsung heroes of the Holocaust, they risked their lives each day to bring food, news, and emotional support to the victims. She found the diary and brought the world a message of love and hope. It seems as if we are never far from Miep's thoughts....Yours, Anne From her own remarkable childhood as a World War I refugee to the moment she places a small, red-orange, checkered diary -- Anne's legacy -- in Otto Frank's hands, Miep Gies remembers her days with simple honesty and shattering clarity. Each page rings with courage and heartbreaking beauty.

"In celebrating the spirit of optimism that shines through the thoughts and dreams of one extraordinary thirteen-year-old during the darkest of times, Bernard Kops has created a dramatic masterpiece" (Time Out) "This play has been a catalyst in stimulating young people not only to question the past but also to confront the very real issues of racism today." (Jenny Culank, Artistic Director of Classworks Theatre, Cambridge) In 1942 Anne Frank, a young Jewish girl, was forced into hiding with seven others in a secret annexe in Amsterdam. *Dreams of Anne Frank* vividly brings her story to life in a poignant and highly charged drama. Using game theory and examples of actual games people play, Nobel laureate Manfred Eigen and Ruthild Winkler show how the elements of chance and rules underlie all that happens in the universe, from genetic behavior through economic growth to the composition of music. To illustrate their argument, the authors turn to classic games--backgammon, bridge, and chess--and relate them to physical, biological, and social applications of probability theory and number theory. Further, they have invented, and present here, more than a dozen playable games derived from scientific models for equilibrium, selection, growth, and even the composition of RNA.
