

Disassembly Reassembly Guide For Mossberg Ebook

Long range shooting in the United States is as old as this country is young. Shooters have always had a fascination with shooting at distance, whether they are plinkers, competitive shooters, or hunters. The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire. In recent years the interest in tactical precision rifles has increased, with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters. Expert Robert A. Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the Shooter's Bible Guide to Tactical Firearms. This Shooter's Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear. The shooting school section provides instructions for those of us who have had no formal training. For experienced shooters, having current information on hand in one place can be an invaluable resource. And no Shooter's Bible guidebook is complete without a detailed products section showcasing rifles from all across the market. Other topics covered include: Top 10 long-range rifles Precision rifle maintenance Anatomy of a riflescope Shooting technique, positions, and drills And much more! Pick up a copy of the Shooter's Bible Guide to Tactical Firearms to learn everything you need to know about precision, long-range shooting. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Modern Survival Manual is based on first hand experience of the 2001 Economic Collapse in Argentina. In it you will find a variety of subjects that the author considers essential if a person wants to be prepared for tougher times: -How to prepare your family, yourself, your home and your vehicle -How to prepare your finances so that you don't suffer what millions in my country went through -How to prepare your supplies for food shortages and power failures -How to correctly fight with a chair, gun, knife, pen or choke with your bare hands if required -Most important, how to reach a good awareness level so that you can avoid having to do all that These are just a few examples of what you will find in this book. It's about Attitude, and being a more capable person and get the politically correct wimp out of your system completely.

This fascinating visual account of firearms shows everything from the earliest cannons to modern weapons of war. It also highlights how gun technology and military tactics developed in tandem over time. Centuries ago, the Chinese discovered that if they put gunpowder and a projectile into a metal tube and ignited it, they could fire the projectile with enormous force. The first guns were born. Firearms: An Illustrated History showcases over 300 firearms including pistols, revolvers, rifles, shotguns, machine-guns, and artillery, each with annotated close-up photographs and details of their origins,

barrel, and caliber. It details the use of the firearms, not just in the military but for sport, hunting, and law enforcement. This comprehensive volume traces the history of firearms, highlighting "turning points" such as the rifle with its parallel spiraled grooves that could impart a spin to bullets making them fly straighter. It also showcases iconic firearms such as the Walther PPK self-loading pistol popularised in James Bond films. With information on the great gunsmiths including Beretta and Kalashnikov and a detailed guide to how guns work, Firearms: An Illustrated History is an essential purchase for everyone interested in guns and military history.

Shotguns: A Comprehensive Guide is Steve Markwith's second firearms book in the Survival Guns series. This book covers the details of buying, owning, and shooting a shotgun. Steve takes the reader from understanding the many differences between various models, old and new, to detailing chokes, barrels, and shot patterns. He covers essential topics such as cleaning, safety, and training. The information contained within is detailed, covering far more than just the firearm itself, leaving the reader confident in his/her plan to learn the about the gun in a reasoned, logical way. Steve's decades of experience and no-nonsense writing style makes this book a joy to read. Complemented with many photographs, this is a must-have on the bookshelf of any firearms enthusiast.

The one-stop-shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you're a recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts.
