'I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big.' - Donald J. Trump Here is Trump in action - how he runs his business and how he runs his life - as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and changes the face of the New York City skyline. But even a maverick plays by the rules, and Trump has formulated eleven guidelines for success. He isolates the common elements in his greatest deals; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks - really talks - about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It's the most streetwise business book there is - and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

Trump University books are practical, straightforward primers on the basics of doing business the Trump way—successfully. Each book is written by leading experts in the field and includes contributions from Trump himself. Perfect for anyone who wants to get ahead in business without the MBA, these streetwise books provide real-world business advice based on the one thing readers can't get in any business school—experience. In Trump University Wealth Building 101, you'll learn how to: Develop the right mindset for continued success Learn millionaire moneymaking habits Create your own financial vision statement Adopt the seven proven practices of the rich Start your own business Become a real estate entrepreneur Build your investment portfolio Master money-saving tax strategies And much more! Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of Fear: Trump in the White House, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, Rage shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. Rage draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don't worry about it, Bob. Okay?” Trump told the author in July. “Don't worry about it. We'll get to do another book. You'll find I was right.”

ON TOP OF THE WORLD ... IN A HOUSE OF CARDS The tabloids tracked his every move. The business magazines predicted his demise. And the public couldn't get enough. But the only people privy to Donald Trump's real story were the members of his inner circle—men such as Jack O'Donnell, a top executive at Atlantic City's Trump Plaza Casino until April, 1990. For three years O'Donnell witnessed the goings-on in the House of Trump that the people only guessed at. Now he reveals what he saw. Here's the inside story of Trump's legendary tirades, his convenient forgetfulness, and the infamous Donald Trump ego. O'Donnell tells how the Plaza staff catered to Trump's personal whims, and to those of his mistress—and how the man who built the largest gambling hall in the world knew little about running a casino. From the hypocrisy, bad deals, and the monumental debt to the untold tales of Marla and Ivana, Trumped! rips the mask off the mighty Trump facade—revealing a man whose castle is about to collapse.

The real estate mogul and golfing enthusiast shares golf tips from some of the world's top golf professionals, including how to think your game better, when to swing hard, and how to foster a love of the game that will transcend setbacks.

Trump University books are practical, straightforward primers on the basics of doing business the Trump way—successfully. Each book is written by a leading expert in the field and includes an inspiring Foreword by Trump himself. Key ideas throughout are illustrated by real-life examples from Trump and other senior executives in the Trump organization. Perfect for anyone who wants to get ahead in business, with or without the MBA, these streetwise books provide real-world business advice based on the one thing readers can't get in any business school—experience. In Trump University Branding 101, you'll learn how to: * Build a powerful brand that increases the sales and profits of any business * Launch your entrepreneurial brand * Manage the differences between service branding and product branding * Develop a brand for your real estate investments * Make your brand far more than just a name or logo * Develop clear positioning and brand strategy * Successfully communicate your brand * Choose an appropriate brand name and logo * Reinvigorate a struggling brand * Use guerrilla branding for your small business * Build your own personal brand for career development * Keep your brand image consistent * Grow your brand over time * Use your brand to increase the overall value of your business

Trump Strategies for Real Estate offers unbeatable insider advice for every serious real estate investor—beginners and old pros alike. For more than twenty-five years, author George Ross has been one of Donald Trump's chief advisors and intimately involved with many of Trump's biggest real estate deals. Now, Ross teams up with bestselling real estate author Andrew McLean to present Trump's real estate investment strategies so that even small investors can invest like Trump. You'll learn how Trump identifies potential properties and how he finances, negotiates, and markets his big deals. Not everyone has Trump's money or name, but everyone, even you, can use his tactics and strategies to win big in real estate.

In Never Give Up, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, Never Give Up will help you deal with your own personal challenges, failures, and weaknesses.

This book will help me to understand who Donald Trump is, what he really believes, where his vision for America will lead us, and where God is in all of this.

In Trump 101, Trump himself becomes your personal mentor and coach as he shares tips, tactics, and strategies, all designed to help you make the most of yourself, your career, and your life. Each chapter covers a basic rule or belief, and shows you how to make it work for you. Learn the vital qualities and skills that every successful businessperson needs.

In the #1 New York Times bestseller, the former Assistant to the President and Director of Communications for the Office of Public Liaison in the Trump White House provides an eye-opening and “explosive” (The Boston Globe) look into the corruption and controversy of the current administration. Few were a member of Donald Trump’s inner orbit longer than Omarosa Manigault Newman. Their relationship spanned fifteen years—through four television shows, a presidential campaign, and a year by his side in the most chaotic, outrageous White House in history. But that relationship came to a decisive and definitive end, and Omarosa finally shares her side of the story in this “deftly executed” (The Guardian), jaw-dropping account. A stunning tell-all and takedown from a strong, intelligent woman who took every name and number, Unhinged is a must-read for any concerned citizen.

The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff, The Trump White House: Changing the Rules of the Game tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda. The Trump White House reveals: • Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump’s most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York. Seeing Jared on TV, Trump said, “Look at Jared, he looks like a little boy, like a child.” • First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment. • Kellyanne Conway is the No. 1 White House leaker. • Trump’s Secret Service Director Randolph “Tex” Alles proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea. • Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses. • Trump calls certain reporters directly, feeding them stories attributed to “a senior White House official,” creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy, dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump’s decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the unvarnished and unbiased inside story that answers the question: Who is Donald Trump?

A tax-smart guide to keeping more of the wealth you build Three obstacles to wealth-lawsuits, income taxes, and estate taxes-can and will destroy the financial achievements of those who fail to properly safeguard their assets. In this book, attorney and tax strategist J.J. Childers lays out a plan for combating these forces so that anyone willing to learn and apply the secrets of the wealthy can do so in a smart, simple, and effective way. J.J. Childers (Little Rock, AR) is a licensed attorney specializing in wealth structures that reduce taxes and shield assets. He speaks on these topics to thousands of individuals, investors, and small business owners each year. His unique ability to explain complicated strategies in simple terms has made him one of the nation's most sought-after speakers and practitioners on asset-protecting legal structures.

This book explains the political rise of Donald Trump: why he appeals to voters, and why the united forces opposing him couldn't defeat his candidacy.

Trump 101 The Way to Success John Wiley & Sons

Donald Trump promised the American people a transformative change in economic policy after eight years of stagnation under Obama. But he didn’t adopt a conventional left or right economic agenda. His is a new economic populism that combines some conventional Republican ideas—tax cuts, deregulation, more power to the states—with more traditional Democratic issues such as trade protectionism and infrastructure spending. It also mixes in important populist issues such as immigration reform, pressuring the Europeans to pay for more of their own defense, and keeping America first. In Trumponomics, conservative economists Stephen Moore and Arthur B. Laffer offer a well-informed defense of the president's approach to trade, taxes, employment, infrastructure, and other economic policies. Moore and Laffer worked as senior economic advisors to Donald Trump in 2016. They traveled with him, frequently met with his political and economic teams, worked on his speeches, and represented him as surrogates. They are currently members of the Trump Advisory Council and still meet with him regularly. In Trumponomics, they offer an insider’s view on how Trump operates in public and behind closed doors, his priorities and passions, and his greatest attributes and liabilities. Trump is betting his presidency that he can create an economic revival in America’s industrial heartland. Can he really bring jobs back to the rust belt? Can he cut taxes and bring the debt down? Above all, does he have the personal discipline, the vision, the right team, and the right strategy to pull off his ambitious economic goals? Moore and Laffer believe that he can pull it off and that Trumponomics will usher in a new era of prosperity for all Americans.

It’s not good enough to want it. You’ve got to know how to get it. Real estate titan, bestselling author, and TV star Donald J. Trump is the man to teach you the billionaire mind-set—how to think about money, career skills, and life. Here is crucial advice on investing in real estate from the expert, everything from dealing with brokers to renovating to assessing the value of property, buying and selling, and securing a mortgage. Trump will show you how to cut costs, decide how much risk to assume in your investments, and divide up your portfolio. He’ll also teach you how to impress anyone, how to correct or criticize someone effectively, and how to know if your friends are loyal—everything you need to know to get ahead. And once you’ve earned your money, you’ve got to learn to spend it well. Trump presents his consumer guide to the best things in life, from wine to golf clubs to engagement rings. Check out the billionaire lifestyle—how they shop and what they buy. Even if you’re not superwealthy, you can afford many of these luxuries. And what look inside the Trump world would be complete without The Apprentice? Trump will take you behind the scenes, from the end of season one and into season two, with insights into the making and the meaning of TV’s hottest show. As Donald Trump proves, getting rich is easy. Staying rich is harder. Your chances are better, and you’ll have more fun, if you think like a

billionaire. This is the book that will help you make a real difference in your life.

A man who can't pronounce "anonymous" in high office, seems rather ominous. We don't have to get all Deuteronomous: Brains and power are rarely synonymous. "I love every word Mark Childress writes, including this new compilation of his great political writing. He is brilliant and hilarious." – Anne Lamott "You, sir, are a libtard!" – Glenn Beck New York Times bestselling author Mark Childress was like many liberal Americans whose life veered off the tracks as Donald Trump rose to power. In his day-by-day journal, Childress tirelessly pursues the funny side of America's descent into Trumpism. From Viet Nam to New Orleans to the Women's March and beyond, the author spins variations on all the absurd, ridiculous, head-exploding, enraging, unbelievable moments of the Trump Years. The book includes photos, tweets, teets, doggerel, lyrics, fake news, and all manner of hijinks, twaddle, & flimflammy. If Trump & Company drive you crazy, but you're almost ready to laugh - this is the book for you.

When Donald Trump speaks and tweets, the world holds its breath. He vents his spleen at anything and anyone at anytime. His use of social media to message his innermost thoughts and often galvanize his, (as Hilary puts it) 'Basket of Deplorables' following, makes for unmissable reading, no matter what your political views.

Donald Trump, Silvio Berlusconi, Marine Le Pen, Hugo Chávez—populists are on the rise across the globe. But what exactly is populism? Should everyone who criticizes Wall Street or Washington be called a populist? What precisely is the difference between right-wing and left-wing populism? Does populism bring government closer to the people or is it a threat to democracy? Who are "the people" anyway and who can speak in their name? These questions have never been more pressing. In this groundbreaking volume, Jan-Werner Müller argues that at populism's core is a rejection of pluralism. Populists will always claim that they and they alone represent the people and their true interests. Müller also shows that, contrary to conventional wisdom, populists can govern on the basis of their claim to exclusive moral representation of the people: if populists have enough power, they will end up creating an authoritarian state that excludes all those not considered part of the proper "people." The book proposes a number of concrete strategies for how liberal democrats should best deal with populists and, in particular, how to counter their claims to speak exclusively for "the silent majority" or "the real people." Analytical, accessible, and provocative, *What Is Populism?* is grounded in history and draws on examples from Latin America, Europe, and the United States to define the characteristics of populism and the deeper causes of its electoral successes in our time.

Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich

From the #1 bestselling author of *Too Much and Never Enough: A diagnosis of America's national trauma, and a way to heal.* The *Reckoning* will examine America's national trauma, rooted in our history but dramatically exacerbated by the impact of current events and the Trump administration's corrupt and immoral policies. Our failure to acknowledge this trauma, let alone root it out, has allowed it to metastasize. Whether it manifests itself in rising levels of rage and hatred, or hopelessness and apathy, the stress of living in a country we no longer recognize has affected all of us. America is suffering from PTSD—a new leader alone cannot fix us. An enormous amount of healing must be done to rebuild our faith in leadership, and our hope for this nation. It starts with *The Reckoning*.

The author tells how he rebounded from the verge of bankruptcy in 1990 to regain his status as New York's most prominent businessman, revealing his successful real estate and investment strategies. Many investors are frightened of investing in commercial real estate. But with residential real estate struggling, the time is right to make the switch to commercial properties. *Trump University Commercial Real Estate Investing 101* takes the fear out of commercial investing with easy-to-understand, step-by-step principles that will make you successful and lower your risk. You'll learn the differences between residential and commercial properties, how to invest profitably in your spare time, and much more.

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered, Donald Trump, Jr.* will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

Trump University Marketing 101 combines the biggest name in business with the 40-year teaching experience of one of the most well-known marketing thinkers in academia. Without an MBA in marketing, how can today's entrepreneurs and business owners stay on top of what's happening in marketing? How can they find the best new ideas and avoid those tactics that don't work or just lead to trouble?

Trump University Marketing 101 presents all the basics of a marketing MBA. Each chapter focuses on one key marketing idea and explores it in a straightforward, non-academic manner with exercises and examples that show the idea in action. But more than basic instruction, Sexton also includes his own methodologies for making vital marketing decisions—the same methodologies major corporations pay top-dollar to have him teach their employees. Don Sexton is Professor of Business at Columbia University and principle of The Arrow Group, Ltd.®, a marketing consulting and training firm whose clients have included GE, Citigroup, IBM, and Pfizer, among many others. He has taught at Columbia for more than 35 years, is a recipient of the Business School's Distinguished Teaching Award, and has written numerous articles on marketing and branding issues. He is often quoted in prominent media such as *The New York Times*, *Business Week*, and *Beijing's China Economic Daily*.

The book "The Key to Understanding Donald J. Trump" tries to get beyond the smokescreen, and to understand the behavior of Donald Trump, which sometimes seems to elusive - having neither pattern nor

order. Whether you are a fan or a foe of the president, a political amateur or just an average person who tries to understand whether there is logic to Trump's chaos - the book gives you a window into the brain of the world's most important man and an opportunity to read his thoughts in a way that will allow you to feel that you too can explain the rationale behind his actions, be it at the dinner table, in a conversation with friends or simply when reading the daily news. Biography Kobby Barda was born and raised in Holon, Israel and is an expert on US-Israel relations and a contributor for Israeli channel 20. Mr. Barda is the head of the "Gal Program" for Political Leadership at The Academic Center for Law and Science, Hod Hasharon, Israel. Barda holds a M.A. degree from Haifa University where his dissertation focused on AIPAC, and currently is P.HD Candide at Haifa University. In order to understand the phenomenon of President Trump, Barda uses his experience spanning over 20 years as a media consultant and communications expert where he has served as a political campaign manager and advisor to Israeli government ministers, Israeli Parliament members and Mayors. Barda was the man who alerted the world to the highly offensive cartoon of President Donald Trump and Prime Minister Benjamin Netanyahu in The New York Times. Kobby is married to Michal and the father of Ronny, Jonathan & Gili

Some people are saying, I don't know, you tell me, but a lot of people are saying this is the greatest book of the year. This guy, Shannon Wheeler, he draws these cartoons for the New Yorker, MAD, the Onion—he's very, very, good, okay? Now he's illustrated the most incredible tweets. Wow! You won't believe what he does with these tweets. I mean, these tweets changed the world, folks. It's true! It's very true. EVERYONE is going to want this book — even the haters and losers (Sad!).

Ever since he wrote The Art of the Deal, Trump has been the world's most famous negotiator—even though he didn't reveal his actual deal-making secrets. Now, George Ross explains the tactics that took Trump to the top and how you can use those same tactics and strategies in your daily negotiations. A practical, real-world negotiation playbook, this is the ultimate guide for anyone who wants to negotiate like a proven winner.

Two foreign policy experts chart a new American grand strategy to meet the greatest geopolitical challenges of the coming decade This ambitious and incisive book presents a new vision for American foreign policy and international order at a time of historic upheaval. The United States' global leadership crisis is not a passing shock created by the Trump presidency or COVID-19, but the product of forces that will endure for decades. Amidst political polarization, technological transformation, and major global power shifts, Lissner and Rapp-Hooper convincingly argue, only a grand strategy of openness can protect American security and prosperity despite diminished national strength. Disciplined and forward-looking, an openness strategy would counter authoritarian competitors by preventing the emergence of closed spheres of influence, maintaining access to the global commons, supporting democracies without promoting regime change, and preserving economic interdependence. The authors provide a roadmap for the next president, who must rebuild strength at home while preparing for novel forms of international competition. Lucid, trenchant, and practical, An Open World is an essential guide to the future of geopolitics. For the past four years, author Aldous J. Pennyfarthing has dogged the Abominable Showman with his caustic brand of wit and ribaldry, and now it's finally time to bid a cheerful goodbye. In this fourth and final installment of his acclaimed series, Pennyfarthing picks up where he left off with the Amazon best-selling books "Dear F*cking Lunatic," "Dear F*cking Moron," and "Dear Pr*sident A**clown," skewering Donald Trump's boundless ego, bottomless stupidity, and brazen incompetence.

Trump University books are practical, straightforward primers on the basics of doing business the Trump way—successfully. Written by leading experts and including an inspiring Foreword by Trump himself, these books present smart business wisdom illustrated with real-life examples from Trump and other world-renowned experts. Perfect for anyone who wants to get ahead in business without the cost of an MBA, these street-smart guides provide real-world business advice based on the one thing you can't get in any business school—experience. In Trump University Real Estate 101, Second Edition, you'll learn how to: Develop your entrepreneurial abilities and invest like a pro Make money especially in today's down market Operate your rentals profitably even in weak markets Create instant equity in any property Calculate the effects of financing on cash flows and property values Use options and assignments to tie up properties Forecast market trends whether up or down Create and enhance the value of any property And much more!

The host of the hit reality show The Apprentice presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. The Way to the Top brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, The Way to the Top belongs on every business bookshelf.

Donald Trump shares his tips, tactics and strategies on how to find the work you love, set high standards and meet them, think Trump-scale, be tough not nasty and turn problems into gold.

A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America's interests first—and that means doing what's right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump's vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in Time to Get Tough, “I've built businesses across the globe. I've dealt with foreign leaders. I've created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That's what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he's going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn't need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and Time to Get Tough is his blueprint!

NEW YORK TIMES BESTSELLER • From an award-winning journalist at The Atlantic, these searing essays make a damning case that cruelty is not merely an unfortunate byproduct of the Trump administration but its main objective and the central theme of the American project. “No writer better demonstrates how American dreams are so often sabotaged by American history. Adam Serwer is

essential.”—Ta-Nehisi Coates “Trump summoned the most treacherous forces in American history and conducted them with the ease of a grand maestro.” Like many of us, Adam Serwer didn’t know that Donald Trump would win the 2016 election. But over the four years that followed, the Atlantic staff writer became one of our most astute analysts of the Trump presidency and the volatile powers it harnessed. The shock that greeted Trump’s victory, and the subsequent cruelty of his presidency, represented a failure to confront elements of the American past long thought vanquished. In this searing collection, Serwer chronicles the Trump administration not as an aberration but as an outgrowth of the inequalities the United States was founded on. Serwer is less interested in the presidential spectacle than in the ideological and structural currents behind Trump’s rise—including a media that was often blindsided by the ugly realities of what the administration represented and how it came to be. While deeply engaged with the moment, Serwer’s writing is also haunted by ghosts of an unresolved American past, a past that torments the present. In bracing new essays and previously published works, he explores white nationalism, myths about migration, the political power of police unions, and the many faces of anti-Semitism. For all the dynamics he examines, cruelty is the glue, the binding agent of a movement fueled by fear and exclusion. Serwer argues that rather than pretending these four years didn’t happen or dismissing them as a brief moment of madness, we must face what made them possible and continues to endure. Unless we confront these toxic legacies, the fragile dream of American multiracial democracy will remain vulnerable to the forces that have nearly destroyed it time and again.
