"Debut cookbook from Alinea restaurant in Chicago, with recipes organized by season"--Provided by publisher.

Written as a series of interconnected essays—with recipes—Relæ provides a rare glimpse into the mind of a top chef, and the opportunity to learn the language of one of the world's most pioneering and acclaimed restaurants. Chef Christian F. Puglisi opened restaurant Relæ in 2010 on a rough, run-down stretch of one of Copenhagen's most crime-ridden streets. His goal was simple: to serve impeccable, intelligent, sustainable, and plant-centric food of the highest quality—in a setting that was devoid of the pretention and frills of conventional high-end restaurant dining. Relæ was an immediate hit, and Puglisi's "to the bone" ethos—which emphasized innovative, substantive cooking over crisp white tablecloths or legions of water-pouring, napkin-folding waiters—became a rallying cry for chefs around the world. Today the Jægersborggade—where Relæ and its more casual sister restaurant, Manfreds, are located—is one of Copenhagen's most vibrant and exciting streets. And Puglisi continues to excite and surprise diners

with his genre-defying, wildly inventive cooking. Relæ is Puglisi's much-anticipated debut: like his restaurants, the book is honest, unconventional, and challenges our expectations of what a cookbook should be. Rather than focusing on recipes, the core of the book is a series of interconnected "idea essays," which reveal the ingredients, practical techniques, and philosophies that inform Puglisi's cooking. Each essay is connected to one (or many) of the dishes he serves, and readers are invited to flip through the book in whatever sequence inspires them—from idea to dish and back to idea again. The result is a deeply personal, utterly unique reading experience.

IACP Award Winner 2019 marks the twenty-fifth anniversary of the acclaimed French Laundry restaurant in the Napa Valley—“the most exciting place to eat in the United States” (*The New York Times*). The most transformative cookbook of the century celebrates this milestone by showcasing the genius of chef/proprietor Thomas Keller himself.

Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller's methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from beurre monté to foie gras au torchon, to a wild and thoroughly unexpected take on coffee and doughnuts, *The French Laundry Cookbook* captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now recreate at home the very experience *Wine Spectator* described as “as close to dining perfection as it gets.”

Winner of the 2014 James Beard Award for Outstanding Chef: the top chef in the country A traditional Italian meal is one of the most comforting—and delicious—things that anyone can enjoy. Award-winning chef Nancy Silverton has elevated that experience to a whole new level at her Los Angeles restaurants Osteria Mozza and Pizzeria Mozza, co-owned with restaurateurs Mario Batali and Joe Bastianich. A reservation at Mozza has been the hottest ticket in town since the restaurants opened and diners have been lining up for their wildly popular dishes. Finally, in *The Mozza Cookbook*, Silverton is sharing these recipes with the rest of the world. The original idea for Mozza came to Nancy at her summer home in Panicale, Italy. And that authentic Italian feel is carried throughout the book as we explore recipes from aperitivo to dolci that she would serve at her tavola at home. But do not confuse authentic with conventional! Under Silverton's guidance, each bite is more exciting and delectable than the last, with recipes such as: Fried Squash Blossoms with Ricotta Buricotta with Braised Artichokes, Pine Nuts, Currants, and Mint Pesto Mussels al Forno with Salsa Calabrese Fennel Sausage, Panna, and Scallion Pizza Fresh Ricotta and Egg Ravioli with Brown Butter Grilled Quail Wrapped in Pancetta with Sage and Honey Sautéed Cavolo Nero Fritelle di Riso with Nocello-soaked Raisins and Banana Gelato Olive Oil Gelato In the

book, Nancy guides you through all the varieties of cheese that she serves at the Mozzarella Bar in the Osteria. And you'll find all the tricks you need to make homemade pastas, gelato, and pizzas that taste as if they were flown in directly from Italy. Silverton's lively and encouraging voice and her comprehensive knowledge of the traditions behind this mouthwateringly decadent cuisine make her recipes—both familiar and intricate—easy to follow and hard to resist. It's no wonder it is so difficult to get a table at Mozza—when you're cooking these dishes there will be a line out your door as well.

Now, Bourdain brings you his *Les Halles Cookbook*, a cookbook like no other: candid, funny, audacious, full of his signature charm and bravado. Bourdain teaches you everything you need to know to prepare classic French bistro fare. While

you're being guided, in simple steps, through recipes like roasted veal short ribs and steak frites, escargots aux noix and foie gras au pruneaux, you'll feel like he's in the kitchen beside you—reeling off a few insults when you've scorched the sauce, and then patting you on the back for finally getting the steak tartare right. Named a Best Book of 2020 by *Publisher's Weekly* and a Best Cookbook of 2020 by Amazon and Barnes & Noble

“Every elegant page projects Keller’s high standard of ‘perfect culinary execution’. . . . This superb work is as much philosophical treatise as gorgeous cookbook.” —*Publishers Weekly*, **STARRED REVIEW** Bound by a common philosophy, linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller’s celebrated restaurants—*The French Laundry* in Yountville, California, and *per se*, in New York City—are in a relationship unique in the world of fine dining. Ideas bounce back and forth in a dance of creativity, knowledge, innovation, and excellence. It’s a relationship that’s the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in *The French Laundry, Per Se*, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, “The Whole Bird,” Tomato Consommé, Celery Root

Pastrami, Steak and Potatoes, Peaches 'n' Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch–egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crème brûlée reimagined as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of beurre manié and béchamel, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—“The Lessons of a Dishwasher,” “Inspiration Versus Influence,” “Patience and Persistence”—The French Laundry, Per Se will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking.

The first cookbook from groundbreaking chef Wylie Dufresne—the story of wd~50, his pioneering restaurant on Manhattan’s Lower East Side, and the dishes that made it famous. When it opened in 2003, wd~50 was New York’s most innovative, cutting-edge restaurant. Mastermind Wylie Dufresne ushered in a new generation of experimental and free-spirited chefs with his wildly unique approach to cooking, influenced by science, art, and the humblest of classic foods like bagels and lox, and American cheese. A cookbook that doubles as a time capsule, wd~50 explores one of the most exciting decades in modern culinary history through the lens of an unforgettable restaurant—one that was so distinctive that upon its closing in 2014, New York Times critic Pete Wells was inspired to compare it to the notorious music venue CBGB, “with way nicer bathrooms.” With gorgeous photography, detailed recipes explaining Wylie’s iconic creations, and stories from the last days of the restaurant, wd~50 is an essential piece of culinary memorabilia.

James Beard Award Winner IACP Award Winner Thomas Keller, chef/proprietor of Napa Valley's French Laundry, is passionate about bistro cooking. He believes fervently that the real art of cooking lies in elevating to excellence the simplest ingredients; that bistro cooking embodies at once a culinary ethos of generosity, economy, and simplicity; that the techniques at its foundation are profound, and the recipes at its heart have a powerful ability to nourish and please. So enamored is he of this older, more casual type of cooking that he opened the restaurant Bouchon, right next door to the French Laundry, so he could satisfy a craving for a perfectly made quiche, or a gratinéed onion soup, or a simple but

irresistible roasted chicken. Now Bouchon, the cookbook, embodies this cuisine in all its sublime simplicity. But let's begin at the real beginning. For Keller, great cooking is all about the virtue of process and attention to detail. Even in the humblest dish, the extra thought is evident, which is why this food tastes so amazing: The onions for the onion soup are caramelized for five hours; lamb cheeks are used for the navarin; basic but essential refinements every step of the way make for the cleanest flavors, the brightest vegetables, the perfect balance—whether of fat to acid for a vinaigrette, of egg to liquid for a custard, of salt to meat for a duck confit. Because versatility as a cook is achieved through learning foundations, Keller and Bouchon executive chef Jeff Cerciello illuminate all the key points of technique along the way: how a two-inch ring makes for a perfect quiche; how to recognize the right hazelnut brown for a brown butter sauce; how far to caramelize sugar for different uses. But learning and refinement aside—oh those recipes! Steamed mussels with saffron, bourride, trout grenobloise with its parsley, lemon, and croutons; steak frites, beef bourguignon, chicken in the pot—all exquisitely crafted. And those immortal desserts: the tarte Tatin, the chocolate mousse, the lemon tart, the profiteroles with chocolate sauce. In Bouchon, you get to experience them in impeccably realized form. This is a book to cherish, with its alluring mix of recipes and the author's knowledge, warmth, and wit: "I find this a hopeful time for the pig," says Keller about our yearning for the flavor that has been bred out of pork. So let your imagination transport you back to the burnished warmth of an old-fashioned French bistro, pull up a stool to the zinc bar or slide into a banquette, and treat yourself to truly great preparations that have not just withstood the vagaries of fashion, but have improved with time. Welcome to Bouchon.

The long-awaited cookbook by one of the San Francisco Bay

Area's star chefs, David Kinch, who has revolutionized restaurant culture with his take on the farm-to-table ethic and focus on the terroir of the Northern California coast. Since opening Manresa in Los Gatos in 2002, award-winning Chef David Kinch has done more to create a sense of place through his food—specifically where the Santa Cruz Mountains meet the sea—than any other chef on the West Coast. Manresa's thought-provoking dishes and unconventional pairings draw on techniques both traditional and modern that combine with the heart of the Manresa experience: fruits and vegetables. Through a pioneering collaboration between farm and restaurant, nearby Love Apple Farms supplies nearly all of the restaurant's exquisite produce year round. Kinch's interpretation of these ingredients, drawing on his 30 years in restaurants as well as his far-flung and well-fed travels, are at the heart of the Manresa experience. In Manresa, Chef Kinch details his thoughts on building a dish: the creativity, experimentation and emotion that go into developing each plate and daily menu—and how a tasting menu ultimately tells a deeper story. A literary snapshot of the restaurant, from Chef Kinch's inspirations to his techniques, Manresa is an ode to the mountains, fields, and sea; it shares the philosophies and passions of a brilliant chef whose restaurant draws its inspiration globally, while always keeping a profound connection to the people, producers, and bounty of the land that surrounds it.
