The multiple award-winning fantasy author of *The Fionavar Tapestry* brings his extraordinary imagination to a tale of mythic figures in contemporary times... Ned Marriner is in France with his father, a celebrated photographer shooting the Saint-Sauveur Cathedral of Aix-en-Provence. While exploring the cathedral, Ned meets Kate, an American exchange student with a deep knowledge of the area's history. But even Kate is at a loss when she and Ned surprise a scar-faced stranger, wearing a leather jacket and carrying a knife. "I think you ought to go now," he tells them. "You have blundered into a corner of a very old story..." In this ancient place, where the borders between the living and the long-dead are thin, Ned and his family are about to be drawn into a haunted story, as mythic figures from conflicts of long ago erupt into the present, changing—and claiming—lives.

The classic Hanukkah tale, shared by families all around the world-- now available in a beautiful anniversary edition. A Caldecott Honor book. An original tale featuring a traditional Jewish folk hero, this clever story, which received a Sydney Taylor Honor, has been a family favorite for decades. On the first night of Hanukkah, a weary traveler named Hershel of Ostropol eagerly approaches a village, where plenty of latkes and merriment should warm him. But when he arrives not a single candle is lit. A band of frightful goblins has taken over the synagogue, and the villagers cannot celebrate at all! Hershel vows to help them. Using his wits, the clever trickster faces down one goblin after the next, night after night. But can one man alone save Hanukkah and live to tell the tale? Trina Schart Hyman's leering goblins are equal parts terrifying and ridiculous as they match wits with Hershel, trying to keep him from lighting the menorah and celebrating Hanukkah. This beautiful 25th Anniversary Edition includes an insightful afterword from the author and publisher explaining the book's origins, and remembering Trina Schart Hyman, the illustrator who brought the tale to life. This classic picture book is a perfect Hanukkah gift and a wonderful read-aloud. For more tales of this clever folk hero, read *The Adventures of Hershel of Ostropol*—another collaboration between master storyteller Eric A. Kimmel and Trina Schart Hyman. Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

A revisionist new biography reintroducing readers to one of the most subversive figures in English history—the man who sought to reform a nation, dared to defy his king, and laid down his life to defend his sacred honor **NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KANSAS CITY STAR AND BLOOMBERG** Becket's life story has been often told but never so incisively reexamined and vividly rendered as it is in John Guy's hands. The son of middle-class Norman parents, Becket rose against all odds to become the second most powerful man in England. As King Henry II's chancellor, Becket charmed potentates and popes, tamed overmighty barons, and even personally led knights into battle. After his royal patron elevated him to archbishop of Canterbury in 1162, however, Becket clashed with the King. Forced to choose between fealty to the crown and the values of his faith, he repeatedly challenged Henry's authority to bring the church to heel. Drawing on the full panoply of medieval sources, Guy sheds new light on the relationship between the two men, separates truth from centuries of mythmaking, and casts doubt on the long-held assumption that the headstrong rivals were once close friends. He also provides the fullest accounting yet for Becket's seemingly radical transformation from worldly bureaucrat to devout man of God. Here is a Becket seldom glimpsed in any previous biography, a man of many facets and faces: the skilled warrior as comfortable unhorsing an opponent in single combat as he was negotiating terms of surrender; the canny diplomat "with the appetite of a wolf" who unexpectedly became the spiritual paragon of the English church; and the ascetic rebel who waged a high-stakes contest of wills with one of the most volcanic monarchs of the Middle Ages. Driven into exile, derided by his enemies as an ungrateful upstart, Becket returned to Canterbury in the unlikeliest guise of all: as an avenging angel of God, wielding his power of excommunication like a sword. It is this last apparition, the one for which history remembers him best, that will lead to his martyrdom at the hands of the king's minions—a grisly episode that Guy recounts in chilling and dramatic detail. An uncommonly intimate portrait of one of the medieval world's most magnetic figures, Thomas Becket breathes new life into its subject—cementing for all time his place as an enduring icon of resistance to the abuse of power.

In this alarming book, reporter Jayna Davis tells of her amazing journey leading from the smoking rubble of the Murrah Federal Building to the sleazy haunts of John Doe #2, the mysterious Middle East suspect who the Justice Department was at first desperate to find?then insisted never existed. With a reporter's practiced skill, Jayna Davis unscrambles the convoluted and distorted facts of the Oklahoma City bombing to present a compelling case that proves Timothy McVeigh and Terry Nichols did not act alone and in fact worked in tandem with Middle East connections that lead directly to Saddam Hussein's personal army. Ten years after the tragic April 19 bombing, this revised edition of the controversial book that captured the attention of the 9/11 Commission offers new information and a new afterword that covers the Iraq War, the verdict in the Nichols state murder trial, and recent confirmation of Al-Qaeda General Al-Zawahiri's visit to OKC to approve the bombing.

Shen Tai, son of an illustrious general serving the Emperor of Kitai, has spent two years honoring the memory of his late father by burying the bones of the dead from both armies at the site of one of his father's last great battles. In recognition of his labors and his filial piety, an unlikely source has sent him a dangerous gift: 250 Sardinian horses. You give a man one of the famed Sardinian horses to reward him greatly. You give him four or five to exalt him above his fellows, propel him towards rank, and earn him jealousy, possibly mortal jealousy.
