Michael, the hot millionaire former college football player, teaches his bratty wife a lesson she won't soon forget. He leads her to a pet shop which specializes in the treatment and humiliation of wayward women. The mysterious pet store owner helps Michael equip Paige for her new role at home. The white-collar life Jonathan Powell created for himself is gone. Standing outside Wentworth prison after serving his sentence, he knows he has to start over. No more associating with Dominant women so he can enjoy the challenge of manipulating their minds. Then Mistress Dona arrives to give him a ride from the prison into his new life, and his resolve falters.

As it is mostly with women who get married to patriarchal figures, the weight of marriage started wearing Amaya out. While Donald grew stronger, she grew weaker and weaker until she couldn't take it anymore. Then she met Dr Lisbon of Lisbon Counseling. And then a simply beautiful woman took on a journey that transformed her into a Goddess over her husband. This story features humiliation, heavy degradation and toilet slavery. Only suitable for readers who are comfortable with such dark themes. Chris lets his lust get the better of him and taught a hard lesson in respecting the boundaries of women by his 3 gorgeous neighbours. A powerful story of female domination and a must have for any lover of femdom humiliation stories.

Tim wanted to kneel before his beautiful boss Ava more than anything. But the reality might be more than he can handle. What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and Ava forever. From the Book I felt so small and embarrassed. "Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion." My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of her desk. She crossed her ankles and started thumbing through the log of websites. "What is 'femdom' Tim?" "Oh... Ava, are you sure you want me to..." "Let's hear it, Tim. I want to know what's so important that you would risk your job." "Well... it means female domination." "And that is..." "Ava..." "No, I want to know." "It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge." "Keep going..." "It often involves humiliation, corporal punishment, chastity, or service," just talking about this was both excruciatingly embarrassing and, unfortunately, exciting to me. "Really, whatever the woman wants." She clicked her tongue, "What you do on your own time is

your business Tim, but surely you don't think it's appropriate to look at sites like that at work?" "No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that again," I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. "You're going to have to do better than that." She emphasized every word of this next sentence, "I want to hear you beg for your job." Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail. "There are conversations that could've been taken from real life - even my life! (I am a Dominatrix.) ...the situations, conversations and interactions are so believable that the writers' experiences and interactions with Dommies and subs is apparent. Well written, accurate and a definite page-turner! I'd highly recommend reading "Dominatrix Boss: A BDSM Femdom Tale" to my Domme peers, to submissive males...and those exploring the wonderful BDSM community (including couples.)" Mistress DJ The Boss of my dreams "Asher Lake's first book about BDSM clearly shows his love for beautiful dominant ladies, a kinky mind and the talent of an excellent writer. Once I started reading it was impossible to stop." Peter Degen Inspiring Content... Superior dominance unfolds, a definite must read! "I appreciate how Asher Lake (Author) details intriguing obstacles with many anxious chapters keeping me on edge wanting to know more. On a more personal note, I even had moments of arousal which felt perfect and I felt I could relate to the story. Provided, I have previous BDSM experience. This story brought out some special memories of my own past experiences. It was exciting!" Cris Categories and Content "Dominatrix Boss" is intended for mature audiences only. This is a steamy kinky romance with dark themes. It contains scenes of spanking, grinding humiliation, strict discipline, chastity, foot worship, and much more.

This 16,850 word story is the surprising conclusion to Jacqueline Reed PhD's story. It starts where 'Orgasm Denial : A Study in Chastity' left off, with her intending try forced feminization turning Simon into Simone to further her selfishly enjoyable experiments into domination, submission, forced femme, BDSM, chastity, orgasm denial and sexuality. However after a brutal judicial caning leaves one of her subjects unable to sit down, suspicions are raised. Her career under threat, her secret life of domination and slave owning about to be exposed, there is only place Jacqueline can hide, only one person she can turn to, the dominant Mistress who has asked her to submit fully, and to her, to become her property, her sex slave, the dominant Mistress Mariella Jane Hall...*Warning this 16,850 word novella contains depictions of severe, judicial caning, corporal punishment, forced femme, genital piercing, branding and slavery and various fetish elements. It is NOT for the prudish or those offended by these topics! - Over 18's only please!*

I was a "Good" girl by all rights, then I had a boyfriend that forced me to do things. It started out as 'play' that I did out of love for him. It was simple, light bondage, soft spankings. I now look at what it has become, piercings in places I never dreamed. He started sharing me with others and takes discipline very seriously. When and how did I go from being a good girl to a slave girl? Over 200 aspects of BDSM are discussed in this extensive BDSM contract. For this book, ideally the Master should be male and the submissive/slave be female. Reading this sexually charged, entertaining BDSM contract/agreement together can be your romantic entertainment for many evenings.

The hard copy version of this contract (not included) has what's in this ebook but also has a lot more room for you to make additions and amendments in. If you like what you read here, you'll likely want to get the impressive looking 8.5 by 11 inch hard copy edition (also available through this site,) for your actual contract copy. It has been specifically set up to have the look and feel of a legal document. (If you have a Mistress/female slave relationship, also available through this site is "Mistress/slave BDSM Contract" as an ebook and also the more official looking hardcopy version) By going through this contract/agreement you'll learn a lot about what BDSM related experiences Master and slave/submissive are into, or might be interested in getting into (and/or to what extent.) Interests can be developed and explored, if necessary parameters can be discussed and/or set. Perhaps you'll find that certain current interests should be further developed. New ways of doing things will be discovered. This publication contains 3 ebooks which are normally sold separately. Your three ebooks are presented in this order: 1) Master and submissive or slave BDSM Contract 2) The Absolutely Essential Guide to Erotic Breast Massage 3) Bed Arrest, the Punishment For BDSM Enthusiasts Publisher's Note: This publication contains explicit sexual content and BDSM related situations. All characters are at least 18 years of age. At over 300,000 words this TWENTY-FOUR story BDSM anthology is one of the largest I've put together. From a woman making a deal with the devil and a man desperate enough to do the unthinkable, to a cop going undercover at a fetish club and a husband willing to undergo an extreme experimentation to be with the woman he loves, this collection brings together all of the BDSM-themed stories I wrote in 2018 at a deeply discounted price! This bundle includes the following previously published stories: Devil's Bargain Eve's Paradise Fetish Underground Amelia Submits Dogging Dates Dream Girl Sapphire Club Trained By My Black Boss Petgirl Park Almost Human Masochist MILF Ashley Submits Claimed by Eli Ponygirl Paige Transformation Transformation 2 Club Mystique Desperate Times Amber Exposed Submission of Gina Cage Renee's Transformation Transforming Blake Saving Cynthia Claimed Jason Thompson was an average eighteen year old college student. He played sports, partied with his friends and got laid every chance he could, but deep inside burned a secret... One day that all changed. Jason was working out in the gym when a weightlifter approached him and asked for help. Phillip Madison recognized some faint, but tell-tale signs of Jason's secret.

This is the story of a couple who save their marriage in a very unorthodox manner. They are drifting apart, scarcely communicating and Amanda is thinking of leaving James. Everything changes however when one day she finds out just what he has been looking at on the internet. This gives her an idea which might just put the spark back into their lives.

Kelly was rich, beautiful, spoiled and born bossy. For Christopher, she'd decided that absolute submission to her will was the destiny he secretly craved. In any case, it was the destiny he was going to get. Little does Chris dream what lies in store for him when Kelly makes him her dancing partner -- that this is only the first backward step in what will be a prolonged descent into complete and utter submission. DANCING BACKWARD 2 takes up this most unconventional love story where Book One left off--on the night of Christopher's shocking and mind-blowing initiation into what seems total submission to his ravishing ruling wife, whom he now addresses and worships as Goddess Kelly. But,

as he will gradually discover, many additional initiations and levels await in his downward journey into degradation, humiliation and total subjugation. All of them are delightfully detailed in this 70,000-word sequel that explores the psychoerotic and spiritual depths of Female Supremacy.

Breasts, boobs, tits, tatas... It doesn't matter what you call them, it's what you can do with 'em that counts. And, in the world of erotic sex and BDSM, there are countless numbers of things you can do with them. 1. When you enter my place, you (young lady) will take off your shoes and go kneel on the thick padding next to my bed (or other agreed upon spot like a chair or couch). Unless told differently, your eyes should be looking at where my penis will be when I sit down in front of you. 2. I will come over and sit in front of you (assuming I'm not already there.) I may or may not have clothes on. You'll then put your hands on my upper legs, massaging my legs. Keep your hands high up on my legs, massaging my legs but you may not touch my penis until allowed to. 3. I will kiss you, touch you, play with you, talk to you and undress you as you remain kneeling in front of me. At some point you may be instructed to stand up and take the rest of your clothes off. 4. You will undress me when I order you to. (Later on young lady the following will occur:) I will sit against the headboard of the bed and you young lady will lay stomach down across my lap. I will then give you a nice sensual spanking, playing with your body as I do. If you have previously done something that requires punishment, and if I have decided that your punishment will be one or more spankings, now is likely the time you will be punished. A punishment spanking lasts longer and the spanks are harder. ----- The women's sexual pleasure is essential to BDSM, S & M and other kinky pursuits. This anthology of true life vignettes offers intimate glimpses into hot BDSM play between a female dominant and her boy. It includes passionate moments that cover the gamut of play: teasing, denial, chastity, flogging, caning, pegging, slapping, and much more. It also includes incredibly sweet exchanges full of tenderness and ownership, lots of kissing, laughter, affection, and silliness. "Your breaths come hard and fast. I bite you relentlessly, thrusting up against you from behind. Every new attack makes you wince and moan, but still you push back against me until I am shoving you up against the wall, tearing at your skin like I am going to devour you."

Hello I'm slave sarah. My mistress is very demanding and strict. She controls my life in almost every way. I pleasure my mistress many times a week. I'm also available to any of her friends if she wishes. Mistress spans me on average about twice a day. It's something she genuinely loves to do. Usually mistress always gives me a spanking before bedtime. That spanking is among my favorite as it helps make me sleepy. If a friend comes over that's into BDSM she'll let him or her spank me also if they want. I don't think she thinks I can be spanked enough. I have to admit that today was a different as Mistress started the day very angry with me. I was supposed to get more of her shampoo and lip stick when I went shopping yesterday but forgot. She found out as she was taking a shower. As she was drying off she called me in, ordered me to crawl from the bedroom door to the foot of the bed and was lecturing me about being forgetful. She hates it when I'm forgetful, frankly it's something I have a problem with. I knew I was in a lot of trouble. I could see she was winding up to really spank me hard. To make a long story short, mistress then gave me a long, hard spanking and left for work. I knew she was still upset but I didn't know just what was in store for me. A bit later she called me from work and told me the bad news. I would get 9 more hard spankings that day. She had invited several of her Mistress and Master friends to come over to spank me and take me if they wished and they all did. I've never been spanked this many times as well as so long and so hard. Thanks to my hard bedtime spanking, I cried myself to sleep. I now will tell you the second half of the sexy punishment-filled detail about my long day and night of extreme punishment. 2) Also in this book is "Mistress/slave BDSM Contract" - This extensive sexually charged Mistress-slave contract book is set up so Mistress and her female slave can agree on the huge number of BDSM topics that can come up in their relationship. This book doesn't spend a lot of time setting up a spanking scene, it's almost completely filled with detailed sex and punishment scenes. Mistress and I (a young lady) have a romantic relationship that is in part based on spanking. Our romance wouldn't be the same if she didn't spank me so much. Mistress is a Domme with many friends into the BDSM scene here. Mistress invited some of her friends to punish and otherwise enjoy me today. That is one reason I got spanked and played with so much in the last 12 hours. I have a very tough butt and that really came in handy as this was a once in a lifetime day and night of punishment. I have learned my lesson, I promise Mistress! Now I'll tell you in complete detail all the sexy, naughty, disciplinary things that happened in that 12 hours. The alluring female psychiatrist listens with interest as Douglas Harper describes his harrowing treatment by highly skilled professionals working for an unknown government. Suspected of being a terrorist sympathizer, Douglas was drugged and taken from his home in the middle of the night, then forced to endure brutal interrogations. His teeth were filed, his hair removed and he was left psychologically vulnerable when he was finally let go. Charged with the task of rehabilitating this unfortunate young man, the psychiatrist finds her 'non vanilla side' is not only intrigued but primed as she listens to Douglas's halting "toothless" account. Rather than reprogramming her brainwashed patient for a return to normal life, she transforms the luckless Douglas into a toy for her personal amusement. The owning of a houseboy brings to full flame her smoldering penchant for control and governance and she takes to her new role with some enthusiasm. Douglas performs his domestic chores on her command, and while she's at work, he lies in her spare room, blindfolded, diapered and bound inside the nylon straps of the elaborate Segufix restraint system. Among the many disgusting things he'll be forced to suffer, he'll be fed a foul concoction of food deliberately made to resemble excrement. So aroused by the exhilarating arrangement with her new toy, the psychiatrist slakes her mounting sexual needs riding her trusty Sybian sex machine. It will not be long before her male companion, a barely adequate part-time lover, falls into her well-spun web of male subjugation.

This book is a Femdom Erotica book for adults only, if you are not interested in Femdom Erotica or not an adult, then please do not purchase this book. This is a story of humiliation, seduction, and torture, which reveals the terrible tortures I inflict upon my slave. I am a normal girl with a sadistic streak, and I love the feeling of breaking a man! This short story is a work of fiction that resembles a relationship I have with a man I know. There are some elements of truth in it, but I don't want people getting in trouble copying what I have done, so let's just call the whole thing fiction. This is probably the best work I have written to date, and reveals the deep and twisted nature of the relationship between me and my slave.

Matt Nicholson's Breast Punishment Primer is the most comprehensive, entertaining and educational resource written about breast punishment. The Breast Punishment

Primer examines the history of breast punishment from ancient times until now. It discusses breast physiology, including all the fun parts like the nipple, areola and the rest of the candy coating, as well as the not as often enjoyed inside stuff. The Primer also looks at the psychology and mindset behind erotic "tit torture" and breast-oriented sadomasochism and BDSM. Of course, there is a lot of time spent on the many stimulating ways to tease and torment breasts and nipples. The Primer discusses breast spanking and flagellation, ballistic punishment (yes, that is shooting things at titties), breast and nipple clamps and presses, breast bondage and binding, and the many ways to use electricity on a perky pair. It covers piercing, blade play, wax and temperature play, culinary play and biting, suction, balms, abrasion and much, much more. From facts, figures and opinions to prose and anecdotes from his decade plus as the publisher of an adult website that specialized in erotic "tit torture," if you can think about doing it to boobs, Matt probably discusses it. He may not always recommend it, but he'll discuss it. On top of all that, he's included a comprehensive bibliography and over 100 Internet references to make certain that, once you're done, you'll be almost as much as an expert on erotic breast torment as he is.

The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.

1. When you enter my place, you (the lovely lady) will take off your shoes and go kneel on the thick padding next to my bed (or other agreed upon spot like a chair or couch). Unless told differently, your eyes should be looking at where my midsection would be when I sit down in front of you. 2. I will come over and sit in front of you (assuming I'm not already there.) I may or may not have clothes on. You'll then put your hands on my upper legs, massaging my legs. Keep your hands high up on my legs, massaging my legs but you may not touch my manhood until instructed to. 3. I will touch you, kiss you, play with you, talk to you and undress you as you kneel in front of me. At some point you may be instructed to stand up and take the rest of your clothes off. 4. You will undress me when I tell you to. 5. I will then let you suck on my manhood. Always play with my testicles while you suck. 6. Soon I will reach down and play with your naked breasts as you suck. The above is just a taste of the action. I hope you'll get the book and read the rest! Two additional ebooks are included which normally sell separately. Your ebooks are presented in this order: 1) *Special Things To Do During 3 Hours of Sex: A Step-by-step Guide* 2) *Entertaining Kinky Personal Ads* 3) *Women's Super Sex Secret* Publisher's Note: This book contains explicit sexual content and BDSM. confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it’s from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men’s Feelings*).
