Tohru Honda is an orphaned teenager who comes to live with the Sohma family in exchange for housekeeping duties, but she soon comes to know the family secret.

GAMES OVER ROMANCE Narumi Momose has had it rough: Every boyfriend she's had dumped her once they found

out she was an otaku, so she's gone to great lengths to hide it. When a chance meeting at her new job with childhood friend, fellow otaku, and now coworker Hirotaka Nifuji almost gets her secret outed at work, she comes up with a plan to make sure he never speaks up. But he comes up with a counter-proposal: Why doesn't she just date him instead? In love, there are no save points.

Yuki-alongside his mother, who already has his life after high school all mapped out-confronts his future at a parent-teacher conference. To make matters worse, when Yuki recalls buried memories, he becomes speechless! Meanwhile, Tohru pays a visit to the Sohma compound in order to confirm if Kureno Sohma is really the same man with whom her best friend, Uo-chan, is in love! Love isn't in the air for Isuzu and Hatsuharu, however, as the two have broken up. Desperately in search of something, Isuzu visits Shigure's house as if driven there, but collapses upon arrival. A shocked Tohru happens to be on the scene, but all she can do is comfort Isuzu in her pain. But Isuzu seems to know all about Tohru fighting the Sohma curse on her own...!?

Finally, the curse is broken for all of the members of the Zodiac and they're granted their freedom. Kyo and Tohru confirm their feelings for each other and take the first step towards their new future. The drama of a family cursed by the Zodiac comes to a moving conclusion!! This collector's edition also includes a long interview with Natsuki Takaya-sensei, character introductions, a history of the serialized publication, and much more!!!

Now that Tohru has come to be a permanent resident of the Sohma household, her eyes are opened to a world few have access to - the lives as lived by the enigmatic (not to mention eccentric!) Sohmas. Being accepted by Shigure, Yuki and Kyo is one thing, but will other members of the Sohma clan take to this 'outsider' as easily? There were others before her, but what of their fate? Even as two more members of the Zodiac decide to pay her a surprise visit in school... Tohru finds herself with an even bigger crisis at hand... keeping the Sohma family secret from her two best friends, Uotani and Hanajima... who insist on dropping by for a sleepover!

As the Fruits Basket saga continues, the relationship between Tohru and Kyo becomes increasingly complicated, especially since most of the members of the Zodiac seem to look down on him. Tohru comes to the realization that if she wants to save Kyo, she'll have to create some sort of trigger to break his curse. But what, if anything, can cure Kyo? Secrets of the curse revealed! Dive deep into the twisted relationship between Akito and Kureno, the most elusive member of the Sohma zodiac. Tohru tries to help, but finds herself in even deeper trouble. Good thing she has steadfast friends who will save the day! Elsewhere, something is going on with Machi! When Yuki and Kakeru pay a visit to her home, will the secrets of her past be revealed? And trouble is on the horizon when Hatsuharu finally learns what Akito did to Rin. Will anything be able to stop his wrath, or will he do something he can't take back?!

Her name is Chise Hatori, a penniless orphan troubled by visions. Sold as a slave to an inhuman mage, she is about to begin a strange new

life, filled with magic, fairies, and other beings of a fantastical nature.

What is with the silent treatment? Yuki and Kyo haven't been on speaking, or rather, 'arguing' terms ever since they returned from visiting Kyoko's grave; Hatori seems more sombre than usual (if that is actually possible)... and even Kisa Sohma, the newest member of the Zodiac Tohru encounters, is reluctant to talk. The Sohma household just isn't the same when it's not its usual rowdy party! At times like these, it takes a special happy-go-lucky girl like Tohru to break the silence the way she knows best... by being herself!

The much-loved series winds down to the homestretch. Tohru's feelings for Kyo come to the forefront as she desperately searches for a way to break the curse. If she can't find a cure in time, Kyo will be locked away by the Sohma for the rest of his life! Graduation is fast approaching, meaning major decisions that will affect not only Tohru and Kyo but all of the members of the Sohma Zodiac. After all of this heartbreak, is a happy ending even possible...?

Their curse might be broken, but big questions still lie ahead for the Sohma family. Now that Kyo is free to dream of his future, what will he make of it? Does growing up mean growing apart, or will his bond with Tohru only strengthen with time? Perhaps their first date will decide! And at long last, the meaning of Kyoko's ominous words "I'll never forgive you..." becomes clear. Fans of the series won't want to miss this thrilling conclusion! In addition to the new translation and color illustrations this volume also contains over 150 pages of bonus material, including a never before published interview with Natsuki Takaya-sensei, character profiles, a timeline of the series, and much, MUCH more!!! As summer vacation inches closer, Tohru spends her days in anxious anticipation, Yuki meets a new student council member on the way to school...and Uo-chan is in love?! Who is the object of her affections?! Once summer break is in full swing, Tohru and the others take a trip to the Sohma family cottage at Momiji's invitation. Even though they're enjoying summer activities like swimming in the ocean and catching stag beetles, Yuki and Tohru have an ominous premonition! Meanwhile, Shigure pays a visit to the main house, where he makes a proposal to Akito--?!

The curse is crumbling, and Akito is doing anything to clutch at the broken threads that remain. Does the end of the curse mean catastrophe for the members of the zodiac, or will it bring the much needed healing they've all dreamed of? Tohru's bright love and generosity will become a beacon of hope in the dark...!

A premium bind-up of Fruits Basket Volumes 1 & 2, this beautiful hardcover includes interior color art, a new cover, a new foreword, and creator autograph.

Fan-favorite Fruits Basket is back with more Sohma-filled adventures! Except this time, it's set in the same world, years later. Find out more in this new volume! School's no longer an endless pit of anxiety and solitary lunches for Sawa thanks to the Sohmas. She's joined the student council and made new friends who don't abandon her no matter how painfully awkward or useless she is-they don't even get angry when she screws up or starts blabbering gibberish! Though social interactions are still daunting, people don't seem to be as scary anymore-at least, until another Sohma appears?!

After her break up with Hatsuharu, Rin has been on a desperate mission in her search for answers. She pays Shigure a visit, hoping that he would reveal something that could help her break the curse, but is stonewalled yet again. Still, as one wall is erected another crumbles: Rin finally opens up to Tohru, and in the process she realises that they may have more in common than meets the eye... though not necessarily for the better. Meanwhile, Yuki finally finds courage to confide in Kakeru a deep dark secret of his... something that not even Tohru is aware of...

Sawa Mitoma, a nervous, skittish girl who prefers minimal human contact, has just started high school, and it's already not going well...until she meets the "it" boys-the "prince-like" Mutsuki and the sharp-tongued Hajime. But little does she know, they're Sohmas!?! It's Fruits Basket...again!

The cracks start to show as Akito feels her hold over the zodiac members slowly slipping away, with another two members breaking free from the 'curse'.. but how did Akito come to be this twisted in the first place? Is the late master of the Sohma household the cause for the rift between Akito and her mother? As the plot further unravels, Tohru prepares to confess her feelings to Kyo, but Kyo has more than just the 'curse' holding him back - the painful truth about Tohru's mother's death... and one confession that may end their relationship before it has the chance to start...

Tohru Honda was an orphan when one day fate kicked her out of the house and onto land belonging to the mysterious Sohma family. Everything goes well until she discovers the Sohma family's secret, when hugged by members of the opposite sex, they turn into their Chinese zodiac animal!

Just when the Sohma household seems at peace again, Hiro Sohma, the smart-mouthed grade school kid with an attitude problem that outrials Kyo, decides to show up and make his presense felt. And he certainly isn't going to allow himself to be assimilated into the 'sheep mentality' of the other Sohma members who have been 'brainwashed' by Tohru's (niceness... especially when she's his rival for Kisa's affection! Still, Tohru's) kindness has always been infectious, as was her mother Kyoko... (who was a former gang member leader!) Obviously, role models don't always need to look the part!

After a family tragedy turns her life upside down, plucky high schooler Tohru Honda takes matters into her own hands and moves out...into a tent! Unfortunately for her, she pitches her new home on private land belonging to the mysterious Sohma clan, and it isn't long before the owners discover her secret. But, as Tohru quickly finds out when the family offers to take her in, the Sohmas have a secret of their own--when touched by the opposite sex, they turn into the animals of the Chinese Zodiac! A perennial favorite of fans and librarians alike, Natsuki Takaya's beloved bestselling Fruits Basket series returns to print in gorgeous deluxe English-language omnibus editions with beautiful full-color illustrations that are not to be missed!

Summer vacation's up again, and everyone is looking forward to some quality time in the sun! But not all is hunky dory in the Sohma household, as Hatsuharu gets a relapse of 'black-ness' and starts tearing up the classroom like a bull in a china shop! Things also start to heat up when another member of the zodiac, the timid yet beautiful Ritsu, shows up at Shigure's house! But what strange monkey business is up with this kimono-loving beauty? Summer's just full of surprises, and one can only guess what the future holds!

When she was living in a tent pitched on the Sohma family's land, Tohru Honda's primary concerns were dirt and slugs. But now that she's living with the Sohmas, she's gotten a crash course in magical powers and ancient curses! And as if keeping the Sohma clan secret wasn't bad enough, Tohru has to work overtime to prevent all the jealous girls from finding out that she's living under the same roof as the school prince, Yuki, and the school hothead, Kyo! What new drama will Valentine's Day bring into Tohru's life?!

Jealousy, rage, regret--the members of the Sohma family are no strangers to these emotions. Tohru Honda's cheerful optimism, however, is like a balm to them. Unfortunately, not every Sohma feels that way! Kisa and Tohru have become fast friends, but Hiro Sohma isn't too happy about this turn of events and decides to take out his anger on...Tohru?! And when the normally docile Hatsuharu snaps and pulls a Black Haru at school, will Tohru's brand of magic have any effect at all?!
