This workbook allows students to practice and record the mastery of skills found in Taylor's Fundamentals of Nursing, Seventh Edition by providing checklists designed to record every step of each procedure. This set of checklists is valuable as a self-assessment tool for students and a means for faculty to record student performance.

Here's just what you need to effectively care for your patients at any stage of life in today's ever-changing world of health care. Elaine Polan and Daphne Taylor guide you through the life cycle—from conception to old age—with an emphasis on health promotion, maintenance, and restoration in clinical practice.

Please note that this eBook does not include the DVD accompaniment. If you would like to have access to the DVD content, please purchase the print copy of this title. Now in its 3rd edition, Potter & Perry's Fundamentals of Nursing continues to be the definitive text for nursing students in our region. The new edition builds on the strengths of the highly successful previous editions with greater authorship, increased local research, evidence and concepts particular to the health care systems of Australia and New Zealand. Fully revised and updated by leading Australian and New Zealand nurse educators. It presents essential nursing skills in a clear format consistent with Australian and New Zealand practice, placing greater emphasis on critical thinking skill explanations, revised procedural recommendations, infection control considerations and updated medications information. Health Care Delivery System (Chapter 2) – now includes New Zealand content and walks the student through the evolution of health care delivery systems in our region. Engaging in Clinical Inquiry and Practice Development (Chapter 5) written by Jackie Crisp and Professor Brendan McCormack provides a contemporary perspective on the processes underpinning nursing knowledge development, utilisation and their role in the ongoing advancement of nursing practice. Managing Client Care (Chapter 20) is an exciting newly revised chapter that engages the student in exploring nursing issues in managing client care within the context of contemporary health care systems. New Chapter on Caring for the Cancer Survivor New Zealand Supplement Legal Implications of Nursing Practice Now includes evolve e-books Now students can search across Potter & Perry's Fundamentals of Nursing 3E electronically via a fully searchable online version. Students can take notes, highlight material and more. The e-book is included with this edition at no extra cost. New Resources for Students and Instructors on Evolve: Nursing Skills Online for Fundamentals of Nursing provides students with 17 interactive modules which expand on textbook concepts, through the use of media rich animations. It encourages decision-making and critical-thinking skills through case-based and problem-oriented lessons. Nursing Skills Online for Fundamentals of Nursing may be purchased separately as a User guide & Access code (ISBN: 9780729539388) Online Study guide for students is an ideal supplement with Skills Performance Check lists designed to challenge students' abilities. Clinical knowledge can be further tested through additional short answer and review questions.

"Fundamentals of Nursing: The Art and Science of Nursing Care, Seventh Edition, promotes nursing as an evolving art and science, directed to human health and well-being. It challenges students to cultivate the blended skills they will need to serve patients and the public well. Our aim is to prepare nurses who combine the highest level of scientific knowledge and technologic skill with responsible, caring practice. We want to challenge students to identify and master the cognitive and technical skills as well as the interpersonal and ethical/ legal skills they will need to effectively nurse the patients in their care"--Provided by publisher.
