Pick Big Little Lies meets Presumed Innocent in this "irresistible domestic drama" (Washington Post) from the New York Times bestselling author of *Reconstructing Amelia*, in which a woman's brutal murder reveals the perilous compromises some couples make—and the secrets they keep—in order to stay together. Lizzie Kitsakis is working late when she gets the call. Grueling hours are standard at elite law firms like Young & Crane, but they'd be easier to swallow if Lizzie was there voluntarily. Until recently, she'd been a happily underpaid federal prosecutor. That job and her brilliant, devoted husband Sam—she had everything she'd ever wanted. And then, suddenly, it all fell apart. No. That's a lie. It wasn't sudden, was it? Long ago the cracks in Lizzie's marriage had started to show. She was just good at averting her eyes. The last thing Lizzie needs right now is a call from an inmate at Rikers asking for help—even if Zach Grayson is an old friend. But Zach is desperate:

his wife, Amanda, has been found dead at the bottom of the stairs in their Brooklyn brownstone. And Zach's the primary suspect. As Lizzie is drawn into the dark heart of idyllic Park Slope, she learns that Zach and Amanda weren't what they seemed—and that their friends, a close-knit group of fellow parents at the exclusive Brooklyn Country Day school, might be protecting troubling secrets of their own. In the end, she's left wondering not only whether her own marriage can be saved, but what it means to have a good marriage in the first place.

From across the country and around the world, over 30 couples have opened the doors of their lives. Go behind the scenes with us to meet real people with real stories. The messy parts aren't sanitized. The joys aren't minimized. You might see them broken, bruised and yet abundantly blessed. As each page of their story is turned, you will be sure to ask how some could find hope in the middle of their circumstances. Yet, the joy they each found in their marriage will grip you. Intricately threaded through their lives is the real author of their story, Jesus. Come with us to discover how each marriage was touched with His fingerprints of hope. "This is a book about treating marriage in the best ways, which include generous doses of laughter"--P. [4] of cover.

A New York Times Bestseller! One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful business—and then something happened. Maybe it was divorce rate reports on the evening news, *The Real Housewives of Orange County*, or any daytime talk show where husbands and wives dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the

airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog HappyWivesClub.com and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000 members in more than 100 countries. Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear their stories, witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer.

We have all been conditioned to live life in a strangely serious manner while Arjun Kapoor has developed a sense of sight wherein he finds humor in every tiny fragment of the absurd world he is living in. While others around him are crazy about money, their careers and the conventional diplomatic ways of the society, he is on the quest for a true meaning in life. Will his world ever change from stupidly funny to sanely sensible? Will he ever be able to get himself freed of the pain he has been going through for so many years? Will he ever find a liberating truth? Will he survive with his straightforward ways in a world full of people having no

The How-Not-To Guide To Parenting and Marriage is a collection of offbeat, humorous stories written by a well-intentioned but definitely far from perfect father and husband. Although the book has elements that nearly all parents and married couples can identify with, the author also delivers a hilariously unique perspective that definitely sets it apart from the usual "funny things my kids said and did" kind of humor. Stories from the collection have been featured on The Erma Bombeck Writer's Workshop website, and several popular blogs including Sweatpants and Coffee, Mamapotamus, Fascinations of a Vanilla Housewife, Mommy's Playbook, We are the Dino Family, and The Brown Girl with Long Hair. So if side-splitting parenting and marriage humor is what you are seeking, dive into The How-Not-To Guide To Parenting and Marriage, and you might just be the next person to say, "I laughed until I had tears running down my cheeks!"

A National Bestseller "I read it twice, laughing, cringing, and even tearing up." — Judy Blume, New York Times "Powerful . . . All Grown Up is so intimately [and] sharply observed." — Vogue "Bravo to Attenberg, who, with hilarity and honesty, tells the story of an adult woman who wants what she wants, not what she's supposed to want." — Marie Claire Who is Andrea Bern? When her dippy therapist asks the question, Andrea knows the right things to say: she's a designer, a friend, a daughter, a sister. But it's what she leaves unsaid—she's alone, a drinker, a former artist, a shrieker in bed, captain of the sinking ship that

is her flesh—that feels the most true. Everyone around her seems to have a different idea of what it means to be an adult, though. But when Andrea's niece finally arrives, born with a heartbreaking ailment, the Bern family is forced to reexamine what really matters. Will this drive them together or tear them apart? Told in gut-wrenchingly honest, mordantly comic vignettes, *All Grown Up* is a breathtaking display of Jami Attenberg's powers as a storyteller and a whip-smart examination of one woman's life, lived entirely on her own terms.

While observing exotic animal trainers for her acclaimed book *Kicked, Bitten, and Scratched*, journalist Amy Sutherland had an epiphany: What if she used these training techniques with the human animals in her own life—namely her dear husband, Scott? In this lively and perceptive book, Sutherland tells how she took the trainers' lessons home. The next time her forgetful husband stomped through the house in search of his mislaid car keys, she asked herself, "What would a dolphin trainer do?" The answer was: nothing. Trainers reward the behavior they want and, just as important, ignore the behavior they don't. Rather than appease her mate's rising temper by joining in the search, or fuel his temper by nagging him to keep better track of his things in the first place, Sutherland kept her mouth shut and her eyes on the dishes she was washing. In short order, Scott found his keys and regained his cool. "I felt like I should throw him a mackerel," she writes. In time, as she put more training principles into action, she noticed that she became more optimistic and less judgmental, and their twelve-year marriage was better than ever. What started as a goofy experiment had such good results that Sutherland began using the training techniques with all the people in her life, including her mother, her friends, her

students, even the clerk at the post office. In the end, the biggest lesson she learned is that the only animal you can truly change is yourself. Full of fun facts, fascinating insights, hilarious anecdotes, and practical tips, *What Shamu Taught Me About Life, Love, and Marriage* describes Sutherland's Alice-in-Wonderland experience of stumbling into a world where cheetahs walk nicely on leashes and elephants paint with watercolors, and of leaving a new, improved Homo sapiens. When Dr. Margaret sat down to write about her almost 24 year-old marriage, what emerged was the same number of feisty and honest thoughts about what marriage is, and what it definitely is not. Now accompanied by evocative images from around the world by photographers Deborah Strauss and Christine Mathias, her words bring a knowing smile, a nod of the head, and a recognition of hard-earned truth. This slim volume packs a punch and is a perfect gift to honor those who've loved each other for years, to guide those who've only recently considered commitment...or to keep for yourself. Keywords: Dr. Margaret Rutherford, humor and love marriage books, advice books for newly married couples, marriage books for couples, great gift books for weddings

Juliette Ward is tired of trying to be superwoman. Her job's driving her crazy, her house has been burgled three times and she's scared to let her six-year-old son out to play. But just as she persuades her family to move to the country, her DJ husband Jon promptly lands the breakfast show on a new London radio station. Juliette knows he'd be mad to turn down his big break. But she hates the thought of swapping her stable marriage for a long-distance relationship. Big city versus country idyll? If only things were that simple...

Finding the humor in life is a skill honed and presented by Shirley Nicholson in *Thoughts While Waiting in the Doctor's Office*. In this collection of thirty-six essays and memoirs, Nicholson entertains by capturing the funny events in her life and through her observations. From puberty to dating, from marriage to honeymoons, from housework to pets, Nicholson writes about these events with warmth. She pokes fun of her tooth fairy stint, her klutziness, and her parenting skills. In "I Was a Teenage Car Thief!", she tells the story of inadvertently becoming a car thief when a salesman at her father's store gave her his car keys and permission to drive the car. She retrieved the vehicle from the location where she thought the salesman said he parked his car, drove it around town, and later returned it to the store's back lot. When the salesman left for the day, he returned and announced that the car parked in the back lot wasn't his. Without realizing it,

Nicholson had stolen a car. Laugh along with Thoughts While Waiting in the Doctor's Office as Nicholson reveals the day-to-day wit in her comic strip of life. There is no better, faster, or more effective way to reach out and grab an audience's attention than the adroit use of humor. An apt, well-timed joke can soothe the hostile, focus the uninterested, and the spur on the enthusiastic. In this latest collection from Robert Orben, master of the one-liner and fountain of humor for the great TV and stand-up comics, are gathered over 2500 short, relevant, and sharp laugh-getters that can easily be added to speeches, lectures, presentations, or casual conversation. Arranged into several hundred categories for ease in selection, the subject matter is topical—ranging from acupuncture and air pollution to women's liberation and X-rated movies. Most of the jokes are one-liners that move with a snap and a sizzle that anecdotes and lengthy stories lack. Here you will find openings and closings for speeches, plus random and specific comment invaluable to anyone who has ever been called upon to "say a few words." A marvelous tool for speakers, writers, and performers, Mr. Orben's newest book will also provide hours of laugh-filled reading for everyone.

historicizing literary criticism and the study of modern performance. In a critical climate that views the cultural object of performance as authentic in itself, is there any point in exploring a script's original history? The writer argues for a dialogic understanding of Shakespeare's plays in performance relative to unresolved issues of modernity, in a study of modern productions on stage and screen.

'Bursting with the staples of classic crime' Guardian The Earl of Burford cannot believe his luck. Rex Ransom, his favourite film star, and a hot-shot producer want to film their next feature at Alderley, the family's seventeenth-century country estate. Somewhat less enthusiastic are the Countess and poor Merryweather, the family's butler, who suddenly find themselves hosting the incoming Hollywood crowd. And that's before there's a murder in the dead of night... Paying homage to Golden Age crime fiction in which even the red herrings are impeccably turned out, The Affair of the Mutilated Mink is a must-read for armchair sleuths.

Not since Erma Bombeck has the humorous side of daily living been given such a stage. "I'm the Other Man in My Own Marriage" is a hilarious look at parents trying to relate to their teenagers, husbands trying to relate to their wives, and neighbors trying not to upset their peace by relating too much to anyone. Here is where you come to learn how to teach sex ed at the hardware store; how to stage a "budget" wedding like that of say, Princess Grace or "Lady Di;" or how to choose a good restaurant, where the "House Red" is something more than ketchup. Syndicated columnist Howard Noel has

For every happily-ever-after fairy tale that waxes poetic about true love, there is a piece of flash fiction from Dan Rhodes to provide the perfect antidote. In this collection of bite-sized vignettes, Rhodes masterfully explores the distance between what we believe is real and what others know to be true—and nowhere is this distance greater than in the realm of romance. Told with inimitable humor, with, and irony, as well as deep understanding and compassion, these short stories are guaranteed to elicit both yelps of laughter and wincing of recognition. All offer the gift of humor, though none are a paean to the institution of marriage. By turns poignant, surprising, and laugh-out-loud funny, Dan Rhodes has created a fresh and recognizable cast of scorned lovers, jilted
