The leading text, in a compact, value edition.

Give Me Liberty, Not Marxism examines what current American leaders like President Joe Biden and his globalist allies intend for America and the world, an outcome that may well usher in the prophetic end times. The evidence for this possible result comes from an objective review of the histories of past Marxist-regimes, accounts that are juxtaposed with the contemporary political proposals by those who seek a global "Great Reset" that could produce a radically different America which becomes subordinate to a godless, totalitarian one-world government ruled by the Chinese Communist Party.

"An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms." —Clay Risen, author of *American Whiskey, Bourbon, and Rye* "A potent, thought-provoking mixture of fun and 'what the hell' awareness." —Lew Bryson, author of *Whiskey Master Class* Across this nation, in breweries, liquor stores, bars, and even our own homes, we're being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated, bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico, \$1 margaritas are illegal. In Utah, cocktails must be mixed behind a barrier called the "Zion curtain." And forget about happy hour in Massachusetts—the state banned it in 1984. But we don't have to stand down and dry up—it's time to take to liquid protest. Created by the nation's leading alcohol policy expert, *Give Me Liberty and Give Me a Drink!* combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a mezcal-based One Pint, Two Pint, inspired by Vermont's ban on beer pitchers, or The Boiling Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks.

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color

design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

The leading United States History survey text, now available in a brief, full-color edition.

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

Describes the events leading up to the Declaration of Independence as well as the personalities and politics behind its framing. By the author of the Newbery Honor book, *The Wright Brothers: How They Invented the Airplane*. Reprint.

The leading text in the U.S. survey course.

First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Freedom, the oldest of clichés and the most modern of aspirations, is the unifying theme in the new survey of American history by Eric Foner, the well-known historian and author of *The Story of American Freedom*. Give Me Liberty! examines the changing meanings of freedom, the social conditions that make freedom possible and its shifting boundaries from colonial times to the early twenty-first century.

"A masterwork [by] the preeminent historian of the Civil War era."—Boston Globe
Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In Give Me Liberty, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He

examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a dawning nation lays before him. "Filled with action, well-drawn characters, and a sympathetic understanding of many points of view." —ALA Booklist

A powerful text by an acclaimed historian, *Give Me Liberty!* delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion--reinforced by new primary source features in the text and a new secondary source tutorial online--*Give Me Liberty!* strengthens students' most important historical thinking skills.

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

A powerful text by an acclaimed historian, *Give Me Liberty!* delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and

exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—Give Me Liberty! strengthens students’ most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

A New York Times bestseller! “Lively and absorbing. . .” — The New York Times Book Review “Engrossing.” —Wall Street Journal “Entertaining and well-researched . . .” —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

A noted attorney gives detailed instructions on winning arguments, emphasizing such points as learning to speak with the body, avoiding being blinding by brilliance, and recognizing the power of words as a weapon. Reprint.

This two-volume study guide has approximately 1,700 questions: 1,400 multiple-choice and true/false questions (approximately 50 per chapter), and almost 300 essay questions (about 10 per chapter). The guide includes definitions of key terms and chapter review questions.

In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation. As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder—if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

The leading U.S. history textbook, with a new focus on "Who is an American?"
