

Gregg Shorthand Dictionary Series 90

Full-color photos on flash cards present close-ups of a model demonstrating 500 American Sign Language (ASL) signs. The meanings, brief descriptions of hand and arm motions, and related words are listed on the reverse side of each card. Correct formations of hand shapes and facial expressions are clearly shown to eliminate any possible confusion regarding intended word meanings. Where appropriate, photos include directional arrows that show hand or arm movements. Each flash card has a hole in one corner to accommodate a metal ring included with the boxed set. Users can select and fit any combination of cards they please to combine relevant words and create statements, or to review signs that they have difficulty identifying. Here is an ideal method for recognizing and memorizing American Sign Language vocabulary--a fine learning resource for all who plan to work with deaf people.

Published by John Robert Gregg in 1916, this Book is the Original 5th Edition of the Gregg Shorthand Manuals. More About This Shorthand Practice Journal: Size: 6x9 Inches 229 Pages Perfect Bound Softcover Notebook Beautiful Glossy Finish on Cover

Adinkra symbols visually integrate striking aesthetic power, evocative language, mathematical structures and philosophical concepts. The book views the Adinkra cloth symbols as a writing system. It develops themes from the texts encoded in the proverbs, stories, and maxims associated with the symbols. The themes covered include Akan cosmology, social and political organization, social and ethical values, economics, and Akan knowledge systems. Perhaps the most modern and certainly one of the most comprehensive works on Adinkra (Oluwatoyin Adepoju).

The book that New York Times bestselling author Neil Gaiman considers "one of the finest [fantasy novels] in the English language." Between the mountains and the sea, between the sea and Fairyland, lay the Free State of Dorimare and its picturesque capital, Lud-in-the-Mist. No Luddite ever had any truck with fairies or Fairyland. Bad business, those fairies. The people of Dorimare had run them out generations ago--and the Duke of Dorimare along with them. Until the spring of his fiftieth year, Master Nathaniel Chanticleer, Mayor of Lud-in-the-Mist and High Seneschal of Dorimare, had lived a sleepy life with his only son, Ranulph. But as he grew, Ranulph was more and more fond of talking nonsense about golden cups, and snow-white ladies milking azure cows, and the sound of tinkling bridles at midnight. And when Ranulph was twelve, he got caught up with the fairies, and Nathaniel's life would never be the same.

A comprehensive veterinary dictionary encompassing all aspects of veterinary science. The book has over 52,000 entries with clear definitions and extensive cross-referencing covering small, large and exotic animal information.

This is a new release of the original 1956 edition.
