"Nonfiction reading skills are essential to students' achievement in virtually every academic discipline. To do science, students need to read science books and articles. To study history, they need to be skilled at reading all kinds of primary and secondary documents and sources. When we help students become powerful readers of nonfiction, we help them become powerful learners. Across this unit, students will develop a solid set of nonfiction reading skills including:

discerning central ideas; summarizing to create a concise version of a text; synthesizing within and across texts; building vocabulary; and reading critically to question an author's point of view and perspective. At the same time, students develop flexibility as they read across text types and transfer what they know from one type of text to the next. Throughout the unit, students learn to grow their ideas and work collaboratively around high-interest text and topics"--page 4 of cover.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, *Stone Fox* tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a *New York Times* Outstanding Children's Book.

To immerse students in the richness and intrigue of the content areas, let the kids lead the

way! In *Inquiry Illuminated*, Anne Goudvis, Stephanie Harvey, and classroom teacher Brad Buhrow shine a light on researcher's workshop-an approach whose true north emerges from kids' curiosity. Adapting structures you already know from reader's and writer's workshop, they share a predictable, proven, and-most importantly-authentic approach that: creates irresistible investigations in science, history and social studies, or language arts increases students' independence and agency by gradually releasing responsibility for inquiry effectively integrates literacy and content through strategies for comprehension and critical thinking. With copious full-color photographs and classroom video, *Inquiry Illuminated* shows how to create a culture where thoughtfulness, creativity, and collaboration can turn wonder into powerful inquiry. Then, with researcher's workshop, you'll uncover a process that transforms curiosity into opportunities to ask questions and follow a path to new understandings. Throughout you'll discover how to bring in what you already do in reader's and writer's workshop to support students' investigations as they read, write, create, and take action. Wonder without inquiry is like a mere spark in the darkness. Read *Inquiry Illuminated* and find out how to light up the possibilities for your learners.

If you believe that all students should have opportunities to write in genres of their choice but aren't sure how, Matt Glover is here to help. Lucy Calkins and her colleagues at the Reading and Writing Project have helped thousands of educators design their own pathways to the Common Core. Now, with Pathways to the Common Core, they are ready to help you find your way. Designed for teachers, school leaders, and professional learning communities looking to navigate the gap between their current literacy practices and the ideals of the Common Core, Pathways to the Common Core will help you: understand what the standards say, suggest, and what they don't say; recognize the guiding principles that underpin the reading and writing standards; identify how the Common Core's infrastructure supports a spiraling K-12 literacy curriculum; and scrutinize the context in which the CCSS were written and are being unrolled. In addition to offering an analytical study of the standards, this guide will also help you and your colleagues implement the standards in ways that lift the level of teaching and learning throughout your school.

Describes a method of teaching history in which students act as historians, researching documents and primary sources; provides accounts of how this curriculum worked in actual classrooms; and includes sample handouts, and excerpts from student writings. "This book provides practical help for undoing the deficit perspective that is frequently applied to Latinx bilingual students. This deficit perspective limits educators from getting to know bilingual learners and has lasting effects on children's self-concept, socio-emotional growth and academic development. As emergent bilingual Latinx children become the majority in PK-12 schools, and as Latinx communities face increasing socio-political hostility, it is urgent that we shift to teaching practices that honor the knowledge students engage every day across different contexts. Schooling impacts how societal norms are reproduced, contested or reimagined, and the lessons, along with the

pedagogical framework that we present in this book, can create that opportunity to fully embrace the ways we can connect with our students and have an impact beyond the classroom. This book offers lessons with a decolonized bilingual sustaining pedagogy approach: a culturally sustaining topic having to do with language practices, literacies, and power texts that show different ways we engage with language practices translanguaging (using all of one's linguistic repertoire, this includes different features of named languages such as Spanish and English) as the way bilingual students communicate, the way we teach, and the way we strive for social justice"--

The announcement that "It's social studies time" often elicits dread from students who mistakenly view the subject as a near-death experience. And who can blame them when this fascinating subject has been stripped of the heartbreak, adventure, conflict, treachery, strategic brilliance, and spectacular foibles - in short, the humanity - that it's supposed to explain? Student apathy and rock-bottom test scores scream that it's time for a change - for unforgettable, not regrettable, social studies. It's time for Social Studies That Sticks. In *Social Studies That Sticks* Laurel Schmidt introduces a brain-compatible approach to integrated, standards-based instruction, using the four elements of the human learning cycle: awareness, exploration, inquiry, and action. This dynamic approach brings content and concepts to life, while sharpening skills in questioning, thinking, reading, writing, and the visual and performing arts. It promotes academic achievement, models the habits of active citizenship, tunes students' ethical

This book is about teaching writing and the gritty particulars of teaching adolescents. But it is also the planning, the thinking, the writing, the journey: all I've been putting into my teaching for the last two decades. This is the book I wanted when I was first given ninth graders and a list of novels to teach. This is a book of vision and hope and joy, but it is also a book of genre units and minilessons and actual conferences with students. -Penny Kittle What makes the single biggest difference to student writers? When the invisible machinery of your writing processes is made visible to them. *Write Beside Them* shows you how to do it. It's the comprehensive book and companion video that English/language arts teachers need to ensure that teens improve their writing. Across genres, Penny Kittle presents a flexible framework for instruction, the theory and experience to back it up, and detailed teaching information to help you implement it right away. Each section of *Write Beside Them* describes a specific element of Penny's workshop: Daily writing practice: writer's notebooks and quick writes Instructional frameworks: minilessons, organization, conferring, and sharing drafts Genre work: narrative, persuasion, and writing in multiple genres Skills work: grammar, punctuation, and style Assessment: evaluation, feedback, portfolios, and grading All along the way, Penny demonstrates minilessons that respond to students' immediate needs, and her Student Focus sections profile and spotlight how individual writers grew and changed over the course of her workshop. In addition, *Write Beside Them* provides a study guide, reproducibles, writing samples from Penny and her students, suggestions for nurturing your own writing life, and a helpful FAQ. Best of all, the online videos take you right inside Penny's classroom, explicitly modeling how
