“Highly readable . . . Entrepreneurial success stories are complemented by practical advice and resources for building a business.” —Publishers Weekly A carpenter gets tired of almost losing a finger every time he slices a bagel. Bam! The Bagel Guillotine. A mother is frustrated that her pantry is full of stale food because the packages don't close. Bam! Quick Seals. Howard Schultz notices on a trip to Italy that there are coffee bars on almost every corner. Bam! Starbucks. None of them had a barrel of cash. None of them had a ton of experience. They had a big idea and the will to follow through. Donny Deutsch's hit CNBC show *The Big Idea* put the spotlight on people who have the courage and stamina to make their dreams come true. Some think a big idea is like a lightning bolt striking out of the blue. But it's hardly ever like that. The big idea isn't an act of God. It's an act of daily life. Simply put, the idea that will make millions starts with an observation. It's the moment when you say, “There's gotta be a better way.” It's the moment when you ask, “How can I solve this problem?” In *The Big Idea*, Deutsch draws not only on his own expertise, but on that of dozens of the successful entrepreneurs he has interviewed, to help you create your own enterprise. From the “Gut Check Moment” to “Mom Power,” *The Big Idea* takes aspiring entrepreneurs along every step of the way.

I have a love/hate relationship with the word "no." It's not my favorite word. (My favorite word starts with an F, and I'll give you one guess what it is.) As a female entrepreneur in a male dominated industry, I've heard the word "no" more times than I can count. If I had a dollar for every time I heard that word, I'd have millions (but that would just be way too easy, not to mention boring, so I went out and made the millions myself). I decided, almost right from the womb, I could let the word NO stop me, frustrate me and make me small or I could rise up against it and prove them all wrong. I chose the latter. I am strong, determined and unstoppable, and nothing lights a fire under my ass like being told I can't do something. I find it motivating. Actually, I find it NOtivating. (See what I did there?) If you are a fierce female entrepreneur who is sick and tired of playing by someone else's rules, I'm here to help you, sister. This book contains "Nine NOtivational Nuggets" of wisdom meant to guide you in taking over the business world. You'll learn about the power of mindset, how to become your own hero and how to throw your "fenis" on the table with the best of them! This book will help you grow into the badass businesswoman you were meant to be. You are strong. You are powerful. And-after reading this book-you'll be ready to go out there and claim your riches.

an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly and emphatically.
4. Begin in a friendly way.
5. Start with questions to which the other person will answer yes.
6. Let the other person do a great deal of the talking.
7. Let the other person feel the idea is his or hers.
8. Try honestly to see things from the other person's point of view.
9. Be sympathetic with the other person's ideas and desires.
10. Appeal to the nobler motives.
11. Dramatize your ideas.
12. Throw down a challenge.

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability.

Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that: · Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances. · A small, profitable business can be worth much more than a large business surviving on its top line. · Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.
