"One is tempted to say 'the only book you'll need on starting a business.' Brilliant! Genius! Choose your superlative-it'll fit."-Tom Peters People starting out in business tend to seek step-by-step formulas or rules, but in reality there are no magic bullets. Rather, says veteran company-builder Norm Brodsky, there's a mentality that helps street-smart entrepreneurs solve problems and pursue opportunities as they arise. Brodsky shares his hard-earned wisdom every month in Inc. magazine, in the hugely popular "Street Smarts" column he cowrites with Bo Burlingham. Now they've adapted their best advice into a comprehensive guide for anyone running a small business.

Rules for Raising Little Girls "As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu." -

Dave Barry "Required reading for any parent who doesn't know pants from leggings." - Dan Zevin, author of Dan Gets a Minivan: Life at the Intersection of Dude and Dad It's easy to imagine how you'd raise a boy--all the golf outings, lawnmower lessons, and Little League championships you'd attend--but playing dad to a little princess may take some education. In Oh Boy, You're Having a Girl, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, Oh Boy, You're Having a Girl will brace you for all those hours playing house--and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. "Somehow, Brian Klems has taken one of the most traumatic situations known to a father--having a daughter--and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation!" - W. Bruce Cameron, author of 8 Simple Rules for Dating My Teenage Daughter

We started Asymmetrical for a laundry list of reasons, but all those reasons point back to one underlying goal: Adding Value. If Asymmetrical has a single

objective, that's it. We know that if we add enough value to enough people through Asymmetrical, then we'll be able to raise the tide of Independent Publishing, not just our own work, but Indie Publishing as a whole. That way everyone benefits; a rising tide lifts all boats. Adding Value is the reason we've put together this Guide. We want to prove to you that you needn't worship at the altar of the old guard, that you needn't "submit" to anyone. You can successfully publish on your own, soup to nuts, controlling every morsel of the Process. The present day is the most exciting time in history to be an Author. No longer are you beholden to the gatekeepers; no longer must you compromise your art. For the first time in publishing history, you are in control. We know this first hand. The Authors of this Guide aren't some hacks who just write about writing. Nope. Rather, when we weren't happy with the publishing landscape, we took matters into our own hands; we refused to wait for someone else's permission to publish our work. And guess what: we've been successful. We've published over 30 Books (nonfiction, fiction, and memoirs), several of which have been bestsellers; we've toured internationally; and we've established audiences larger than most Traditionally Published Authors. But that's because we're not just Authors, and neither are you. Over the course of is Guide, we'll show you, based on our own experience as successful Independent Authors, how to publish an Indie Book.

Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on

up - without any design or features. But that's probably not a good success strategy. This book is not about starting a "quickie" blog, but about building a solid foundation for long term success. (Wordpress site). This includes advice from some of the most successful bloggers in the world, like the guys behind ProBlogger, CopyBlogger, Moz and BoostBlogTraffic who have generated a combined income of more than 50 Million Dollars through their blogs. A well-thought-out Strategy will get you there a lot faster Starting a successful blog is not just about learning the technical aspects. That is only the beginning - and even there your choices can make or break you, right from the start. We will cover the different aspects you need to consider for each of the 7 Steps described in this book, including choosing a marketable domain name, a good hosting company, mailing list services - and monetizing strategies. You will find that - with a few pointers - starting a successful blog is - by far - not as complicated as you might think. Though it will take more than just an hour...;-) Thanks to an amazing software called WordPress, it has become very easy to start and manage a blog without paying expensive designers or learning complex "code". If you are comfy with MS Word, a Wordpress site will be a breeze... More importantly, it will soon become fun to design your own Wordpress site and update it yourself. You might even help others to start their Wordpress blog.... This book follows a proven 7-Step formula with numerous screenshots to illustrate each step. It will give you the tools to get started with your new Wordpress blog in easy-to-understand language and provide you with a massive resource chapter for further training. Here is what you will learn: Step #1: What is WordPress and why do all successful bloggers use it? ...and why you should avoid third party platforms like Blogspot/Blogger, Weebly, Wix, etc. at all cost!! Entrepreneurs often suffer from "superhero syndrome"—the misconception that to be successful, they must do everything themselves. Not only are they the boss, but also the salesperson, HR manager, copywriter, operations manager, online marketing guru, and so much more. It's no wonder why so many people give up the dream of starting a business—it's just too much for one person to handle. But outsourcing expert and "Virtual CEO," Chris Ducker knows how you can get the help you need with resources you can afford. Small business owners, consultants, and online entrepreneurs don't have to go it alone when they discover the power of building teams of virtual employees to help run, support, and grow their businesses. *Virtual Freedom: How to Work with Virtual Staff to Buy More Time, Become More Productive, and Build Your Dream Business* is the step-by-step guide every entrepreneur needs to build his or her business with the asset of working with virtual employees. Focusing on business growth, Ducker explains every detail you need to grasp, from figuring out which jobs you should outsource to finding, hiring, training, motivating, and managing virtual assistants. With additional tactics and online resources, *Virtual Freedom* is the ultimate resource of the knowledge and tools necessary for building your dream business with the help of virtual staff.

What if everything you ever wanted isn't what you actually want? Twenty-something, suit-clad, and upwardly mobile, Joshua Fields Millburn thought he had everything anyone could ever want. Until he didn't anymore. Blindsided by the loss of his mother and his marriage in the same month, Millburn started questioning every aspect of the life he had built for himself. Then, he accidentally discovered a lifestyle known as minimalism...and everything started to change. That was four years ago. Since, Millburn, now 32, has embraced simplicity. In the pursuit of looking for something more substantial than compulsory consumption and the broken American Dream, he jettisoned most of his material possessions, paid off loads of crippling debt, and walked away from his six-figure career. So, when everything was gone, what was left? Not a how-to book but a why-to book, *Everything That Remains* is the touching, surprising story of what happened when one young man decided to let go of everything and begin living more deliberately. Heartrending, uplifting, and deeply personal, this engrossing memoir is peppered with insightful (and often hilarious) interruptions by Ryan Nicodemus, Millburn's best friend of twenty years.

My name is Manuel Rise and I am a professional blogger since 2014. "Professional blogger" means I can live my life blogging: I have a blog (more than one, in truth) through which I sell a service. Several years have passed since I started writing articles and the world of blogs has changed a lot. Honestly, it changes every year. So, to keep up with the times, every year I attend SEO courses by Google, copywriting and basically, every kind of course related to the world of blogs. Unfortunately, there is no great course on internet that explains how to build a blog and earn money by selling a product or service. That's why - alongside with my business - I decided to write this series of books. Everything you will find in these books is result of my experience and that's what allowed me to leave my job and be able to live only with my blogs. It's not a simple journey: making money with a blog is not a quick process and presents a lot of pitfalls. Making sure that our blog reaches first pages of Google results is a matter that takes a lot of time and a lot of work. And even if it is so fashionable "earns with your passions", it's unfortunately not a real matter. You can't think to earning money simply by writing; you always need to sell something link a product, like a service, like an affiliation... etc. In this book I will try to be as clear as possible and show you how to set everything up properly in your blog. WHAT YOU WILL FIND IN THIS BOOK? ? The only way to make money through your blog, which is not «Write your passions and get ton of money!»? The perfect type of blog that you should

Anyone can build a blog. It's quite easy. The difficult part is keeping it relevant, technically sound, and popular. Bloggers Boot Camp shows you how to blog for success. It teaches you how to find a niche, find your unique voice, and how to hold a conversation with an audience. It provides information on all the right tools for the blog, and it offers best ways to promote your blog and content for maximum success and a profitable life. Though rules in creating compelling content haven't really changed, ways in which the world blogs has since the last edition. The authors have learned a lot about social media since writing the previous edition's manuscript. They understand and know how social media can make or break a blog. Microblogging is a new trend brought on by the wide utilization of social media. To that same end, networking with other bloggers and content creators on the web is another form of building one's blog and one's reputation as a writer.
