It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the

As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Many issues of great contemporary interest arise from these stories, including the multicultural nature of Australian colonial society and, above all, the importance of love and hope.

Life was falling apart. Within the space of three years, Sonia Choquette had suffered the unexpected death of two close family members, seen her marriage

implode, and been let down by trusted colleagues. And sympathy was not forthcoming. "You're a world-renowned spiritual teacher and intuitive guide," people jeered. "How could you not have seen this coming?" Having intuitive abilities didn't make her superhuman, however. Nor did it exempt her from being wounded or suffering the pain of loss and the consequences of our all-too-human traits such as anger, resentment, and pride—traits that can lead even the best of us to stray from our spiritual path. In order to regain her spiritual footing, Sonia turned to the age-old practice of pilgrimage and set out to walk the legendary Camino de Santiago, an 820-kilometer trek over the Pyrenees and across northern Spain. Day after day she pushed through hunger, exhaustion, and pain to reach her destination. Eventually, mortification of the flesh gave way to spiritual renewal, and she rediscovered the gifts of humility and forgiveness that she needed to repair her world. In this riveting book, Sonia shares the intimate details of her grueling experience, as well as the unexpected moments of grace, humor, beauty, and companionship that supported her through her darkest hours. While her journey is unique, the lessons she learned—about honoring your relationships with others as well as with your own higher self, and forgiving all else—are universal.
