Featuring 50 easy-to-make designs—both brand-new patterns and fan favorites—stitched together with trademark wit. Don't freak out. Don't make this about you. May your life be as amazing as you pretend it is on Facebook. What fresh hell is this? Not today, Satan. Super Subversive Cross Stitch/ is here to provide crafters with the snarky inspirations they love to stitch. The book features 50 patterns--23 brand-new designs and 27 fan favorites--along with easy-to-follow instructions for the beginner and fonts and designs for adventurous crafters looking to customize their creations. It recasts a traditional, dare we say "sentimental," craft into a modern, relevant art form. It's the latest offering in the Subversive Cross Stitch brand, beloved by legions of DIYers. Less messy than graffiti, Super Subversive Cross Stitch allows crafters to adorn walls with political pith and irreverent twists on classic quotes ("I think, therefore I drink," "Let the good times be gin"). "This book reminds me that I'm not alone in being crafty and swears all at the same time. Pass the gin." —Jenny Lawson, New York Times–bestselling author of *Furiously Happy*, *Let's Pretend This Never Happened*, and *Broken* "Julie is the true OG of the subversive cross-stitch movement. Modern cross-stitch design would not be what it is today without her. She is a positive and supportive force in the cross-stitch community, providing mentorship to other designers and welcoming new stitchers into the hobby. I am so excited about her new book!" —Stephanie Rohr, Author of *Feminist Cross-Stitch*

A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little...improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the book moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to

embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!
