

## In A Heartbeat 1 Teodora Kostova

Contains detailed, incisive reviews of more than 300 restaurants, all of them good, most of them moderately priced. Features include: neighborhood organization: reviews are arranged by location throughout the city's five boroughs, with every establishment clearly mapped. Positive selections: this eBook consists entirely of restaurants we're recommending and only those where it's possible to dine for under \$50. Culinary know-how: from Maine lobster to Cuban sandwich, late-morning breakfast to early-morning supper, we cover the whole range of NYC cuisines and dining styles.

Half-bloods with Thierry's skill set are given two options. They can join the conclave's marshal program, or they can pack their bags. Turn down the job offer, and you've just shredded your residency pass for the mortal realm and booked yourself a one-way ticket to Faerie. Texas is the only home Thierry has ever known, and she's not going anywhere. Even if it means following in her notorious father's footsteps as a peacekeeper. But pinning on the badge opens her eyes to the fact sometimes fae need protection too, and that sometimes humans are the real monsters.

This book constitutes the refereed post-conference proceedings of the Fourth International Conference on Future Access Enablers for Ubiquitous and Intelligent Infrastructures, FABULOUS 2019, held in Sofia, Bulgaria, in March 2019. This year's conference topic covers Globalization through Advanced Digital Technologies – as the digitalization in all spheres of life has an impressive influence on communication and daily life in general. The 39 revised full papers were carefully reviewed and selected from 54 submissions. The main topics deal with: healthcare/wellness applications; IoT and sensor networks; IoT security in the digital transformation era; wireless communications and networks; virtual engineering and simulations.

Psychophysiology of the Frontal Lobes covers the frontal lobe function. The book discusses the modern concepts relating to the problem of the frontal lobes; the effect of frontal lesions on the electrical activity of the brain of human; and the nature of the electrical activity of the frontal cortex in human. The text then describes the nature of electrical activity in the frontal cortex of nonhuman primates; the relationship between frontal cortex and subcortical brain function; as well as experimentally based models of frontal lobe function. Psychologists, psychiatrists, and neurologists will find the book invaluable.

This guidebook to New York City's best restaurants is designed to provide anyvisitor to the Big Apple easy access to almost any type of cuisine.

**\*AN INSTANT NEW YORK TIMES BESTSELLER\*** From New York Times bestselling author Roshani Chokshi comes *The Gilded Wolves*, a novel set in Paris during a time of extraordinary change--one that is full of mystery, decadence, and dangerous desires... No one believes in them. But soon no one will forget them. It's 1889. The city is on the cusp of industry and power, and the Exposition Universelle has breathed new life into the streets and dredged up ancient secrets. Here, no one keeps tabs on dark truths better than treasure-hunter and wealthy hotelier Séverin Montagnet-Alarie. When the elite, ever-powerful Order of Babel coerces him to help them on a mission, Séverin is offered a treasure that he never imagined: his true inheritance. To hunt down the ancient artifact the Order seeks, Séverin calls upon a band of unlikely experts: An engineer with a debt to pay. A historian banished from his home. A dancer with a sinister past. And a brother in arms if not blood. Together, they will join Séverin as he explores the dark, glittering heart of Paris. What they find might change the course of history--but only if they can stay alive. Follow Chaol on his sweeping journey to a distant empire in this next instalment of the *THRONE OF GLASS* series by global #1 bestselling author Sarah J. Maas. Chaol Westfall has always defined himself by his unwavering loyalty, his strength, and his position as the Captain of the Guard. But all of that has changed since Aelin shattered the glass castle, since Chaol's men were slaughtered, since the King of Adarlan spared him from a killing blow, but left his body broken. Now he and Nesryn sail for Antica – the stronghold of the southern continent's mighty empire and of the legendary healers of the Torre Cesme. It's Chaol's one shot at recovery, and with war looming back home, Dorian and Aelin's survival could depend on Chaol and Nesryn convincing Antica's rulers to ally with them. But what they discover there will change them both – and be more vital to saving Erilea than they could have imagined.

Within the continuum of reproductive health care, antenatal care provides a platform for important health-care functions, including health promotion, screening and diagnosis, and disease prevention. It has been established that, by implementing timely and appropriate evidence-based practices, antenatal care can save lives. Endorsed by the United Nations Secretary-General, this is a comprehensive WHO guideline on routine antenatal care for pregnant women and adolescent girls. It aims to complement existing WHO guidelines on the management of specific pregnancy-related complications. The guidance captures the complex nature of the antenatal care issues surrounding healthcare practices and delivery, and prioritizes person-centered health and well-being --- not only the prevention of death and morbidity --- in accordance with a human rights-based approach.

Editör: Ahmet ARSLAN Çeviri Editörü: Derya BOSTAN Dizgi- Mizanpaj: Yusuf ÖZCAN Kapak Resimleri: Meryem ve Ebrar ISBN: 9786050682809 The short stories are written in seven languages by the students from seven countries with their English translation. Our 590 paged book contains of 65 short stories and a collaborative story. K?sa öyküler 7 ülkedeki ortak okullar?m?z?n ö?rencilerince 7 dilde yaz?ld? ve tüm k?sa öyküleri ?ngilizce çevirleriyle okuyabilirsiniz. 590 sayfal?k kitab?m?zda 65 k?sa öykü ve bir ortak öykü bulunmaktadır. Preface "The deaf listens to words of the mute; For only the soul can understand the unsaid and the unheard words. People were divided into seventy-two languages and borders arose." These lines belong to a Turkish thinker who lived in the 13th century. UNESCO declared 2021 as 'The Year of Yunus Emre' for the 700th anniversary of his death. In this book, we have also a short story dedicated to Yunus Emre. The teachers and students collaborating to make real

a mutual dream discovered the wordless language stronger than any borders. We have a mutual dream with the young authors from seven different countries: to create a multilingual book. We published our first book last year on 23rd April 2020. Printed books were delivered to the young authors studying in partner schools. In the second year of our project, we created short stories with children from Ireland, Portugal, Spain, Croatia, Poland, Romania and Türkiye. Our students wrote many short stories and 65 of them were selected to be published in this book. We created an audiobook library with that stories. All the stories were narrated in their mother tongues, and we add English audio for selected stories. Also, stories are illustrated by the students from different countries. We also have a collaborative story this year, each part of the story was written by eTwinners studying in different schools. It consists of 13 parts. Nihal, the main character, needs to find an extinct plant, but it's harder for her to find someone to rely on. We travelled with her in different countries and times to learn more about her adventure. It took seven months to complete that collaborative story. We used English as a common language during the meetings, but we created opportunities for our students to use their mother tongues too. We experienced multilingualism with our students and parents, they become familiar with different languages and cultures. Through our language-friendly project, we want to encourage students to develop an interest in different languages and cultures by welcoming and valuing all languages spoken. By creating a story, a child can channel their emotions and decide on how to behave in challenging situations they might encounter. While creating a story, the author shows empathy with the characters, expresses different emotions experienced by characters, or overcomes a difficult situation that a character encountered. This may help a child to express how they feel and understand how others feel. Storytelling is a way of self-discovery and self-expression, their feelings can be demonstrated throughout the child's words. Creating a story can also develop language skills. The mother tongue education is a *raison d'être* for the schools. Because when learners develop their mother tongue, they are simultaneously fostering a whole host of other essential skills, such as critical thinking and literacy skills. Children with a strong mother tongue can easily pick up a second language and can transfer these skills to a second language. These children often display a deeper understanding of themselves and their environment. That affects every aspect of their lives, including their academic achievement. It has become a requirement to have language skills in addition to being a specialist within a particular field. I'd like to thank the teachers of Ali Tekinsoy Secondary School and my distinguished colleagues from partner schools for encouraging and inspiring their students to contribute to our second multilingual book named "Stories of Lights in the Sky-2". More than a hundred students built this book with their words, lines and voices. They were brave enough to represent their schools by sending their stories to a book that has been read in more than fifty countries. We wish the best for them and hear their names again even years after. Ahmet ARSLAN Editor Önsöz "Dilsizler haberini, kulaks?z dinleyesi Dilsiz kulaks?z sözün, can gerek anlayas? Yetmi? iki dil saçt?, araya s?n?r dü?tü" Bu dizeler 13. yüzy?lda ya?ayan bir Türk dü?ünürüne aittir. UNESCO, 2021 y?l?n? ölümünün 700. y?ldönümünü an?s?na 'Yunus Emre Y?l?' olarak ilan etti. Bu kitapta Yunus Emre'ye adanm?? bir k?sa öykümüz de var. ?irdeki gibi ortak hayalimiz için birlikte çal??t???m?z ö?retmen ve ö?rencilerle, aradaki s?n?rlar? kald?racak güçlü bir dil in?a ettik. Yedi farklı ülkeden genç yazarlarla payla?t???m?z bir hayalimiz vardı; çok dilli bir kitap olu?turmak. ?lk kitab?m?z? geçen y?l 23 Nisan'da yay?mlad?k ve farklı ülkelerdeki genç yazarlar?m?za bas?l? kitaplar?n? ula?t?rd?k. Projemizin ikinci y?l?nda ?rlanda, Portekiz, ?spanya, H?rvatistan, Polonya, Romanya ve Türkiye'den çocuklarla k?sa öyküler olu?turduk. Ö?rencilerimiz birçok k?sa öykü yazd?lar ve 65 k?sa öykü bu kitapta yay?nlanmak üzere seçildi. Bu öykülerle farklı dillere ö?rencilerimizin a?ina olmas?n? sa?layacak bir sesli kitap kütüphanesi olu?turduk. Tüm öyküler ana dillerinde seslendirildi ve seçilen bazı öyküler için ?ngilizce seslendirme de ekledik. Ayrıca, öyküler farklı ülkelerdeki ö?renciler tarafından resmedildi. Proje boyunca etkile?imi art?rmak adına mümkün oldu?unca görevleri çapraz olarak da??tt?k. Bu y?l geçen y?ldan farklı olarak i?birlikçi bir öykümüz de var, öykünün her bölümü farklı okullarda okuyan ö?rencilerce yazıldı. Bu öykü 13 bölümden olu?maktadır. Öyküde kahraman?m?z Nihal, soyu tükenmi? bir bitkiyi bulmak için bir maceraya at?l?yor, ancak güvenecek birini bulmak onun için daha zor. Maceras?n?n devam?n? öğrenmek için birlikte farklı ülke ve zamanlarda yolculuk yapt?k. 7 ayda yaz?lan öykümüzü be?enerek okuyaca??n?z? dü?ünüyorum. Bunun yanında ö?renci ve ö?renciler birçok toplant? yapt?k, ?ngilizceyi ortak bir dil olarak kulland???m?z toplant?larda ö?rencilerimizin anadillerini de birbirinden öğrenmeleri için fırsatlar yaratt?k. Ö?rencilerimiz ve velilerimiz çok dillili?i tecrübe etti, farklı dil ve kültürlerle a?ina oldular. Dil dostu projemizle, konu?ulan tüm dilleri memnuniyetle kar??l?yor ve de?er vererek ö?rencilerimizi farklı dillere ve kültürlerle ilgi duymaya te?vik etmek istiyoruz. Kurgu olu?turmak çocu?un duygular?n? yönetebilmesine ve kar??la?abilece?i zorlu durumlarda nas?l davranaca??na karar verebilmesine olanak sa?lar. Bir öykü olu?tururken, yazar karakterleriyle empati kurar, karakterlerin ya?ad??? farklı duygular? okuyucuya aktar?r veya bir karakterin kar??la?t??? zor bir durumun üstesinden birlikte gelir. Bu, bir çocu?un nas?l hissetti?ini ifade etmesine ve ba?kalar?n?n nas?l hissetti?ini anlamasına yardımcı olabilecek bir çal??mad?r. Öykü anlat?m?, kendini ke?fetme ve ifade etmenin emin bir yoludur, çocuklar?n iç dünyas? kelimeleri vas?tas?yla ortaya dökülür. Bir öykü kurgulamak dil becerilerini de geli?tirebilir. Ana dil e?itimi okullar?n var olu?u sebebidir. Çünkü ö?renciler anadillerini geli?tirdiklerinde, ayn? anda ele?tirel dü?ünme ve okuyazarl?k becerileri gibi bir dizi di?er temel becerileri geli?tirirler. Güçlü bir ana dili olan çocuklar kolayca ikinci bir dil edinebilir ve bu becerileri ikinci bir dile aktarabilirler. Bu çocuklar genellikle kendileri ve çevreleri hakkında daha derin bir alg?lama düzeyine ula?abilirler. Bu, akademik ba?ar?lar? da dahil olmak üzere hayatlar?n?n her yönünü etkiler. Belirli bir alanda uzman olman?n yan? s?ra dil becerilerine sahip olmak bir gereklilik haline gelmi?tir. Ali Tekinsoy Ortaokulu ö?retmenlerine ve ortak okullardan seçkin meslektaş?lar?ma, ö?rencilerini "Gökyüzündeki I??klar?n Öyküsü-2" adlı ikinci çok dilli kitab?m?za ö?rencilerimizi katkıda bulunmaya te?vik ettikleri ve ilham verdikleri için te?ekkür ediyorum. Yüzden fazla ö?renci bu kitab? kelimeleri, çizimleri ve sesleri ile in?a etti. Okullar?n? temsil etme özgüvenine sahip olan ö?rencilerimiz, öykülerini elliden fazla ülkede okunan bir kitaba gönderdiler. Onlar?n gelecekleri için en güzelini diliyoruz ve y?llar sonra isimlerini tekrar duymay? umut ediyoruz. Ahmet ARSLAN Editör 19.05.2021

Explorative, responsive and research-led, this ground-breaking textbook offers students invaluable insights into the passage of human development from birth to adulthood. Understanding Developmental Psychology engages students from the outset with its conversational style, taking them on a fascinating journey through their own physical, cognitive, social and emotional development. With a focus on developing critical thinking skills, the book encourages students to engage with cutting-edge research in areas such as replication, gender fluidity, the ageing global population, the implications of social media and recent breakthroughs in neurodevelopment. This textbook not only covers the foundations of developmental psychology but also offers a, fresh perspective on the latest developments in the field. This comprehensive introduction is ideal for both undergraduate and postgraduate students taking courses in developmental psychology. Critical and accessible, the book connects students to the field of developmental psychology in an accessible and culturally inclusive way.

?This book provides a comprehensive overview of tricuspid valve disease and an overview of different therapeutic options such as surgical and percutaneous approaches, current clinical trials and registries in the field of tricuspid valve disease. The book has an educational goal with key messages highlighted at the end of each chapter to assist comprehension of the often complex concepts. Practical Manual of Tricuspid Valve Diseases assists the clinician in dealing with different manifestations of tricuspid valve disease and providing help for choosing the best option for the management of these patients. It therefore serves as the standard reference regarding all aspects of tricuspid valve disease in adults and will be of importance to all medical professionals involved in the management of these patients.

Winner of the First Prize in Anaesthesia at the 2017 British Medical Association Book Awards! With the increasing frequency of breaks from practice, the importance of proper preparation and guidance for doctors returning to work has recently been recognised by the Royal College of Anaesthetists. This is the first dedicated resource to support anaesthetists returning to work after a significant break, and is designed to complement the growing range of regional and national return to work courses by gathering relevant information and advice into one easily accessible reference source. Divided into three parts, specific to different stages in the return to work process, this book offers information and advice about the practicalities of returning to work, 120 clinical scenarios to refresh the reader's knowledge, and useful guidelines and checklists for the first days and weeks back, forming a vital practical resource for anaesthetists in this situation and those supporting them.

A fan favorite from USA TODAY bestselling author Victoria Dahl. Some men are off-limits. Close friends of your ex-husband, for instance. Or firefighters who work in the same building as you. Yet despite her best judgment, librarian Lauren Foster can't help noticing fire captain Jake Davis whenever he jogs by...shirtless. They've always been friends, but all it takes is one not-so-chance meeting at a local bar and one not-quite-innocent walk home to ignite a fierce, uncontrollable desire between them. Widower Jake Davis has tried to ignore the spark he feels whenever Lauren's around, but once he sees her curves in a little black dress, there's no turning back. No matter how often she says she's all wrong for him, the sexy, outspoken divorcée is driving him wild in the best possible way. Maybe she's just blowing off steam. Or maybe he can convince her to fan these flames into something deeper, hotter and truer than they ever expected.... Originally published in 2014.

First love never works out.Right?In school, Nico and King are best friends, and each other's first love. But their lives take a different path and they lose touch.Now, ten years later, King is a famous musician and Nico is trying to make a name for himself as a journalist. When King's life starts falling apart, fate brings them together on a private island, and reignites old feelings.Can they make it work this time? Or are their worlds too far apart?Butterfly Wishes is a stand-alone novella featuring friends to lovers, sweet moments on a private island, a tortured musician and a soft journalist, and a very cute dog.

Volume 1. A little book of quotes by Author Holly Ruttenbur Dickinson on a plethora of topics. Quotes to inspire, bring new awareness and new perspectives. Quotes to prompt personal growth or changed behavior.

This book offers a richly detailed panorama of contemporary Spanish Caribbean literature and culture, as well as a compelling theoretical exploration of how authors of the Spanish Caribbean (Cuba, Santo Domingo, and Puerto Rico) have incorporated the cultural legacy of Africa into their narrative fictions. The book offers an in-depth analysis of cultural and religious expressions associated with Africa in the Caribbean and of the complex codification associated with the representation of those expressions. Voices Out of Africa explores how literary representations of Africa in the Spanish Caribbean construct a self-referential discourse about Africa in a Caribbean landscape, and examines how Afro-Caribbean practices, rituals, local memories, and belief systems inform such discourse. It is a textual journey through the multiple layers of the region's cultural expressions. It is also a work of scholarship and theory accessible to scholars and to interested laypersons in Afro-Caribbean lore and culture. Julia Cuervo Hewitt is Associate Professor of Spanish and Portuguese at Pennsylvania State University.

A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy "Alex" Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

Named a Publishers Weekly Best Book of 2012 New York Times and USA Today bestselling author Grace Burrowes keeps winning reader awards for her gorgeously imagined books. If you're already a fan, you'll devour her new characters and if you haven't yet discovered the richly drawn worlds of Grace Burrowes, you're in for a treat....

"Memorable heroes. Intelligent, sensual love stories. This author knows what romance readers adore."—RT Book Reviews, 4 Stars His Family or His Heart — One of Them Will Be Betrayed... Ian MacGregor is wooing a woman who's wrong for him in every way. As the new Earl of Balfour, though, he must marry an English heiress to repair the family fortunes. But in his intended's penniless chaperone, Augusta, Ian is finding everything he's ever wanted in a wife.

"Historical details enrich Burrowes's intimate and erotic story, but the real stars are her vibrant characters and her masterful ear for dialogue. Burrowes is superb at creating connections that feel honest and real."—Publishers Weekly, Starred Review

This book constitutes the thoroughly refereed proceedings of ten international workshops held in London, UK, in conjunction with the 23rd International Conference on Advanced Information Systems Engineering, CAiSE 2011, in June 2011. The 59 revised papers were carefully selected from 139 submissions. The ten workshops included Business/IT Alignment and Interoperability (BUSITAL), Conceptualization of Modelling Methods (CMM), Domain Specific Engineering (DsE@CAiSE), Governance, Risk and Compliance (GRCIS), Integration of IS Engineering Tools (INISSET), System and

Software Architectures (IWSSA), Ontology-Driven Information Systems Engineering (ODISE), Ontology, Models, Conceptualization and Epistemology in Social, Artificial and Natural Systems (ONTOSE), Semantic Search (SSW), and Information Systems Security Engineering (WISSE).

"One of Thailand's preeminent female writers . . . Each of her stories poses its own moral challenge, pleasurable and unsettling at once . . . phenomenal." —NPR.org In thirteen stories that investigate ordinary and working-class Thailand, characters aspire for more but remain suspended in routine. They bide their time, waiting for an extraordinary event to end their stasis. A politician's wife imagines her life had her husband's accident been fatal, a man on death row requests that a friend clear up a misunderstanding with a sex worker, and an elevator attendant feels himself wasting away while trapped, immobile, at his station all day. With curious wit, this collection offers revelatory insight and subtle critique, exploring class, gender, and disenchantment in a changing country. "Arid Dreams is stark, sly, and unsparingly brilliant. Here is a writer unafraid to pick up the scalpel of her prose and use it to cut to the bone. Each story is more compelling than the last, each combines dark humor with deeper truths about human desire and depravity. I couldn't look away." —Preeti Taneja, author of *We That Are Young* "Pimwana's characters, whether they are truck drivers or farmers, doctors or prisoners, are realized with depth, affection, and a good degree of humor. The petty concerns of their daily lives—frustrated careers, infidelity, reconnecting with distant family—are hypnotically rendered in Pimwana's telling. This is an exciting debut." —Publishers Weekly "A deep and thoughtful exploration of human psyches and the dreams of ordinary Thais in an ever-changing socio-economic environment." —Bangkok Post "An exacting look at the moments of joy and tragedy, of hope and desire." —Independent Book Review

Hitting rock bottom is just the beginning...!

Nearly 1,000 restaurants are included in this latest edition of the most trusted guide to eating well in New York. Concise reviews by the city's most respected food writers are enhanced by original features not found in any other restaurant guide, including: ambience, recommended dishes and complete price ranges for an accurate estimate of your final bill. Only *The New York Times Restaurant Guide 2004* provides you with: \* The very best restaurants as ranked by The Times' star-rating system. \* The best restaurants in every neighborhood. \* The best inexpensive restaurants in every neighborhood. \* William Grimes' take on the latest trends in food and restaurants, and Eric Asimov's lists of the best places in New York for everything from oysters and sushi to the best places to eat with children. \* New features on the best places for all-American favorites and New York classics, from burgers to pastrami. \* Helpful lists that locate restaurants according to the type of cuisine they serve.

THEN"Gia had let Beppe into her life so easily, as if it was the most natural thing in the world. She

This book constitutes the refereed proceedings of the 9th International Conference on Functional Imaging and Modeling of the Heart, held in Toronto, ON, Canada, in June 2017. The 48 revised full papers were carefully reviewed and selected from 63 submissions. The focus of the papers is on following topics: novel imaging and analysis methods for myocardial tissue characterization and remodeling; advanced cardiac image analysis tools for diagnostic and interventions; electrophysiology: mapping and biophysical modeling; biomechanics and flow: modeling and tissue property measurements.

Feyre has returned to the Spring Court, determined to gather information on Tamlin's maneuverings and the invading king threatening to bring Prythian to its knees. But to do so she must play a deadly game of deceit—and one slip may spell doom not only for Feyre, but for her world as well. As war bears down upon them all, Feyre must decide who to trust amongst the dazzling and lethal High Lords—and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times and USA Today bestselling series from Sarah J. Maas, the earth will be painted red as mighty armies grapple for power over the one thing that could destroy them all.

"As [Disconnect] shows, cell phones may actually be doing damage to far more than our attention spans—and could, in fact, be killing us." -Salon.com. Since the invention of radar, cell phone radiation was assumed to be harmless because it wasn't like X-rays. But a sea change is now occurring in the way scientists think about it. The latest research ties this kind of radiation to lowered sperm counts, an increased risk of Alzheimer's, and even cancer. In *Disconnect*, National Book Award finalist Devra Davis tells the story of the dangers that the cell phone industry is knowingly exposing us—and our children—to in the pursuit of profit. More than five billion cell phones are currently in use, and that number increases every day. Synthesizing the findings and cautionary advice of leading experts in bioelectromagnetics and neuroscience, Davis explains simple safety measures that no one can afford to ignore.

"A bravura performance: a witty, moving, sexy book that bursts with as much color and excitement as the city of Constantinople itself." -Financial Times Roman historian Procopius publicly praised Theodora of Constantinople for her piety—while secretly detailing her salacious stage act and maligning her as ruthless and power hungry. So who was this woman who rose from humble beginnings as a dancer to become the empress of Rome and a saint in the Orthodox Church? Award-winning novelist Stella Duffy vividly recreates the life and times of a woman who left her mark on one of the ancient world's most powerful empires. *Theodora: Actress, Empress, Whore* is a sexy, captivating novel that resurrects an extraordinary, little-known figure from the dusty pages of history.

"Swoon worthy! I fell in love with Oliver Perry so fast! This book is feels inducing...I loved every single page!" —Anna Todd, New York Times bestselling author of the *After* series "When I met Oliver Perry, I had no clue he was the lead singer for The Heartbreakers. And he had no idea that I was the only girl in the world who hated his music." Stella will do anything for her sick sister, Cara—even stand in line for an autographed Heartbreakers CD...for four hours. She's totally winning best birthday gift this year. At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her caffeine fix. Too bad she'll never see him again. Except, Stella's life has suddenly turned into a cheesy love song. Because Starbucks Boy is Oliver Perry lead singer for the Heartbreakers. And even after she calls his music crap, Oliver still gives Stella his phone number. And whispers quotes from her favorite Disney movie in her ear. OMG, what is her life? But how can Stella even think about being with Oliver dating and laughing and pulling pranks with the band when her sister could be dying of cancer? Ali Novak wrote her debut novel
