Mal's an expert at intimidating her enemies, but she's broken the habit since leaving her villainous roots behind. So when she and her friends Evie, Carlos, and Jay all receive threatening messages demanding they return home, Mal can't believe it. Sure, she's King Ben's girlfriend now, and she's usually nice to her classmates, but she still didn't think anyone would be silly enough to try to push her around. The thing is, it kind of worked. Especially since she and her friends have a sneaking suspicion that their villainous parents are behind the messages. And when Evie looks into her Magic Mirror, what she sees only confirms their fears. Maleficent's just a tiny lizard after her run-in with Mal at Ben's Coronation, but she's the worst villain in the land for a reason. Could she have found a way to escape? Whatever's going on, Mal, Evie, Carlos, and Jay know they have to sneak back to the Isle and get to the bottom of it. Without its infamous leader, the island's even worse than when they left it, but the comforts of home—even a home as gloomy as the Isle of the Lost—can be hard to resist for recently reformed villains. Will the kids be able to beat the evil bubbling at the Isle's wicked core, or will the plot to destroy Auradon succeed?

They are the island's ruling name in footwear -- the "champion shoes" -- and it has been that way for as long as anybody can remember. This book celebrates the rich history of Clarks in Jamaica, with a focus on the Jamaican reggae and dancehall musicians who have worn and sung about Clarks shoes through the years. Documenting the origins of the Clarks brand in 1825 through to the introduction of their shoes into Jamaica in the 1920s and the impact of styles such as the Desert Boot, Wallabee and Desert Trek on the island, Clarks in Jamaica

explores how footwear made by a Quaker firm in the quiet English village of Street, Somerset became the "baddest" shoes in Jamaica and an essential part of the island's culture. Building on the success of the first release in 2011, this updated second edition includes new interviews, previously unseen photographs, insights into Jamaica's favourite styles of Clarks from former company employees, and an expanded chapter on Jamaican fashion detailing the histories of island fashion staples such as the mesh marina (string vest), Arrow shirt, knits ganzie and beaver hat. Beautifully presented and thoroughly researched, Clarks in Jamaica is a wonderful document of Clarks' deep roots in Jamaican culture, a fitting tribute to the rich cultural exchange that has taken place between Jamaica and the UK that will appeal as much to Jamaicaphiles and lovers of Clarks shoes as to musicologists, fashion stylists and cultural historians.

This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*The Island of Lost Maps* tells the story of a curious crime spree: the theft of scores of valuable centuries-old maps from some of the most prominent research libraries in the United States and Canada. The perpetrator was Gilbert Joseph Bland, Jr., an enigmatic antiques dealer from South Florida, whose cross-country slash-and-dash operation had gone virtually undetected until he was caught in 1995—and was unmasked as the most prolific American map thief in history. As Miles Harvey unravels the mystery of Bland's life, he maps out the world of cartography and cartographic crime, weaving together a fascinating story of exploration, craftsmanship, villainy, and the lure of the unknown.
