Now A Major Motion Picture Starring Robert Carlyle and Kiefer Sutherland 'Waking from a dream, I suddenly realized where I was: in the Death House—in a prison camp by the River Kwai. I was a prisoner of war, lying among the dead, waiting for the bodies to be carried away so that I might have more room.' When Ernest Gordon was twenty-four he was captured by the Japanese and forced, with other British prisoners, to build the notorious 'Railroad of Death', where nearly 16,000 Prisoners of War gave their life. Faced with the appalling conditions of the prisoners' camp and the brutality of the captors, he survived to become an inspiring example of the triumph of the human spirit against all odds. To End All Wars is Ernest Gordon's gripping true story behind both the Academy Award-winning film The Bridge on the River Kwai starring Alec Guinness and the new film To End All Wars directed by David Cunningham.

Immediately after Japan’s attack on Pearl Harbor, President Franklin D. Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance: a retaliatory bombing raid on Tokyo. On April 18, 1942, eighty brave young men, led by the famous daredevil Jimmy Doolittle, took off from a navy carrier in the mid-Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war. The First Heroes is the story of that mission. Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders, this is a true account that almost defies belief, a tremendous human drama of great personal courage, and a powerful reminder that ordinary people, when faced with extraordinary circumstances, can rise to the challenge of history.

over Japan shortly after the bombing of Pearl Harbor. His story is not only about the bravery as a soldier and POW during war, but also about how powerful love and forgiveness can be when given to the enemy.

The true story of the lead pilot of the Pearl Harbor attack and his conversion to Christianity. “As I looked across at my companion, I marveled afresh at the goodness of God—this man was my enemy; now he is my brother! Such is the miracle of the grace of God.”—Rev. Elmer Sachs, Director of Sky Pilots International. These words were written of Mitsuo Fuchida, who led the first wave of the air attacks on Pearl Harbor on December 7, 1941 as a Captain in the Imperial Japanese Navy Air Service. After the war, Fuchida was introduced to the gospel through the testimony of Jacob DeShazer. He began reading the Bible and eleven years after Pearl Harbor, he became a Christian. Fuchida spoke boldly of his conversion in his native Japan, and a few years later, he was recruited by Rev. Elmer Sachs to join Sky Pilots International. He came to the United States where he had the opportunity to share his story across the country. From Pearl Harbor to Calvary is the story of Mitsuo Fuchida’s conversion and ministry in his own words. Central to his narrative is the message that God works through even the most improbable of circumstances to further the gospel.

Reared in the vanished culture of early twentieth-century Japan, war hero Fuchida returned home to become a simple farmer. After a scandalous love affair came his remarkable conversion to Christianity and years of touring the world as an evangelist. Japanese Navy officer was also at the Battle of Midway and the Battle of Leyte Gulf and in Hiroshima the day before and the day after the atomic bomb was dropped. Through a chance encounter in Tokyo, he converted to Christianity, and his first testimony in the US was with Billy Graham. During his travels through the US, he met ex-President Truman, President Eisenhower, and many of his former military foes--Nimitz, Halsey, Doolittle, Spruance. He tells a fascinating story of his life in war, peace and religious transformation. Among Pacific War enthusiasts, it is well known that there are a number of "disagreements" and "disputes" surrounding what actually happened at Pearl Harbor and Midway and, in Japan, in the days leading up to the surrender ceremony on the USS Missouri. In his autobiography, Japan's top aviator gives his perspective as an enemy and how, after total defeat and occupation of his country, he embraced America as a friend. Richard Wurmbbrand, founder of Voice of the Martyrs, was once a young atheist determined to experience everything the world had to offer. Yet he regretted that God did not exist, wishing that a heart of love beat somewhere in the universe. When the Romanian found that heart of love in Jesus Christ, he had the courage to serve Christ unswervingly even as his homeland sided with the Nazis and then sank into the new horrors of post-war Communism. Stubbornly respecting the worst enemies as fellow human beings and repaying hatred with love, the beloved pastor would spend years as a prisoner of the state, tortured and beaten, for preaching the gospel of peace (1909-2001). A former judge with a passion for history, Jean Sénat Fleury was born in Haiti and currently lives in Boston. He wrote several historical books, such as: *The Stamp Trial*, *Jean-Jacques Dessalines: Words from Beyond the Grave*, *Toussaint Louverture: The Trial of the Slave Trafficking*, *Adolf Hitler: Trial in Absentia in Nuremberg*, *The Trial of Osama Bin Laden*, *Hirohito Guilty or Innocent: The Trial of the Emperor*. His new book, *Japan's Empire Disaster*, provides an understanding of the expansionist policy practiced by Japan during the end of the nineteenth and the first period of the twentieth century. From the adoption of the Meiji constitution in 1889 and the first period of the Shōwa era (1927-1945), the military controlled the Japanese constitutional government. The result was years of political instability, more internal conflicts, violence, murders, assassinations, overseas aggression, and war crimes. The book demonstrates that in Japan, during the Pacific War, the real driving force of the war was the Imperial Japanese Army and the Imperial Japanese Navy. Hirohito, as supreme commander, gave full support to the army and navy. On multiple occasions, he sanctioned many government policies. In fact, he was responsible for the atrocities that the Japanese troops committed in Asia during the Pacific War. *Japan's Empire Disaster* is a book of information and training. The book describes Japan's opening to modernization with the 1853 arrival of commodore Matthew Calbraith Perry in the country, and also details the history of the wars launched by Emperor Meiji and Emperor Hirohito to

Scripture says that offenses will happen. People will let us down and we will let others down, as well. Forgiveness is left up to us to pray about and then practice. Far from minimizing the hurt of the offense, readers are called to understand that offering forgiveness and letting go of bitterness is the only way to walk in faithfulness. Drawing on biblical teaching of our call to forgive, Nancy shows the reader that forgiveness is a choice- and the only pathway to true freedom.

"The spiritual needs of the Muslim world, long neglected by Christian missionaries, came to the world's attention again when Samuel Zwemer dedicated himself to the advancement of the gospel in Arabia. Robert N. Bellah's classic study, Tokugawa Religion does for Japan what Max Weber's The Protestant Ethic and the Spirit of Capitalism did for the West. One of the foremost authorities on Japanese history and culture, Bellah explains how religion in the Tokugawa period (160-1868) established the foundation for Japan's modern industrial economy and dispels two misconceptions about Japanese modernization: that it began with Admiral Perry's

arrival in 1868, and that it rapidly developed because of the superb Japanese ability for imitation. In this revealing work, Bellah shows how the native doctrines of Buddhism, Confucianism and Shinto encouraged forms of logic and understanding necessary for economic development. Japan's current status as an economic superpower and industrial model for many in the West makes this groundbreaking volume even more important today than when it was first published in 1957. With a new introduction by the author.

Few Christians realize nearly every problem in life stems from an unwillingness to forgive someone. When we hold grudges, seek retribution, and blame others, we end up hurting our relationships with God and people—and short-circuit our ability to live the Christian live the way it's meant to be lived. Why is forgiveness so difficult at times? Must we forgive when it's the other person's fault? How should we handle repeat offenses? What if we feel we can't forgive because we've been hurt so badly? Pritchard answers these questions and more by pointing to God's example as the Supreme Forgiver. When we learn to forgive in the way He forgives, then we'll know true freedom, peace, and emotional healing. It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-

known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.
