Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

From burlesque show to fashion runway, magazine cover to Internet video, fashion icon and “burlesque superheroine” (Vanity Fair) Dita Von Teese has undergone more strokes of red lipstick, bursts of hair spray, boxes of blue-black hair dye and pats of powder in a month than a drag queen could dream of in a lifetime. The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

After passing his examinations for the Railroad Institute, Otto is accepted into the school. His father, the chief of the Singen fire department, believes that Otto will follow in his footsteps and become a fireman. Just before leaving Singen he meets Drina, a gypsy whose prophecy of marriage and children shakes him to his very core. After leaving Singen, Otto embarks on a career of improbable travels and dangerous missions that carry him closer and closer to the fulfillment of Drina's prophecy. *Engine 81* is a story of family bonds ripped apart by pride and anger and the redemption of those bonds in the face of near certain death.

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. *Peril* is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “We have much to do in this winter of peril,” Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. *Peril* is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

In David Barber’s third collection of poetry, the past makes its presence felt from first to last. Drawing on a wealth of eclectic sources and crafted in an array of nonce forms, these poems range across vast stretches of cultural and natural history in pursuit of the forsaken, long-gone, and unsung. Here is the stuff of lost time unearthed from all over: ballyhoo and murder ballad, the lacrimarium and the xylotheque, the Game of Robbers and the Indian Rope Trick, the obsolete o’o, the old-school word hoard, sunshowers and beaters and breaker boys. Here, to mark the twilight of print and type, are gleanings and borrowings from a mixed bag of throwback bound volumes: *The Magic Moving Picture Book*, *Mandeville’s Travels*, *The Golden Bough*, *Franklin Arithmetic*, *The Millennial Laws of the Shakers*, *A Conjuror’s Confessions*. Here too are guiding spirits whose like will not pass this way again: Cab Calloway at the Cotton Club; Henry Walter Bates in darkest Amazon; George Catlin among the Choctaw; Little Nemo in Slumberland; Yogi Berra in all his oracular glory. Reveling in vernacular lingo of every vintage even while brooding on dark ages without end, *Secret History* chronicles a world of long shadows and distant echoes that bears more than a passing resemblance to our own.

One of Newsweek's Most Highly Anticipated New Books of 2021 Family secrets emerge as a best-selling author dives into the history of the mob in small-town America. Best-selling author Russell Shorto,

praised for his incisive works of narrative history, never thought to write about his own past. He grew up knowing his grandfather and namesake was a small-town mob boss but maintained an unspoken family vow of silence. Then an elderly relative prodded: You're a writer—what are you gonna do about the story? *Smalltime* is a mob story straight out of central casting—but with a difference, for the small-town mob, which stretched from Schenectady to Fresno, is a mostly unknown world. The location is the brawny postwar factory town of Johnstown, Pennsylvania. The setting is City Cigar, a storefront next to City Hall, behind which Russ and his brother-in-law, "Little Joe," operate a gambling empire and effectively run the town. *Smalltime* is a riveting American immigrant story that travels back to Risorgimento Sicily, to the ancient, dusty, hill-town home of Antonino Sciotto, the author's great-grandfather, who leaves his wife and children in grinding poverty for a new life—and wife—in a Pennsylvania mining town. It's a tale of Italian Americans living in squalor and prejudice, and of the rise of Russ, who, like thousands of other young men, created a copy of the American establishment that excluded him. *Smalltime* draws an intimate portrait of a mobster and his wife, sudden riches, and the toll a lawless life takes on one family. But *Smalltime* is something more. The author enlists his ailing father—Tony, the mobster's son—as his partner in the search for their troubled patriarch. As secrets are revealed and Tony's health deteriorates, the book becomes an urgent and intimate exploration of three generations of the American immigrant experience. Moving, wryly funny, and richly detailed, *Smalltime* is an irresistible memoir by a masterful writer of historical narrative.
