A street smart, inspiring, practical and utterly honest book for renewing or resuming your career. Millions of mid- and late-career professionals are wondering why our careers are dying. We've been fired, downsized, job-eliminated, or we've left work voluntarily to raise children, care for loved ones, or go to school. Our unemployment rate is more than three times the national average. It takes twice as long to get hired, usually for far less money than we were making. Is it age discrimination? Maybe. But it's not that simple. So many of us have lagged on skills and technology, shrugged off social media, or ignored the rate of change and let younger people become the face of our profession's future. Our "track record" really doesn't matter. We want to come back, but we aren't ready. *Coming Back* offers clear advice, including: -Make yourself visible

and relevant by sharing articles and information on your field with colleagues and on social media. -Use LinkedIn to build your network in your industry and identify decision makers. -Tell interviewers about what you will do—don't rely on what you have done. -Stop grouching about "those millennials" and start working with them. -Volunteer strategically to build leadership skills and networks. Coming Back shows how you can save a career if still employed or get one back if cast out. Fawn Germer, one of the nation's most popular leadership experts and global motivational speakers, has personally interviewed more than 300 CEOs, senior executives, professors, lawyers, organizational experts, industry leaders and professionals. The result is a tactical, tough-love call to action: to learn, re-tool, connect, grow, and get ready to work again.

As true for boxing as business: Champions in business are not born. They are made. In an era of bankruptcy and bailouts, two-time Heavyweight Champion of the World and record-busting businessman George Foreman steps into the ring to challenge prevailing conceptions of success and achievement and lays out a new way of doing business—the way of the Knockout Entrepreneur. The Knockout Entrepreneur: Is focused on smart growth, fearlessly seizing opportunity, and building an organization of significance. Is an idea wrangler and visionary who uses God-given imagination; who never gives up, gives in, or backs down from the hard work necessary to make it. Is an encourager, risk-taker, mentor, and giver in a world that often reflects the opposite. Is defined by integrity and generosity rather than title and possessions. Amasses wisdom over wealth and knows that when all is said and done, the greatest ROI is found in faith, family, and community. Foreman equips you with principles and strategies to help you come out swinging and backs them up with personal stories, contemporary accounts of success, timeless wisdom, and leading questions—all of which are geared to help you put your Knockout plan into action and achieve extraordinary levels of success.

Over the years, more than 250 other stars also agreed—Lucille Ball, Bob Hope, James Cagney, Mickey Rooney, Debbie Reynolds, George Burns, Rod Steiger, Milton Berle, Frank Capra and Hoagy Carmichael, to name a few. Published for the first time and with exclusive photos, this selection of 75 interviews chronicles the authors' 40-year quest for insights and anecdotes from iconic 20th century artists.

Meant to Live unpacks how Christians can live in the power and glory of the Gospel?the Good News of Jesus Christ?and celebrate God's glory in themselves, the Church and beyond.

Inspirational communicator Nancy Hicks describes four "camps" of Christians who wallow in the bad news (our fallen-ness), while disgruntled Christians and non-Christians alike are watching and thinking: If that's what it means to be a Christian, no thanks! Frankly, these versions of the Gospel aren't good. So, those watching are left wondering: How are we to live? Meant to Live offers a vision on humanity's calling and a way to live a genuine life gloriously into the Good News! Nancy combines personal stories with biblical wisdom and offers a revisit of the Gospel. She offers a fresh view on humanity's glory as seen in the Gospel and an honest diagnosis of the four main "camps" often found in the Church. Nancy also helps readers identify an honest assessment of self. Meant to Live is a practical guide to living in light of the Gospel and is an inspired and energized focus on the core calling in Christians' lives.
