

## Materia Medica In Hindi

One of the best books to consult in modern homeopathic practice, this one has it all comprehensive and most updated. One of the most popular and frequently referred clinical repertory in modern day practice, it is a must have in any standard homeopathic library.

Dr Chauhan has taken a lot of pains and given considerable thinking to produce this book. The book contains pictures to express the symptoms of the disease to enable the homeopath to understand the same. The pictures have been drawn well. If the students see the pictures, they will not miss the symptom of the ailment and in homeopathy the understanding of the ailment and in homeopathy the understanding of symptoms is very important. Any student seeing the pictures in the book will not forget the character of the disease indicated by it and for them this is very essential.

Comprising the Characteristic and Guiding Symptoms of all Remedies (Clinical and Pathogenetic)

The materia medica catalogues, for the most part alphabetically, some 280 remedies, each described with a brief reference to origins, major actions upon the body systems and some useful suggested applications.

It is an accurate and reliable compilation and the fullest collection of verified materia medica

drugs from the same kingdom.

This is one of the finer ways of understanding the distinct nature of each remedy and is also a step towards reducing the probability of error in our prescriptions. This work is one of classical works on comparison of drugs for their action on various organs and conditions. The books has comparisons at various levels beginning from differential of remedies for various conditions, comparisons of remedies which usually come up together for various conditions, comparisons of remedies of same stock where different remedies of same group have been discussed, comparisons of allied remedies and a last chapter on therapeutic hints for bed-side reference. It's a worth read and is like preparing for a sure-shot prescription.

The characteristic symptoms of the most important remedies. An accurate and reliable compilation of the most common remedies. Around 300 remedies are covered.

"Allen's Keynotes" is one of the most popular and widely read materia medica. The reason for its popularity being its preciseness and comprehensiveness. Keeping in view its usefulness for the students and practitioners of homeopathy. This monumental ten volume work by Dr Constantine Hering is a collection of cured symptoms and hence a complement to all other works in our materia medica. Especially recommended for the busy practitioner, it presents materia medica in a form which will render prescribing an easy task. It is a complement to all other materia medica as it is chiefly a collection of cured symptoms verified from Herings own practice.

HOMOEOPATHY (Jain)

This book is based on 30 years of experience as a clinician and teacher. The subject is the most important part for a successful practice. The Materia Medica is a vast ocean and the symptoms under each remedy innumerable. As said by Dr
