Meet Me At Beachcomber Bay The Feel Good Bestseller To Brighten Your Day

Read the book that made New York Times bestseller Jill Mansell a household name—published in the United States for the first time! "Jill Mansell keeps on getting better..." —Good Housekeeping Everyone thinks they know their neighbors, but nobody knows what scandalous surprise is going to happen next. Interior designer Jessie Roscoe has kept the identity of her son's father a secret for years. But when her old flame and actor Toby Gillespie moves in next door, it doesn't take long for the truth to be revealed, and for Tony to meet the son he never knew he had. Toby's wife, Deborah, seems to take it stride. But would she be so composed if she knew that the chemistry between Toby and Jessie was flaring up again? Jessie can't fathom a happy ending in this spider web of complicated relationships, but there are plenty more surprises to come, and many shocking truths to be revealed.

When Natasha Fennell's mother was diagnosed with a progressive illness, she wasn't ready to do deal with the inevitability of what this would bring. Sitting outside the hospital after visiting one day, Natasha wondered how she would cope when her mother was gone. Had she been a good enough daughter?

File Type PDF Meet Me At Beachcomber Bay The Feel Good Bestseller To Brighten Your Day

Would she have enough time to do all the things she wanted to do with her mother before she died?

Natasha knew she couldn't be the only one feeling this way. She began her research and quickly learned that other daughters had similar fears and had never spoken about them before. Love for their mothers, regret for opportunities missed, resentments and emotional complexities all bubbled to the surface. Through these conversations, a friendship blossomed with Róisín Ingle, popular columnist at the Irish Times. After a call out in Róisín's column, hundreds of responses poured in and there The Daughterhood was formed. The Daughterhood is the funny, poignant, and occasionally heart-breaking story of nine daughters coming together to talk about their mothers and the joy and despair that this relationship brings. Over a period of months they commit to completing various tasks all in the hope of improving their relationship with the most important woman in their lives - before she dies.

Jill's new novel for January 2017, MEET ME AT BEACHCOMBER BAY. And as in the original A-Z OF HAPPINESS, there's a bear (not a real one), lit up by fairy lights, with zillions of happy endings buzzing around, eating Chinese takeaway for breakfast, getting up late and tweeting A LOT. Oh, and there's been an explosion in the glitter factory! Recommended for all with withdrawal symptoms from YOU AND ME, ALWAYS, and anticipation disorder for MEET ME AT BEACHCOMBER BAY. NOT A NOVEL - but a little happiness fix.

When Imogen and Anna unexpectedly inherit their grandmother Vivien's ice cream parlor, it turns both their lives upside-down. The Brighton shop is a seafront institution, but while it's big on charm it's critically low on customers. If the sisters don't turn things around quickly, their grandmother's legacy will disappear forever. With summer looming, Imogen and Anna devise a plan to return Vivien's to its former glory. Rather than sell up, they will train up, and make the parlor the newest destination on the South Coast foodie map. While Imogen watches the shop, her sister flies to Italy to attend a gourmet ice cream-making course. But as she works shoulder-to-shoulder with some of the best chefs in the industry, Anna finds that romance can bloom in the most unexpected of places.

about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories
