Blend a dash of Kosher with a pinch of Creole and you have the Kosher Creole Cookbook. The authors have combined two famous culinary traditions: the Creole-a blend of certain aspects of French, Spanish, African, and American cooking-and the Jewish, dating from biblical times. Those who keep Kosher can now savor the Creole cuisine for which New Orleans is famous. Imaginative substitutes that unite to create authentic Creole flavor serve to replace ingredients that are in conflict with the laws of Kashruth. Arranged by month, the recipes highlight feasts and festivals in the Jewish calendar or in the city of New Orleans. Each chapter is also introduced by fascinating sketches about the history, traditions, and culture of the Crescent City. Jewish Week calls this volume "one of the most unusual cookbooks" seen in recent years. Kosher Creole Cookbook "combines two cuisines which would seem to have no business being together-kosher cooking with Creole cooking. This is a delightful and unusual addition to your collection of cookbooks." Mildred L. Covert and Sylvia P. Gerson have carefully researched and created recipes that adapt the characteristic flavors of each cuisine, whether it's Creole, Cajun, or Southern, to ensure that the traditional can keep Kosher without giving up flavor. The two New Orleanians have written three other Kosher cookbooks: Kosher Cajun Cookbook, Kosher Southern-Style Cookbook, and A Kid's Kosher Cooking Cruise (pb), all published by Pelican.

The ultimate New England store, whose catalog reaches millions of people, presents the store's first cookbook bringing us back to simpler days. The Vermont Country Store Cookbook captures both the essence of the iconic store and the soul of the Vermont way of life: a self-reliant, rich life in the slow lane. Through recipes, yarns, archival photos, and sumptuous visuals, it tells the story of five generations of Orton storekeepers, while featuring fresh-from-the-farm cooking that imbues the cuisine of the present with the best of the past. Approximately 120 updated and original family recipes evoke memories, conveying all the hominess of the catalogue, but also appeal to the modern tastes of contemporary cooks. The book also features sidebars of Vermont history and more than 200 photographs, both black-and-white archival and four-color photographs, the latter taken especially for the book.

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting in her mother's attic for decades. Among the old, dusty hardbacks was a book called At Home on the Range, written by her great-grandmother, Margaret Yardley Potter. As Gilbert writes in her Foreword: 'I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate... By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was wonderful, and I was in love.' The cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not

hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious prose. At Home on the Range is a fascinating, humorous and useful cookbook from the past that is essential for the present day.

Introducing a new voice in vegetarian cooking. Packed with 1,000 recipes that are seductive, sexy, and utterly delicious, Passionate Vegetarian covers all the bases of meatless cooking, from east (Stir Fry of Asparagus with Black Bean-Ginger Sauce), west (Talk of the Town Barbecued Tofu), from the Mediterranean (Swiss Chard with Raisins, Onions & Olives) to the American South (Black-Eyed Pea Ragout). You'll find lush lasagnas; plump pierogies; bountiful burgers, beans, and breads; pleasing pasta and pies. You'll spoon up soups and stews, and delight in desserts from simple to swoonworthy. Written by longtime vegetarian Crescent Dragonwagon, author of Dairy Hollow House Soup & Bread Cookbook, Passionate Vegetarian employs innovative methods (try "Ri-sort-ofs," in which risotto technique is used to create splendid, richly flavored grain dishes built around not just rice but also barley, buckwheat, spelt, and even toasted oats with an array of seasonings) and introduces lesser-known ingredients (get to know and love not just tofu and tempeh but a whole new generation of soyfoods, as well as "Quick Fixes" like instant bean flakes). Opinionated, passionate, and deeply personal, Ms. Dragonwagon's tantalizing headnotes will have readers rushing to the kitchen to start cooking. (Can her over-the-top Garlic Spaghetti really be that good? It is.) Whether you're a committed vegetarian, a dedicated vegan (most recipes offer low-fat and vegan options), or a food-loving omnivore in search of something new and wonderful, this is not just vegetarian cooking--but cooking, period--at its most creative, inspiring, and exuberant.

Prize-winning chili cook-off recipes and regional favorites! The best chili cookery, from mild to fiery, with or without beans. Plus a variety of taste-tempting foods made with chile peppers. By Al and Mildred Fischer.

The common link between vegetarians and part-time vegetarians (flexitarians) is that they like to base their meals on vegetables. Whether this is for health, economic or moral reasons (or a combination of all three), the fact is a flexitarian diet – one that is largely vegetarian but occasionally includes poultry, meat and seafood – is growing in popularity and is a long-term trend that cannot go ignored. Let's face it the flexitarian or semi-vegetarian diet is the way to go: meat and fish are becoming prohibitively expensive; our current consumption cannot be sustained in years to come; and the health benefits of a vegetarian diet are well documented. But while the number of vegetarians is significant, a study by the American Journal of Clinical Nutrition found that nearly two out of three vegetarians occasionally like to meat, chicken or fish. The Part-Time Vegetarian Cookbook shows just how delicious, adaptable and varied this way of eating can be. Rather than taking centre stage, meat or fish are not the main focus of the recipes, which value the often under-used and under-valued vegetables, grains, legumes, nuts, eggs and dairy foods. The recipes are not about taking something away, however, but adding a new dimension and consequently widening and extending the homecook's repertoire of dishes. Organised by meal type, The Part-Time Vegetarian Cookbook features chapters on Breakfasts & Brunches, Small Bites (snacks, lunches and light meals), Weekday Suppers, Weekend Cooking, Food for Sharing (entertaining, special occasion, celebrations and al fresco) and Something Sweet. The recipes are all vegetarian, but can easily be adjusted to suit non-vegetarians.

The New York Times bestseller from the founder of Oh She Glows "Angela Liddon knows that great cooks depend on fresh ingredients. You'll crave every recipe in this awesome cookbook!" —Isa Chandra Moskowitz, author of Isa Does It "So many things I want to make! This is a book you'll want on the shelf." —Sara Forte, author of The Sprouted Kitchen A self-trained chef and food photographer, Angela Liddon has spent years perfecting the art of plant-based cooking, creating inventive and delicious recipes that have brought her devoted fans from all over the world. After struggling with an eating disorder for a decade, Angela vowed to change her diet — and her life — once and for all. She traded the low-calorie, processed food she'd been living on for whole, nutrient-packed vegetables, fruits, nuts, whole grains, and more. The result? Her energy soared, she healed her relationship with food, and she got her glow back, both inside and out. Eager to share her realization that the food we put into our bodies has a huge impact on how we look and feel each day, Angela started a blog, ohsheglows.com, which is now an Internet sensation and one of the most popular vegan recipe blogs on the web. This is Angela's long-awaited debut cookbook, with a treasure trove of more than 100 mouthwatering, wholesome recipes — from revamped classics that even meat-eaters will love, to fresh and inventive dishes — all packed with flavor. The Oh She Glows Cookbook also includes many allergy-friendly recipes — with more than 90 gluten-free recipes — and many recipes free of soy, nuts, sugar, and grains, too! From sleek, silken tofu with delicate toppings to piping-hot fried satchels in a robust sauce, tofu provides a versatile canvas for the intricate flavors and textures that Asian and vegetarian cooks have long enjoyed. America has embraced tofu as a healthy, affordable ingredient. And while it has been welcomed into sophisticated mainstream dining, tofu is often hidden in Western guises and in limited applications. In her third intrepid cookbook, celebrated food writer and teacher ANDREA NGUYEN aims to elevate this time-honored staple to a new place of prominence on every table. Asian Tofu's nearly 100 recipes explore authentic, ancient fare and modern twists that capture the culinary spirit of East, Southeast, and South Asia. There are spectacular favorites from Japan, Korea, Thailand, Singapore, and India, as well as delicious dishes from Taipei, San Francisco, Santa Monica, and New York. Andrea demystifies tofu and interprets traditional Asian cuisine for cooks, sharing compelling personal stories and dispatches from some of the world's best tofu artisans along the way. For those who want to take their skills to the next level, the tofu tutorial clearly outlines tofu-making technique, encouraging readers to experiment with the unparalleled flavors of homemade varieties. But time-pressed cooks needn't fear: while a few recipes, such as Silken Tofu and Seasoned Soy Milk Hot Pot, are truly best with homemade tofu, most are terrific with store-bought products. Some traditional dishes combine tofu with meat in brilliant partnerships, such as Spicy Tofu with Beef and Sichuan Peppercorn and Tofu with Kimchi and Pork Belly, but this collection is predominantly vegetarian and vegan, including the pristinely flavored Spiced Tofu and Coconut in Banana Leaf and vibrant Spicy Lemongrass Tofu Salad. And innovations such as Okara Doughnuts reveal tofu's more playful side. For health- and eco-conscious eaters and home chefs who are inspired to make the journey from bean to curd, Asian Tofu is the perfect guide.

Food and cooking are at the heart of Jewish life. During their 2,000 years of exile, Jews migrated across the world taking their culinary heritage and traditions with them. Wherever they settled, they adapted the dishes of their country of residence to fit their own dietary customs and laws, and as a result, Jewish food today embraces a vast variety of cuisines and cooking styles. Acclaimed food writer Paola Gavin takes the reader on a culinary journey through more than twenty countries from Poland to Morocco uncovering a myriad traditional vegetarian dishes that play such an important part in Jewish cooking. When Jews arrived in the Promised Land they became farmers and agriculturists, growing wheat, barley, rye and millet. Their diet was mainly vegetarian – based on bread, pulses, goat's and sheep's cheese, olives and nuts, vegetables and herbs, fresh and dried fruit. For the poor, food was made more palatable by sweetening with honey or syrup made from dates, pomegranates or carob beans. These are some of the unique tastes and ingredients that are still associated with modern Jewish cooking today. Through 150 recipes Paola leads us from North Africa to Italy, Lithuania, Turkey and beyond, examining the subtle differences and genesis of the dishes of these regions. With lavish, colourful food photography and a meticulously researched narrative, Hazana is a classic in cookbook writing.

Jennifer Brule is on a mission, southern style, to teach people to cook. Her method: master twenty-five classic southern dishes, and then--using similar ingredients or cooking techniques or both--make two variations, one contemporary and one inspired by international tastes. Brule's line-up of beloved southern dishes is irresistible in itself, but she aims to inspire enthusiasm and confidence to expand deliciously from there. The beauty of her approach is that it reflects how people really do learn to cook, resourcefully, creatively, and joyfully. Savor the Classic Chicken and Dumplings and next find yourself cooking Vegetarian Mushroom Stew with Sweet Potato Dumplings before whipping up Hungarian Chicken Paprikash with Dumplings. Featuring step-by-step instructions designed to teach basic cooking techniques, Brule shows cooks how to whisk, chop, slice, simmer, saute, fry, bake, and roast their way to seventy-five wonderfully tasty dishes. The contemporary versions incorporate especially wholesome elements, such as unrefined grains and healthier fats, while the international versions offer popular global tastes. Color photographs of each dish illustrate the wide array of meats and fish, vegetables, side dishes, and desserts that can soon be on your table.

Based on how Anna likes to eat day to day--from a blueberry and amaranth porridge, to a quick autumn root panzanella, to a pistachio and squash galette--A Modern Way to Eat is a cookbook for how we want to eat now.
