Alone in a hospital bed the night before major surgery, Bernie Malone struggles to find a purpose in his life. None of the various pub bands he managed over the years was ever picked up; he gave his whole life to music, infatuated with rock and roll since seeing The Who in an iconic show at fifteen. Now, facing a life threatening operation, Bernie is forced to search for meaning to his existence. Framed with the classic rock and roll soundtrack of his life, Bernie's search for answers drives him to examine his relationships with his family and business, as well as his vices, virtues and politics. As Bernie remembers his life, he is haunted by his present circumstances and the burning question: "This can't be it can it?" One, two. One, two is an evocative portrait of one man's valiant attempt to follow his dream in the music industry. Mick Foden was raised in a small village in Cheshire, England.

In a startling change of direction, cult favourite Tao Lin presents a dark and brooding

tale of illicit love that is his most sophisticated and mesmerising yet. Named after the real-life writer Richard Yates, but, having nothing to do with him, Lin tracks the illicit affair between a very young writer and his underage lover. As the writer seeks to balance work and love, his young lover becomes ever more self-destructive in a play for his undivided attention. Lin's trademark minimalism takes on a new sharp-edged suspense here, zeroing in on a lacerating narrative.

On October 13, 2016, Bob Dylan was awarded the Nobel Prize in Literature, recognizing his countless contributions to music and letters over the last fifty years. Some months later, he delivered an acceptance lecture that is now memorialized in book form. In 'The Nobel Lecture', Dylan reflects on his life and experience with literature, providing both a rare artistic statement and an intimate look at a uniquely American icon. From finding inspiration in the music of Buddy Holly and Leadbelly to the works of literature that helped shape his own approach to writing - 'The Odyssey', 'Moby-Dick', and 'All Quiet on the Western Front' - this is Dylan like you've never seen him before.

At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

"A fateful encounter late at night at a gas station in the hood brings together a white man from the suburbs and a young black man from the neighborhood. Stuck with each other for the night, they deal with their core prejudices, the walls that keep them from each other, and the discovery of their God-given humanity in one another. When talking about race, it helps to have something specific to talk about--a story we can all wrap our heads around. In *Meals from Mars*, Ben Sciacca provides that story: two men from different worlds forced by circumstance to see and hear and consider one another. It is a novel that demonstrates the social challenges and relational potential for racial reconciliation."--Publisher website.

The disappearance of a priceless Caravaggio in Rome and the famous 'White on White'

by Russian painter Kasimir Malevich in Paris heralds the start of a series of seemingly unconnected art crimes across Europe. Fitting the pieces together as they follow a trail of bluffs and double-bluffs, bizarre clues and intellectual puzzles, Inspector Jean-Jacques Bizot in Paris and Harry Wickenden of Scotland Yard come to realize that what at first appears a spate of random thefts is all part of a single master plan, and that they are being led ever deeper into a baffling conspiracy. This fiendishly clever debut thriller takes us behind the scenes of the elite fine art world of auction houses, academia and museums to offer a fascinating view of art history, witty, fast-paced dialogue and an ever-surprising plot that twists its way from Rome to Paris to London and back again. Kentucky and Kentuckians are full of stories, which may be why so many present-day writers have Kentucky roots. Whether they left and returned, like Wendell Berry and Bobbie Ann Mason, or adopted Kentucky as home, like James Still and Jim Wayne Miller, or grew up and left for good, like Michael Dorris and Barbara Kingsolver, they have one connection: Kentucky has influenced their writing and their lives. L. Elisabeth Beattie explores this influence in twenty intimate interviews. Conversations with Kentucky Writers was more than three years in the making, as Beattie traveled across the state and beyond to capture oral histories on tape. Her exhaustive knowledge of these authors helped her draw out personal revelations about their work, their lives, and

the nature of writing. When Still concludes his interview with "I believe I've told you more than anybody," he could be speaking for any of Beattie's subjects. Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted, and that Still wrote articles for Sunday school magazines. There's plenty of advice: Dorris tells budding authors to get real jobs, keep journals, and read everything, even cereal boxes, and Marsha Norman reminds playwrights that "it is not the business of the theater to provide writers with a living." Kingsolver advises, "Read good stuff and write bad stuff until eventually what you're writing begins to approximate what you're reading." Beattie's collection includes striking self-portraits of such writers as Sue Grafton, Leon Driskell, James Baker Hall, Fenton Johnson, George Ella Lyon, Taylor McCafferty, Ed McClanahan, Sena Naslund, Chris Offutt, Lee Pennington, and Betty Layman Receveur. What most distinguishes these moving conversations from other author interviews is their focus on creativity, on the teaching of writing, and on the authors' strong sense of place. As Wade Hall writes in his foreword, all twenty writers recognize that their works have been significantly influenced by their "Kentucky experience." This collection offers insights into Kentucky's rich and flowering literary heritage.

From the author of *A Patrimony of Fishes*, eight darkly comic short stories set in contemporary central California. Beauty and terror collide in Doug Lawson's *Bigfoots in Paradise*, a wild new collection of stories set largely in and around Santa Cruz, California, and the surrounding mountains. It's a land tucked between Silicon Valley and the Pacific Ocean, one that's populated by aging hippies and venture capitalist sharks, pot farmers and surfers, child prodigies and roaming herds of wild boar. Earthquakes rumble, meth labs explode, helicopters search overhead for drug farms while wildfires ravage the hillsides. Blimps crash, mushrooms dream, dogfights erupt, trustafarians pontificate while pneumatic ostriches walk the streets and sons and fathers and lovers try desperately to find some way to connect with the past, with themselves, before it's too late. Doug plunges headlong into this astonishing country at a fine-tuned, white-knuckled pace that will leave you both gasping for breath and holding your heart in your hands. His characters are awkward, ungainly, and great at hiding and they shamble through the beautiful wilderness of their lives, searching for meaning, searching for

themselves. "Lawson's taut, graphic prose sparkles. . . . Insightful, stimulating, and unforgettable tales." —Kirkus Reviews "Vivid . . . haunting . . . assured and atmospheric." —Booklist "Lawson writes with confidence, his prose is lyrical and poetic, and he comfortably blends dark comedy and empathic observations." —Hunger Mountain "These stories are wonderful reminders that the line between childhood and adulthood is an ever-fluctuating, utterly fluid, and perhaps completely irrelevant distinction. . . . A very satisfying read."—Antonya Nelson, author of *Funny Once*

In his early thirties, Greg Baxter found himself in a strange place. He hated his job, he was drinking excessively, he was sabotaging his most important relationships, and he was no longer doing the thing he cared about most: writing. Strangest of all, at this time he started teaching evening classes in creative writing - and his life changed utterly. *A Preparation for Death* is a document of the chaos and discovery of that time and of the experiences that led Greg Baxter to that strange place - an extraordinarily intimate account of literary failure (and its consequences), personal decay, and redemption through reading, writing, and truth-telling. 'Brilliant and wonderfully original ... Yes, this is a book about drinking and shagging. But rarely have these things been written about so well' William Leith, *Literary Review* 'Baxter is a serious, thoughtful writer, bend on emotional truth and artistry. He has written an unusual, provocative book' Suzi Feay, *Financial Times* 'Brave, honest and propulsive' *Metro* 'The triumph is the steely courage it takes to put a life down with such uncompromising clarity' Hugo Hamilton, *Irish Times* 'This is an occasionally infuriating and completely wonderful book. I read it in one sitting, unsettled and delighted by its ferocity' Anne Enright

Written from September 1939 to January 1941, Simone de Beauvoir's *Wartime Diary* gives English readers unabridged access to one of the scandalous texts that threaten to overturn traditional views of Beauvoir's life and work. Beauvoir's account of her clandestine affair with Jacques Bost and sexual relationships with various young women challenges the conventional picture of Beauvoir as the devoted companion of Jean-Paul Sartre, just as her account of completing her novel *She Came to Stay* at a time when Sartre's philosophy in *Being and Nothingness* was barely begun calls into question the traditional view of Beauvoir's novel as merely illustrating Sartre's philosophy. Most important, the *Wartime Diary* provides an exciting account of Beauvoir's philosophical transformation from the prewar solipsism of *She Came to Stay* to the postwar political engagement of *The Second Sex*. This edition also features previously unpublished material, including her musings about consciousness and order, recommended reading lists, and notes on labor unions. In providing new insights into Beauvoir's philosophical development, the *Wartime Diary* promises to rewrite a crucial chapter of Western philosophy and intellectual history.
