Detailed and ready-to-color drawings of 47 species: rhinoceros, snow leopard, giraffe, reindeer, gorilla, tiger, giant panda, elephant, kangaroo, many more. Brief captions describe habits of each species. Colorists will find this volume entertaining and educational; artists and designers will find practical use for the royalty-free illustrations. 40 black-and-white illustrations. Captions. Fact-filled coloring book includes 14 boldly outlined full-page illustrations of supernatural beings worshipped by the ancient Egyptians, among them Osiris, the god of fertility and farming; Anubis, the jackal-headed god; Isis, the goddess of love and motherhood; and Horus, depicted as a human male with the head of a falcon. Informative captions.

Forty-three accurately rendered illustrations depict detailed scenes of kitchen chores (churning butter, preparing foods); seasonal occupations (shearing sheep, mowing hay, "harvesting" and "sugaring off" maple syrup); plowing, planting, other activities. Fact-filled captions. Published in association with Henry Ford Museum & Greenfield Village.

Adult Coloring Book For Men Featuring Biker Designs Our Adult Coloring Book for Men With Biker Designs is a whimsical and humorous take on popular coloring books. Instead of the pictures of flowers, butterflies, and woodland creatures that we see in most adult coloring books, Coloring Book for Men: Biker Designs is a bold and aggressive book dedicated to the badass aesthetics of the motorcycle and the subculture surrounding it. This is a motorcycle coloring book with a twist. There are plenty of skulls for any biker rally, but also plenty of repetitive geometric background patterns to give you plenty of opportunities to relax and lower your stress levels with the meditative practice of coloring. Men will love coloring these cool biker designs mixed with geometric patterns for stress relief! This is not your traditional adult coloring book! Adult Coloring Book Made For Men Just because riding is a high-octane activity, that doesn't mean coloring a biker design coloring book has to be. Coloring in adult coloring books can be very calming. When you live your life pursuing the need for speed, you may need to come down off the adrenaline high and relax a little. Too much speed all the time will run you into an early grave. And that might be something that bikers joke about, but the world needs you to be around in the future too! The good news is, with this adult coloring book for men, you don't have to give up riding. You don't even have to give up thinking about riding - not for one moment out of the day! This coloring book has many masculine designs that men of all ages will be proud to color. Coloring Book for Men: Biker Designs makes a great Christmas or birthday gift for dads, uncles, grandpas, husbands, and sons who want a coloring book for men!

Oldtimer Grayscale Adult Coloring Book for Men 43 Oldtimer Images of Vintage Rustic Cars, Trucks, Tractors, Tools, Motorcycles and other Things Men Like Oldtimer is a GRAYSCALE coloring book for men. Grayscale is very different than traditional black outline coloring books. Grayscale coloring is meant for people who want to create more realistic colored images. Author/Artist Timothy Parks brings you Oldtimer Grayscale Coloring Books for Adult. The book is 8.5 x 11 inches. Images are printed on one side of the page. We recommend using a ruler and razor to carefully cut pages from the book for display or to scan and copy onto other types of paper. Please do not sell or give away copied pages that are not colored. Commercial use of the pages as they appear in this book is strictly prohibited.

Forty-four carefully researched illustrations and accompanying text describe tornadoes, hurricanes, fog, cloud types, wind patterns, ocean currents, and other phenomena.

In sheer numbers, no form of government control comes close to the police stop. Each year, twelve percent of drivers in the United States are stopped by the police, and the figure is almost double among racial minorities. Police stops are among the most recognizable and frequently criticized incidences of racial profiling, but, while numerous studies have shown that minorities are pulled over at higher rates, none have examined how police stops have come to be both encouraged and institutionalized. *Pulled Over* deftly traces the strange history of the investigatory police stop, from its discredited beginning as "aggressive patrolling" to its current status as accepted institutional practice. Drawing on the richest study of police stops to date, the authors show that who is stopped and how they are treated convey powerful messages about citizenship and racial disparity in the United States. For African Americans, for instance, the experience of investigatory stops erodes the perceived legitimacy of police stops and of the police generally, leading to decreased trust in the police and less willingness to solicit police assistance or to self-censor in terms of clothing or where they drive. This holds true even when police are courteous and respectful throughout the encounters and follow seemingly colorblind institutional protocols. With a growing push in recent years to use local police in immigration efforts, Hispanics stand poised to share African Americans' long experience of investigative stops. In a country that celebrates democracy and racial equality, investigatory stops have a profound and deleterious effect on African American and other minority communities that merits serious reconsideration. *Pulled Over* offers practical recommendations on how reforms can protect the rights of citizens and still effectively combat crime.

Open this book and you'll soon find yourself immersed in the wonderful gingerbread world of Victorian architecture and interior design. From a nostalgic introduction by John Philip Sousa III to the charming original illustrations of Daniel Lewis, The Victorian House Coloring Book invites children and colorists to re-create the furnishings, color schemes, and rich decorations of a lovely Victorian home. Comprising a complete household tour, these beautifully authentic illustrations depict the exterior, attic, front hallway, parlor, library, dining room, kitchen, three bedrooms, bathroom (including a water closet), and basement. In addition, a delightful double-page spread shows the garden with a gazebo. Typical of Victorian-era house, which often combined several architectural styles, the house shown here blends a simple Italianate exterior with such Second Empire features as a mansard roof and dormer windows. Other styles often featured in such homes include Queen Anne and Romanesque revivals, Carpenter Gothic and Stick, and Eastlake. A well-researched and informative text by Kristin Helberg accompanies each illustration, commenting on furnishings and architectural details and providing insight into the historical background and everyday life of the era. Dollhouse buffs, who consistently prefer the Victorian style to all others, will welcome this handsome book, while designers and illustrators will be especially pleased that all the illustrations are royalty free.

Hobbyists, collectors, and colorists will enjoy learning about 36 different rocks and minerals with illustrations of smoky quartz, amethyst, malachite, emerald, celestite, crazy lace agate, aragonite, garnet, and many more.

Comprehensive volume of practical information on everything from mufflers and automatic oil pumps to batteries and timing valves. Over 370 rare illustrations.
