Since his triumphant release in 1990 from more

than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Now available in paperback, this grammar offers a completely new approach to the study of Sanskrit, aimed at students with no previous specialist knowledge of the categories of grammar. It is a stimulating and infectious approach, designed to cultivate rapid and lasting enthusiasm for Sanskrit. Important features of the work are the use of connected passages for exercise which are intrinsically more interesting and challenging than the unrelated sentences found in other grammars; the great deal of attention given to the explanation of the Devanagari system; and the extensive appendices and glossaries.
