

## No More Dirty Looks The Truth About Your Beauty Products And The Ultimate Guide To Safe And Clean Cosmetics

Gilbert is back—no fooling! Diane deGroat's delightful story and fun-filled illustrations will enchant readers, especially when they discover the surprises in many of the illustrations... This sweet and funny April Fools' Day book is a good choice to share at home or in the classroom. It's April Fools' Day, and Gilbert is looking forward to playing tricks on his friends. Unfortunately he's the one getting tricked by everyone else, including Mrs. Byrd! But the worst prankster is Lewis the bully. Can Gilbert finally outwit Lewis with the best trick of all?

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

It started with a harmless quest for perfect wash-and-go hair. Every girl wants it, and Siobhan O'Connor and Alexandra Spunt finally found it in a fancy salon treatment. They were thrilled -- until they discovered that the magic ingredient was formaldehyde. Shocked, O'Connor and Spunt left no bottle unturned. If it went on their body (and thus, was absorbed into their skin and bloodstream), they researched it. As it turns out, many of those unpronounceable ingredients in your self-tanner and leave-in conditioner are not regulated and the "natural" on your face wash doesn't mean what you think it does. Now, with the help of top scientists, dermatologists, and makeup artists, the authors share their compelling findings and the easy way to detoxify your beauty regimen. No More Dirty Looks also reveals the safest, most effective products on the market and time-tested home recipes. Finally, you don't need to sacrifice health for beauty -- because coming clean is the best look yet.

### No Marketing Blurb

Gilbert's excitement over starting first grade turns to worry that the teacher will be mean, the work too hard, and his classmates too unfriendly, but throughout the day there are pleasant surprises.

Most of us don't realize that the products we use every day can expose us to thousands of chemicals that are readily absorbed through our skin. The impact on your health? It's not pretty.

Anti-aging products are the fastest growing sector of the cosmetics industry as women and men are becoming rapidly more obsessed with looking and feeling young. Splashy ads and commercials are everywhere we turn, promising to keep our appearances fresh and our partners satisfied. But do consumers really know what they're applying to their faces and bodies in their quests for youth and beauty? Do they know the health risks they're taking by simply applying lipstick, face moisturizer or deodorant? Toxic beauty products clutter the shelves at retail stores everywhere, and consumers don't know the avoidable risks they're taking by following a simple beauty regimen. Written by Dr. Samuel S. Epstein, a founder and chairperson of the Cancer Prevention Coalition, *Healthy Beauty* gives the lowdown on salon safety, health risks hiding in everyday products, how we put our children in danger and more. *Healthy Beauty* will also educate you and your family on easily implemented solutions through the use of a variety of positive alternatives. In *Healthy Beauty*, you will learn:

- How beauty products can affect your children before they're born
- The brutal carelessness producers use when creating products for women and children
- The risks taken when you step into a salon
- Toxins in men's products such as deodorant, cologne and aftershave
- How to protect yourself and your family by reading labels and identifying potentially hazardous ingredients

Through the help of Dr. Epstein and *Healthy Beauty*, you can protect yourself from the possible long-term effects of a simple beauty product.

Instant National Bestseller After suffering for years with unexplainable health issues, Dr. Ben Lynch discovered the root cause—"dirty" genes. Genes can be "born dirty" or merely "act dirty" in response to your environment, diet, or lifestyle—causing lifelong, life-threatening, and chronic health problems, including cardiovascular disease, autoimmune disorders, anxiety, depression, digestive issues, obesity, cancer, and diabetes. Based on his own experience and successfully helping thousands of clients, Dr. Lynch shows you how to identify and optimize both types of dirty genes by cleaning them up with targeted and personalized plans, including healthy eating, good sleep, stress relief, environmental detox, and other holistic and natural means. Many of us believe our genes doom us to the disorders that run in our families. But Dr. Lynch reveals that with the right plan in place, you can eliminate symptoms, and optimize your physical and mental health—and ultimately rewrite your genetic destiny.

From burlesque show to fashion runway, magazine cover to Internet video, fashion icon and "burlesque superheroine" (Vanity Fair) Dita Von Teese has undergone more strokes of red lipstick, bursts of hair spray, boxes of blue-black hair dye and pats of powder in a month than a drag queen could dream of in a lifetime. Whether she's dazzling audiences swirling in a towering martini glass in Swarovski-covered pasties and stilettos or sparking camera flashes on the red carpet, one reality is constant: for this self-styled star, beauty is an art. Now, for the first time in her Technicolor career, Dita divulges the beauty wisdom that keeps her on international best-dressed lists and high-profile fashion show rosters in this illustration and photography-filled opus. In *Your Beauty Mark: The Ultimate Guide to Eccentric Glamour*, Dita and co-writer Rose Apodaca take you through every step of Dita's glamour arsenal, and includes friends—masters in makeup, hair, medicine, and exercise as well as some of the world's most eccentric beauties—for authoritative advice. This 400-page book is packed with sound nutrition and exercise guidance, skincare and scent insight, as well as accessible techniques for creating bombshell hairstyles and makeup looks. Among the hundreds of lavish color photographs, instructive step-by-step images and original illustrations by Adele Mildred, this inspiring resource shares the skills, history, and lessons you need to enhance your individual gifts and realize your own beauty mark.

This hard-bodied football star is used to scoring. But he needs all the right moves to get past a fiery redhead's defenses in a steamy standalone novel from the bestselling author of *Ruined*. Emerson: Talk about bad first impressions. I have too much riding on this job to show up late on my first day looking like the winner of a wet T-shirt contest, all thanks to an arrogant quarterback who drives like he owns the road. Hunter Browning thinks that because he's famous, he can fix everything with a smile and a wave of his hand. He's too bronzed, buff, and beautiful for his own good. Or mine. I can't let on that I'm a fan . . . no matter how much fun we'd have in the sack. Hunter: Hitting that puddle was my best play since winning the Super Bowl with a touchdown pass. Sure, it's not my preferred way to get a girl wet, but I'll make an exception for Emerson Day. She's got a sharp tongue and a red-hot temper, even with her soaking clothes plastered to her every curve. Now I know exactly what my next play will be: hire Emerson as my personal real-estate agent, save her job—and see if I can take her off the market. Look for all of Tracy Wolff's seductive reads: The Ethan Frost series: *RUINED* | *ADDICTED* | *EXPOSED* | *FLAWED* The Sebastian Caine series: *PLAY ME WILD* | *PLAY ME HOT* | *PLAY ME HARD* | *PLAY ME REAL* | *PLAY ME RIGHT* | *PLAY ME: THE COMPLETE STORY* The Hotwired series: *ACCELERATE* The Lightning series: *DOWN & DIRTY* | *HOT & HEAVY* | *ROUGH & READY* The His Royal Hotness series: *ROYAL*

PAIN | ROYAL TREATMENT And her standalone novels: LOVEGAME | FULL EXPOSURE | TIE ME DOWN Praise for Down & Dirty “I’m obsessed with Tracy Wolff’s writing style. She’s hilarious, magical, and beyond talented! Down & Dirty was hot and explosive!”—Sarah Robinson, author of the Kavanagh Legends series “Down & Dirty is an entertaining and steamy sports romance. Tracy Wolff created really good relationships and interactions between all of the characters with plenty of banter and teasing.”—Harlequin Junkie “I’ve never read anything by Tracy Wolff but after the first chapter of this book . . . I’m a lifelong fan. Dude. Within a few paragraphs, I laughed and cringed and got irritated and swoony . . . it . . . was . . . awesome!!”—Little Miss Bookmark (five stars) “I definitely loved this book. A great football romance with a heartwarming yet heartbreaking story.”—BookSmacked (five stars) “Touch Down! Another winner for Tracy Wolff! . . . I may have discovered this author by accident, but I’m smart enough to not let her get away now that I’ve found her.”—iScream Books Blog (five stars) “This is a beautiful story about love, loss, dealing with the curveballs life sends you and how having someone beside you can help you deal with anything. This story is magical.”—Cocktails and Books Includes an excerpt from another Loveswept title.

“Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe.” What happens when you realize you’ve had the career of your dreams, but you don’t have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people’s makeover stories, Sheri decided to “produce” her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood’s favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri’s stories offer profound inspiration for personal renewal.

Newbery Medalist Lynne Rae Perkins introduces two irresistible sisters—Alix and Jools—and takes readers on an unforgettable vacation to the beach. This joyful celebration of sisters, family, friendship, and the ocean is illustrated in black-and-white throughout. The Wall Street Journal said, “Ocean meets sky meets two young girls in Lynne Rae Perkins’s affectionate chapter book. . . . Illustrations by the author add wit and tenderness to this sunny summer story.” For fans of Kate DiCamillo and Rebecca Stead. Alix and her older sister, Jools, have never been to the ocean. When their parents pack them up to spend a week by the shore, Alix is nervous about leaving home—but excited, too. At the beach, the sisters make friends, go exploring, and have adventures big and small. To Alix’s surprise, as the week comes to an end, she finds she doesn’t want to leave! Each chapter contains its own miniature discovery—from picking periwinkles, meeting a crab, and making sandcastles, to exploring the nearby town. Award-winning author Lynne Rae Perkins has beautifully crafted a genuine and engaging novel about sisters, family, and exploration. A great read-aloud, as well as a good choice for newly independent readers. Booklist said, “Ordinary pleasures, in the hands of a writer so skilled, are elevated.” Features black and white art throughout.

By the time she heads out the front door, the modern woman has spritzed, sudsed, and slathered herself in more than 127 different chemicals, many of them more toxic than beautifying. So how can you look and feel great while safeguarding your health? Get smart and go green from head to toe with the help of eco-expert Gillian Deacon. In *The Green Body Guide*, you’ll learn how to read the ingredients to identify and understand the preservatives that are bad for your body and damaging to the earth, including formaldehyde in deodorant, nail polish, soap, shampoo, and shaving cream; coal tar in hair dyes; lead in lipstick; and many more. This is an indispensable handbook of personal-care choices that are sustainable, both for your health and for the earth.

He was everything she wasn't looking for ... Finding a naked rock star in my bed was not how I saw my new life starting. Especially when that rock star is Evan Wyld, guitarist of the hottest band on the planet, Dirty Texas. He looks dirty as sin with colorful tattoos, muscles and piercings in all the right places. Summer is about to heat up as I join Dirty Texas on their European tour. She was everything he wasn't ready for... Sienna Hayes is off limits, but ever since the blonde bombshell accidentally climbed into my bed, I've been fantasizing about the ways I could help her get over her ex. She has baggage, but I'm known for being a good time. Maybe I can be her rebound, help put her back together again. One little taste can't hurt; can it?"

It's the last day of school! Gilbert is excited about summer vacation. First there's a class party, and Mrs. Byrd will give out the end-of-the-year awards. But will Gilbert even get one? Patty's the best speller. Philip's the best reader. What is Gilbert best at?

Gilbert and his first-grade classmates are nervous about their performance on the last day of school, curious about the awards they will receive, sad to be leaving their teacher, and excited about summer vacation.

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque’s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. “The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure.”—The New York Times Book Review

The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham*—1963, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of *Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. AN ALA BEST BOOK FOR YOUNG ADULTS AN ALA NOTABLE CHILDREN'S BOOK AN IRA CHILDREN'S BOOK AWARD WINNER NAMED TO 14 STATE AWARD LISTS “The book is a gem, of value to all ages, not just the young people to whom it is aimed.” —The Christian Science Monitor “Will keep readers engrossed from first page to last.” —Publishers Weekly, Starred “Curtis writes with a razor-sharp intelligence that grabs the reader by the heart and never lets go. . . . This highly recommended title [is] at the top of the list of books to be read again and again.” —Voice of Youth Advocates, Starred From the Hardcover edition.

Fans of *First Day Jitters* will love spending the last day of school in Mrs. Hartwell classroom. What do teachers do for summer vacation? Mrs. Hartwell's students worry that their teacher will miss them while they are gone for the summer. The class comes up with a way to make sure Mrs. Hartwell won't be too sad. But Mrs. Hartwell and the other teachers have some plans of their own. Once again Julie Danneberg and Judy Love bring to life the crazy antics of Mrs. Hartwell and her class and show that teachers and students are more alike than we sometimes think.

There's never been another dog as delightful—or dirty—as Harry. This lovable white dog with black spots (or black dog with white spots) has charmed children for fifty years, and we are celebrating with an anniversary edition. This childhood favourite is perfect for reading aloud before going to bed or avoiding a bath.

Life can be stressful, overwhelming, and sometimes difficult to cope with. Modern medical professionals will tell you to take various prescription medications, which can ultimately do more harm than good. But it doesn't have to be that way! Healing is all in the mind and can be attained through finding harmony in your own life and resorting to natural remedies already provided by the very environment in which you live. Blogger Tara Mackey, who has a background in science, shares her own experiences with stress, depression, and anxiety and teaches you how to break free from them. Growing up, Tara suffered from dependency on various prescription drugs for depression, anxiety, and ADHD. She witnessed her best friend's decline and suicide and watched helplessly as the effects of heroin addiction took a hold of her mother. At age twenty-four, she decided that enough was enough and quit her prescription meds cold-turkey in search for happiness. Today, she is drug-free, stress-free, and happy. *Cured by Nature* is Tara's personal story combined with her knowledge and advice to battling personal demons and coming out victorious. Follow Tara as she shows you how to adapt and grow, using various herbal remedies, breathing exercises, and mind-strengthening techniques that will help you be a happier and better you.

Book description to come.

Gilbert is excited about staying overnight at Camp Hi-Dee-Ho, until he hears about the legendary camp ghost.

A New York Times bestseller One of the preeminent linguists of our time examines the realms of language that are considered shocking and taboo in order to understand what imbues curse words with such power--and why we love them so much. Profanity has always been a deliciously vibrant part of our lexicon, an integral part of being human. In fact, our ability to curse comes from a different part of the brain than other parts of speech--the urgency with which we say "f&\*k!" is instead related to the instinct that tells us to flee from danger. Language evolves with time, and so does what we consider profane or unspeakable. *Nine Nasty Words* is a rollicking examination of profanity, explored from every angle: historical, sociological, political, linguistic. In a particularly coarse moment, when the public discourse is shaped in part by once-shocking words, nothing could be timelier.

Every year we each absorb an estimated 2 kilograms of chemicals through beauty and cosmetic products. Chemicals found in lipsticks, skin lotions and hair dyes have been linked with tumours, cell mutation, allergies, reproductive complications, endocrine disruption and cancer. Isn't it time we all paid more attention to exactly what goes into the eye shadows, body washes and deodorants we love to use? This compelling and timely book tells you the key chemicals you should avoid, reveals just how natural 'organic' beauty products really are, and features a directory highlighting the health issues surrounding a wide range of products, from hair gel to sunscreens.

The master of the tease.The god of rock.Frontman of the world's most desired band, Youth Gone Wild.I'm Rhett Ryan, and I get what I want.Women? They were lining up.Money? I had enough.Accolades? My shelves were full.Love? I didn't have time for that.Not until I had no choice but to pay attention to the last woman I expected to fall for.My beautiful, sassy publicist, Julia goddamn Speed.She was a vital part of the band's success, and she was as off-limits as they came. I'd never wanted anything more in my life. But Julia wasn't like the rest, and my advances only pushed her further away. She was the first woman to make me work for it, and Christ, did I suddenly want to work for it!Even if I knew it would end in disaster.Even if I knew there would be tears. I was willing to play dirty to make it happen.I just had no idea how much I'd change in the process, or how something that had once been my everything would soon become nothing because I'd jumped into the forbidden with her.Stupid, Reckless Rhett. Lead in lipstick? 1,4 dioxane in baby soap? Coal tar in shampoo? How is this possible? Simple. The \$35 billion cosmetics industry is so powerful that they've kept themselves unregulated for decades. Not one cosmetic product has to be approved by the US Food and Drug Administration before hitting the market. Incredible? Consider this: The European Union has banned more than 1,100 chemicals from cosmetics. The United States has banned just 10. Only 11% of chemicals used in cosmetics in the US have been assessed for health and safety - leaving a staggering 89% with unknown or undisclosed effects. More than 70% of all personal care products may contain phthalates, which are linked to birth defects and infertility. Many baby soaps are contaminated

with the cancer-causing chemical 1,4 dioxane. It's not just women who are affected by this chemists' brew. Shampoo, deodorant, face lotion and other products used daily by men, women and children contain hazardous chemicals that the industry claims are "within acceptable limits." But there's nothing acceptable about daily multiple exposures to carcinogenic chemicals -- from products that are supposed to make us feel healthy and beautiful. Not Just a Pretty Face delves deeply into the dark side of the beauty industry, and looks to hopeful solutions for a healthier future. This scathing investigation peels away less-than-lovely layers to expose an industry in dire need of an extreme makeover. 15 percent of the purchase price of each book sold benefits the national Campaign for Safe Cosmetics, administered by the Breast Cancer Fund, through December 31, 2012.

The definitive guide to a new generation of natural beauty, skincare and makeup. 'Emma Watson's Natural Beauty Guru' Racked.com This honest, expert book will teach you how to recognise what your skin needs and how to buy the best products for you. It offers both time-honoured and modern techniques, tips and guidance for all ages, and showcases the powerful natural ingredients and brands that all beauty lovers should know about. '[Imelda's book] is amazing' Emma Watson, IntoTheGloss.com 'Imelda and her team have been teaching their customers, including me, about the best botanical brands out there for years. Now all their experience is bound together in this wonderful beauty guide.' Melissa Hemsley 'Imelda is the go-to person for natural beauty in London, I've learnt so much from her and her team' Ella Mills, Delicious Ella 'I can't put this book down #bestbeautytips' Tata Harper

"A breathless thriller. . . . If a good roller-coaster is what you want, step up and have your ticket punched."—People A female judge finds her life and her career on the line when the defendant in a high-profile lawsuit is killed in this riveting and stylish novel of greed, murder and justice, from New York Times #1 bestselling author Lisa Scottoline. Attractive, sexy, tough-minded Cate Fante has just been appointed to the federal bench in Philadelphia. Uncomfortable among the elite meritocracy of the federal judiciary, the hard-charging woman with working class roots secretly indulges her taste for bad boys and men who work with their hands, like those she knew growing up in an old northeastern Pennsylvania coal-mining town. Presiding over a high-profile multi-million-dollar lawsuit, Cate quickly learns that being a judge doesn't always mean she can do justice. While a wronged former Philly ADA has the moral high ground, the sleazy television producer he's suing has the law on his side. Upset over the trial's outcome, Cate wants to forget with a few drinks and a night of anonymous sex. But when she realizes she's made a mistake, the stranger she picked up becomes aggressive, and she barely escapes without getting seriously hurt. For Cate though, the trouble has only begun. Returning home, she learns that the TV producer from her court case has been murdered. Then the body of her failed one-night stand is discovered. Suddenly Cate's secret private life is splashed across the media and her job is in jeopardy. Her only hope is to find a murderer and clear her name. But can she uncover the truth before the cold-blooded killer silences her?

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In Rememberings, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

After wishing there were two of him to complete all the items on his "to do" list, Leo discovers that the real problem is not the number of Leos, but the length of his list and tries to find a creative solution to his overscheduling dilemma!

Internationally renowned dermatologist and research scientist Dr. Whitney Bowe presents, for the first time, the connection between a healthy gut and radiant, clear skin, with a 21-day program to maximize skin health and beauty. Every year, nearly 80 million Americans will consult their doctors about their skin. In fact, skin disorders beat out anxiety, depression, back pain, and diabetes as the number one reason Americans see their doctors. Unfortunately, however, the vast majority will receive only a surface-level treatment, leaving the underlying conditions at the root of their skin issues unresolved. Skin doesn't lie; it reflects overall health in unimaginable ways. In The Beauty of Dirty Skin, internationally renowned dermatologist and scientist Dr. Whitney Bowe shows readers that skin health is much more than skin deep. As a pioneering researcher on the cutting edge of the gut-brain-skin axis, she explains how the spectrum of skin disorders -- from stubborn acne and rosacea to psoriasis, eczema, and premature wrinkling -- are manifestations of irregularities rooted in the gut. Lasers, scalpels, creams, and prescription pads alone will not guarantee the consistently healthy, glowing skin we all seek. Instead, Dr. Bowe focuses on the microbiome -- where trillions of microbes "speak" to your skin via the brain -- and highlights the connection between sleep, stress, diet, gastrointestinal health, and the health of your skin. With simple explanations of the science, do-it-yourself practical skincare strategies, and a life-changing 21-day program, The Beauty of Dirty Skin is your roadmap to great skin from the inside out and the outside in.

Love—on the rocks.... The last thing Vaughan Hewson expects to find when he returns to his childhood home is a broken hearted bride in his shower, let alone the drama and chaos that come with her. Lydia Green doesn't know whether to scream or cry in a corner. Discovering the love of your life is having an affair on your wedding day is bad enough. Finding out it's with his best man is another thing all together. Just when this runaway bride has nowhere left to turn, a handsome stranger offers her a broad, muscular shoulder to cry on. Vaughan is the exact opposite of the picture perfect, respected businessmen she's normally drawn to. This former musician-turned-bartender is rough around the edges and is facing his own crossroads. But Lydia's already tried Mr. Right and discovered he's all wrong--maybe it's time to give Mr. Right Now a chance. After all, what's wrong with getting dirty? Dirty is the first book in the Dive Bar series from bestselling author Kylie Scott.

Containing more than six thousand updated entries, a helpful resource of information on the ingredients in cosmetics reports on the origins, function, and possible health effects of specific preservatives, acids, buffers, humectants, colorings, flavorings, and processing agents. Original. 15,000 first printing.

Revenge. I race to finance it. I evade to protect it. I kill to attain it. I planned everything. Except her. The alluring,

curvaceous blonde at the finish line. With sapphire eyes that cheat and lie. Whose powerful family murdered mine. I hate her. I want her. I know she's hiding something. But so am I.

Diary of a Wimpy Kid
