of America's largest urban bat colony; all with your trusted travel companion. Witness the rise of a metropolis from the tiny frontier outpost of Waterloo into a world leader in culture and technology. Discover the lost treasure of Shoal Creek in Pease Park or just a sense of inner peace amid the koi ponds and waterfalls of the Zilker Botanical Garden. Like the bats of Congress Avenue, navigate Austin neighborhoods by sound, taking cues from Stevie Ray Vaughan's beloved guitar and Angelina Eberly's city-saving cannon. Award-winning tour guide Jason Weems charts a course through Austin's heritage, treading the back streets stalked by a serial killer and the stately halls of the Texas State History Museum.

Kinky Friedman, the original Texas Jewboy, takes us on a rollicking, rock-and-rolling tour of his favorite city: Austin. Maybe you want to know which restaurant President Bush rates as his favorite Austin burger joint. Or maybe you want a glimpse of Willie Nelson's home life (hint: Willie plays a lot of golf). Perhaps you want to get the best view of the Mexican free-tail bats as they make their nightly flights to and from the Congress Avenue Bridge. Or maybe you're itching to learn the history of a city that birthed Janis Joplin, Stevie Ray Vaughan, and countless other music legends. It's all here in *The Great Psychedelic Armadillo Picnic*, the slightly insane, amazingly practical, and totally kick-ass guide to the coolest city in Texas by none other than Kinky Friedman. This ain't no ordinary travel guide, neither. "Like most other busy cities these days, Austin is not very effectively traversed by foot," Kinky explains. "You must

understand that ‘a walk in Austin’ is primarily a spiritual sort of thing.” As might be expected from this politically incorrect country-singer-turned-bestselling-mystery-author, the Kinkster’s tour includes a bunch of stuff you won’t find in a Frommer’s guide, from descriptions of Austin’s notable trees and directions to skinny-dipping sites to lists of haunted places and quizzes and puzzles. So put on your cowboy hat and your brontosaurus-foreskin boots and head down south with the only book you need to get to the big heart of this great city.

Lonely Planet’s Pocket Taipei is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Get the ultimate view from Taipei 101, explore antiquities at the National Palace, and admire Chiang Kai-shek Memorial Hall- all with your trusted travel companion.

Discusses lodging, dining, attractions, and entertainment in San Antonio and Austin, Texas, along with information on trip planning, security, and shopping. Embrace your inner cowboy and discover the heart of the Lone Star State with Moon Austin, San Antonio & the Hill Country. Sip and taste your way through Austin. Austin Food Crawls is an exciting culinary tour through this trendy Texas city. Discover hidden gems and long-standing institutions. Each crawl is the complete recipe for a great night out, the perfect tourist day, a new way to experience your own city, or simply food porn to enjoy from home. Head to Cesar Chavez for some of the best tacos, get weird in East Austin, and bring the whole family to Allendale. Put on your walking shoes and your stretchy pants, and dig into the Capitol City one dish at a time.

The World Is a Book, Indeed chronicles in eleven rich personal essays the ongoing quest of award-winning writer Peter LaSalle to embark on offbeat, often startlingly revelatory literary travel. LaSalle spends a summer roaming the lesser-known quarters of Paris, haunted by the writing of the French surrealists. In Hanoi, he meets for beers with the editors—two military men—of the Army Literature and Arts Magazine while investigating Vietnam's acknowledged great modern novel, Bao Ninh's *The Sorrow of War*. Other pieces find LaSalle on a strange nighttime drive through the streets of sprawling São Paulo in search of landmarks associated with Brazilian modernist poetry, bouncing around Africa to interview writers there when very young, exploring Argentine author Jorge Luis Borges's memorable stay in Texas, and traveling to Istanbul, Lisbon, Tunis, and elsewhere, as he considers major writers amid the settings that produced their

Download Free Pocket Austin Travel Guide

works. Deeply felt and replete with insight into literature and life itself, even capable of evoking valid mind leaps in its innovative approaches, this is a collection for readers who love books and want to learn more about the places they originated, presented by a well-traveled guide with an intimate voice and a gift for the essay form.

A guide to some of the world's most fascinating places, as seen and experienced by writer, television host, and relentlessly curious traveler Anthony Bourdain Anthony Bourdain saw more of the world than nearly anyone. His travels took him from the hidden pockets of his hometown of New York to a tribal longhouse in Borneo, from cosmopolitan Buenos Aires, Paris, and Shanghai to Tanzania's utter beauty and the stunning desert solitude of Oman's Empty Quarter—and many places beyond. In *World Travel*, a life of experience is collected into an entertaining, practical, fun and frank travel guide that gives readers an introduction to some of his favorite places—in his own words. Featuring essential advice on how to get there, what to eat, where to stay and, in some cases, what to avoid, *World Travel* provides essential context that will help readers further appreciate the reasons why Bourdain found a place enchanting and memorable. Supplementing Bourdain's words are a handful of essays by friends, colleagues, and family that tell even deeper stories about a place,

Download Free Pocket Austin Travel Guide

including sardonic accounts of traveling with Bourdain by his brother, Christopher; a guide to Chicago's best cheap eats by legendary music producer Steve Albini, and more. Additionally, each chapter includes illustrations by Wesley Allsbrook. For veteran travelers, armchair enthusiasts, and those in between, World Travel offers a chance to experience the world like Anthony Bourdain.

A Welcome Mat to Some of Austin's Most Inspirational Homes! Have you ever walked through your neighborhood, taken a look at a weird house, and thought "Who lives there?" or, "What in the world does it look like inside?" We've all been curious, which is why the founders of the Weird Homes Tour™ began their strange and wonderful journey. Three years later, they've opened the doors and unlatched the windows of dozens of Texas's strangest homes for thousands of onlookers. Why? To show that design really has no boundaries. And that we would rather neighbors be strange than be strangers. Like many other communities around the world, Austin can be fun, irreverent, outside the box, innovative, dynamic, proud, strange, and so much more. You just need to know where to look. This gorgeous book features the one-of-a-kind Austin homes that started it all for the Weird Homes Tour. Page by page, we proudly present these homes and the weird people who live in them, many of whom designed and built

Download Free Pocket Austin Travel Guide

their awe-inspiring dwellings by hand. From grand, historic haunts to treehouses and dumpster dwellings, you're guaranteed to find something that will inspire design changes in your own home.

Fly, Fly Again is a clever and charming story about Jenny, a child who dreams of flying. After years of tinkering in makeshift laboratories and studying the mechanics of flight with her pet Hawk, Jenny builds a plane—only to crash into the yard of her skateboarding neighbor, Jude, and his pet cheetah. Working with Jude, Jenny successfully learns how to control and fly her plane. This unique story includes lessons about problem solving, teamwork, and determination as well as family-friendly information about the basics of aeronautical engineering like lift, drift, and more!

The low-slung brick home that architect John Saunders Chase completed for his own family in 1959 was Houston's first modernist house with a true interior courtyard, a form with which other progressive architects were only starting to experiment. It was equally radical that he built it at all. When Chase graduated from The University of Texas School of Architecture in 1952—the first African American to do so—no Houston architecture firm would hire him. Chase petitioned the state for special permission to take the licensing exam, becoming the first African American registered as an architect in Texas. By 1959, he ran his own thriving firm and had established a position of remarkable influence in Houston's social, political, and economic life. The Chase Residence, in both its original version and after a fundamental alteration undertaken in

Download Free Pocket Austin Travel Guide

1968, is a testament to Chase's accomplishments. Beautifully illustrated, John S. Chase—The Chase Residence examines how the architecture of this seminal but little-known house frames the life lived within it. It places the house in the larger context of Chase's architectural career and his times. The book is also intended for readers broadly interested in the relationship between American architecture and society.

information for every kind of traveler since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travelers. You'll also find our content online, and in mobile apps, video, 14 languages, nine international magazines, armchair and lifestyle books, ebooks, and more. 'Lonely Planet guides are, quite simply, like no other.' – New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' – Fairfax Media (Australia) *Source: Nielsen BookScan: Australia, UK, USA, 5/2016-4/2017 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

"Find the Texas of your dreams -- do some two-stepping in a honky-tonk dance hall, float down the Rio Grande through chiseled desert canyons, sample fiery Tex-Mex, visit world-class museums (and historic sights) and watch the big Texas sky light up a field of Hill Country bluebonnets. Our author has personally visited every hotel, shop, restaurant, attraction and nightspot listed in this book -- and hundreds more -- to better guide you on the trip of a lifetime. Here's to the Lone Star State!" -- Back cover.

gusher and funded higher education for generations. Follow in the footsteps of famous Austinites like Janis Joplin, Farrah Fawcett, and Matthew McConaughey. With life long journalists and Austin fans Cheryl and Les Thomas as your guides, you're bound to find more than a few surprises about Austin—even if you've lived there forever. Whether you're a slacker, an entrepreneur, a poet, or just a bluebonnet admirer, you'll find Austin's most fascinating hidden gems, strange history, and obscure trivia in this guide to the "City of the Violet Crown."

The ultimate insider's guide to Austin Features interesting and unusual places not found in traditional travel guides Part of the international 111 Places/111 Shops series with over 250 titles and 1.5 million copies in print worldwide Appeals to both the local market (more than 950,000 people call Austin home) and the tourist market (more than 20 million people visit Austin every year!) Fully illustrated with 111 full-page color photographs Those who know Austin know it to be a magical place. Live music surges through the air and cleansing creek water flows through the hills. The motto, 'Keep Austin Weird', illustrates residents' appreciation for small businesses and kooky, eccentric local characters. It's never felt quite like the rest of Texas here. Still, there's the same sense of intense pride for one's place. The underbelly of Austin is just as full of strange delights as its surface is. Scandals and corruption reveal themselves in this political town. The legacies of one of the earliest serial killers and mass shootings linger ominously. Yet despite its dark secrets, little-known stories of progress and creativity

abound too. Music venues and local pools have fought and continue to fight racism. There is a universal love for queso, a Tex-Mex delicacy, and Leslie, an iconic cross-dressing homeless activist who was said to personify the city's motto - these stories bring people together, and now they're yours to discover.

Put your best hoof forward. Combining the irresistible sweetness of the Pocket Pigs of Pennywell Farm with words of wisdom about embracing all that life has to offer, *It's the Little Things* is a book filled to the brim with inspirational mantras and adorable animal appreciation. On spread after spread we see heart-melting, full-color images of these mini pigs—lounging on tiny beach chairs, getting creative with paint, nuzzling with other farm animals, popping out of flower bushes—paired with their favorite words on creativity and fearlessness and relishing all of the small things that make life great. Small in stature but mighty in joy, here are the Pocket Pigs to remind us in the most playful and unassuming way to be grateful, stay curious, and keep ourselves open to the magic of life.

From Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, *The Hitchhiker's Guide to the Galaxy*, comes a wildly inventive novel—in trade paperback for the first time—of ghosts, time travel, and one detective's mission to save humanity from extinction. **DIRK GENTLY'S HOLISTIC DETECTIVE AGENCY** We solve the whole crime We find the whole person Phone today for the whole solution to your problem (Missing cats and messy divorces a specialty) Douglas

Adams, the “master of wacky words and even wackier tales” (Entertainment Weekly) once again boggles the mind with a completely unbelievable story of ghosts, time travel, eccentric computer geniuses, Samuel Taylor Coleridge, the end of the world, and—of course—missing cats.

Features famous and little-known sites around the world, including natural landscapes, man-made structures, animals, events, archaeological finds, and objects.
