Drawing on his 20 years of pioneering research and work with some 400 top companies, Robert offers today's executives guidance in strategy formulation, implementation, and deployment. Filled with examples drawn from the experiences of today's commercial leaders and interviews with CEOs of companies in a variety of industries, this updated edition of a revolutionary and inspiring best seller offers a sure-fire process of strategic thinking that's been tested and refined in the "war rooms" of America's most successful corporations. The Committed Enterprise represents Hugh Davidson's major statement on what makes a sustainable and excellent organization. It is based on over a year of intense fieldwork during which the author interviewed in person the most senior executives in 126 organizations in the US and Europe. It is much easier to describe vision and values than implement them. Vision and values management is in the dark ages compared with that of Marketing, Finance or Operations. It is often derided and all too often just doesn't work. The Committed Enterprise takes a hard approach to this 'soft' topic and describes how to build unstoppable organisations, whether businesses or charities, hospitals or orchestras, by managing vision and values scientifically yet creatively. It shows how to lay the foundations for success by understanding the conflicting needs of stakeholders and uniting them through the right vision and values. These forge uncompromising commitment, and transform organizations, teams and countries. Hugh Davidson details Seven Best Practices for making vision and values work every day, at every level, based on analysis of his interviews with leaders of 125 high calibre enterprises in USA and UK. These include: - Design and timing - Linkage to key success factors - Communicating through action - Embedding via appraisal and rewards - Branding the organization - Rigorous measurement Using a unique fast track / scenic route format, the book includes hundreds of examples, quotes and checklists from enterprises as diverse as PepsiCo, Caltech, Tesco, Mayo Clinic, BP, New York Police Department, DuPont, Save the Children, UPS, New York Philharmonic, and many others. The Committed Enterprise brings a new dimension to managing organisations. It is designed for leaders and managers of every kind of enterprise. So buy it, read it, then make it happen!
