Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life, the work and the historical context of one of the most abidingly influential—and controversial—men in modern history. Ramachandra Guha—hailed by Time as “Indian democracy’s preeminent chronicler”—takes us from Gandhi’s birth in 1869 through his upbringing in Gujarat, his two years as a student in London and his two decades as a lawyer and community organizer in South Africa. Guha has uncovered myriad previously untapped documents, including private papers of Gandhi’s contemporaries and co-workers; contemporary newspapers and court documents; the writings of Gandhi’s children; and secret files kept by British Empire functionaries. Using this wealth of material in an exuberant, brilliantly nuanced and detailed narrative, Guha describes the social, political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma: “Great Soul.” And, more clearly than ever before, he elucidates how Gandhi’s work in South Africa—far from being a mere prelude to his accomplishments in India—was profoundly influential in his evolution as a family man, political thinker, social reformer and, ultimately, beloved leader. In 1893, when Gandhi set sail for South Africa, he was a twenty-three-year-old lawyer who had failed to establish himself in India. In this remarkable biography, the author makes clear the fundamental ways in which Gandhi’s ideas were shaped before his return to India in 1915. It was during his years in England and South Africa, Guha shows us, that Gandhi came to understand the nature of imperialism and racism; and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj. Gandhi Before India gives us equally vivid portraits of the man and the world he lived in: a world of sharp contrasts among the coastal culture of his birthplace, High Victorian London, and colonial South Africa. It explores in abundant detail Gandhi’s experiments with dissident cults such as the Tolstoyans; his friendships with radical Jews, heterodox Christians and devout Muslims; his enmities and rivalries; and his often overlooked failures as a husband and father. It tells the dramatic, profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross-class and inter-religious coalition, pledged to non-violence in their battle against a brutally racist regime. Researched with unequaled depth and breadth, and written with extraordinary grace and clarity, Gandhi Before India is, on every level, fully commensurate with its subject. It will radically alter our understanding and appreciation of twentieth-century India’s greatest man.

- Latest Solved Paper-KVS (Kendriya Vidyalaya Sangathan) • NCERT Textbook Questions-Fully solved • Questions based on latest typologies introduced by the board-Objective types, VSA, SA, LA & Visual Case-based Questions • Commonly Made Errors & Answering Tips for concepts clarity • 'AI' for academically important questions • Concept videos for hybrid learning

Accounting Information System (AIS), 2 .Applications of Computer in Accounting, 3 .Accounting and Database System Project Work Appendix : Dictionary of Accounting Latest Model Paper (BSEB) Examination Paper (JAC) with OMR Sheet.

Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, Gandhi: The Years That Changed the World, 1914-1918 traces the Mahatma's life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi's struggle to deliver India from British rule, to forge harmonious relations between India's Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India's economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary movements throughout the world. A revelatory look at the complexity of Gandhi's thinking and motives, the book is a luminous portrait of not only the man himself, but also those closest to him—family, friends, and political and social leaders.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an idea of what types of questions are expected from this chapter. (Hints of answers of these questions are also given). Case Studies are framed by using words strictly from the NCERT. A solved sample paper of CBSE 2020 is also given. Guidelines for project are also given. A sample project on Marketing Management is also given. The Subject Matter is presented in simple language, in points, and along with diagrams, so that the student may find it easy to understand. The next generation of political leaders will determine India's future. We know their names, but not what lies behind what we hear or see of them in the event/news-focussed coverage in newspapers and television channels. For instance, what moves them? Who inspires them? What are their passions and interests outside of politics? Where do they stand on some of India's most contentious political issues? Do they have any regrets about their political careers? How do they explain some of the inconsistencies in their words and actions? Have their career choices come with significant personal costs? This book provides a snapshot of contemporary Indian politics, and its future, through conversations with twenty of the country's most prominent next-generation politicians. It explores issues and tensions that lie at the heart of Indian politics and society. In doing so, it also challenges facile and sweeping generalizations about the next generation of political leaders, compelling us to consider Indian politicians as complex, thinking individuals with unique personalities, differing visions for India, and their place in history.

Key Features of Xam idea Accountancy Class 12 (2020-21) 1. Changes have been made in the book as per new revised syllabus of CBSE. 2. A series of six books for Classes IX and X according to the CBSE syllabus. Each class divided into 3 parts. Part 1 - Physics. Part 2 - Chemistry. Part 3 - Biology

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject.

Over the last decade, globalization has had a tremendous and far reaching impact on Indian management culture, policy and leadership

styles. Management in India presents the first comprehensive and indepth examination of the emerging changes in Indian management culture both at the macro and micro levels and their impact on domestic and multinational businesses based in India. Drawing on the talent of outstanding contributors, the editors of this book analyse how the Indian business scenario is changing rapidly, while the attitude towards and orientation and practice of management has been correspondingly slow to change. Indian managers have found it difficult to change policies both at the enterprise and the employee level to match an increasingly global and international environment.
