This revised and updated edition (third edition, 1980) of a popular introduction to the history and literature of the Old Testament includes major revisions in the poetical and prophetic books and updated bibliographies at the end of each chapter. Annotation copyrighted by Book News, Inc., Portland, OR

This architectural study attempts to explain how the Incas, who did not have iron tools or a knowledge of the wheel, were able to mine and transport extremely heavy stone and rock, following which these materials were converted into remarkably large structures.

A member of an informal society of sorcerers recounts her initiation into an alternate reality, describing the stringent physical and mental exercises that enabled her to breach the limits of ordinary perception. 20,000 first printing. \$20,000 ad/promo. Tour.

From the author of *Guns, Germs and Steel*, Jared Diamond's *Collapse: How Societies Choose to Fail or Survive* is a visionary study of the mysterious downfall of past civilizations. Now in a revised edition with a new afterword, Jared Diamond's *Collapse* uncovers the secret behind why some societies flourish, while others founder - and what this means for our future. What happened to the people who made the forlorn long-abandoned statues of Easter Island? What happened to the architects of the crumbling Maya pyramids? Will we go the same way, our skyscrapers one day standing derelict and overgrown like the temples at Angkor Wat? Bringing together new evidence from a startling range of sources and piecing together the myriad influences, from climate to culture, that make societies self-destruct, Jared Diamond's *Collapse* also shows how - unlike our ancestors - we can benefit from our knowledge of the past and learn to be survivors. 'A grand sweep from a master storyteller of the human race' - Daily Mail 'Riveting, superb, terrifying' - Observer 'Gripping ... the book fulfils its huge ambition, and Diamond is the only man who could have written it' - Economist 'This book shines like all Diamond's work' - Sunday Times

The next installment in the Hades and Persephone story from bestselling author Scarlett St. Clair. Discover the world of New Athens and the Greek gods in a series that readers are calling "hopelessly addictive." "I am not sure who you think I am," she said. "But let me be clear—I am Persephone, future Queen of the Underworld, Lady of Your Fate—may you come to dread my presence." Persephone and Hades are engaged. In retaliation, Demeter summons a snowstorm that cripples New Greece, and refuses to lift the blizzard unless her daughter calls off her engagement. When the Olympians intervene, Persephone finds her future in the hands of ancient gods, and they are divided. Do they allow Persephone to marry Hades and go to war with Demeter, or prohibit their union and take up arms against the God of the Dead? Nothing is certain but the promise of war.

This book describes Reich's first medical and scientific work on the living organism from his first efforts at the Medical School of the University of Vienna in 1919 to the laboratory experiments in Oslo in 1939 which revealed the existence of a radiating biological energy, orgone energy. The subject of "sexuality" is basic to this work, and Reich shows clearly its importance for human life and its relevance in understanding the social problems of our time. "In the central phenomenon, the sexual orgasm, we meet with questions deriving from the field of psychology as well as from that of physiology, from the field of biology no less than from that of sociology. Natural science offers hardly another field of research that is so well equipped to exhibit the fundamental unity of everything that lives and to guard against narrow, fragmentizing specialization." --Wilhelm Reich.

Zion is not just a place in Israel. It's a spiritual reality in you. Best-selling author John Eckhardt gives a fresh revelation of our identity as

“Zion,” the place in which God dwells. In applying the characteristics and blessings in Isaiah 60, this book will teach readers how to do the following: Access the hidden benefits of Zion, the dwelling place of God Understand the glory of God and unlock its benefits Expand to new levels of faith that release blessing, healing, deliverance, promotion, and increase Enter into the glory of God through the gateway of worship Get deliverance from all that hinders you from entering into the glory realm If we don't understand the benefits that are available to us, we won't seek after them. Harness the reality that we are the dwelling place of God and experience the amazing blessings that are waiting for us. This book will show you who you are in Christ so that you can experience blessing, healing, deliverance, wealth, and promotion in your life. Also Available in Spanish ISBN-13: 978-1-62999-285-3 E-Book ISBN: 978-1-62999-286-0 OTHER BOOKS BY JOHN ECKHARDT: The Psalm 112 Promise (2018) ISBN-13: 978-1629994741 Scriptures for Worship, Holiness, and the Nature of God (2018) ISBN-13: 978-1629994932 Desperate Prayers for Desperate Times (2018) ISBN-13: 978-1629995359

Diana Kelley is a couples sex therapist with a problem: it's her job to convince her clients of the importance of sexual and emotional intimacy, but after surviving a toxic relationship with an abusive ex, she's sworn off love and can't fathom ever making herself vulnerable again. When her best friend Ava is injured the night she is scheduled to assist with a hands-on sexual education workshop, Diana is forced to find a short-term replacement. The last thing she wants is a new lover, even a paid one. After a year of living in the apartment next door, all Jude Monaco knows about her neighbor Diana is that she's a gorgeous older woman and the inspiration for more dirty fantasies than she cares to admit. So when Diana knocks on her door with a shockingly delicious favor to ask, Jude seizes the opportunity to learn more. Their professional relationship is supposed to be a clinical erotic arrangement between a sex therapist and her assistant, but at the intersection of sex and intimacy, anything is possible. Even love.

This second edition of "SOS" provides parents with guidance for handling a variety of common behavior problems based on the behavior approach to child rearing and discipline. This approach suggests that good and bad behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3 gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. (HTH)

In this mind-altering romp—where the term “Metaverse” was first coined—you’ll experience a future America so bizarre, so outrageous, you’ll recognize it immediately • One of Time’s 100 best English-language novels Only once in a great while does a writer come along who defies comparison—a writer so original he redefines the way we look at the world. Neal Stephenson is such a writer and Snow Crash is such a novel, weaving virtual reality, Sumerian myth, and just about everything in between with a cool, hip cybersensibility to bring us the gigathriller of the information age. In reality, Hiro Protagonist delivers pizza for Uncle Enzo’s CosoNostra Pizza Inc., but in the Metaverse he’s a warrior prince. Plunging headlong into the enigma of a new computer virus that’s striking down hackers everywhere, he races along the neon-lit streets on a search-and-destroy mission for the shadowy virtual villain threatening to bring about infocalypse. Praise for Snow Crash “[Snow Crash is] a cross between Neuromancer and Thomas Pynchon’s Vineland. This is no mere hyperbole.”—The San Francisco Bay Guardian “Fast-forward free-style mall mythology for the twenty-first century.”—William Gibson “Brilliantly realized . . . Stephenson turns out to be an engaging guide to an onrushing tomorrow.”—The New York Times Book Review

The Academy Award-winning artist behind Who Framed Roger Rabbit? draws on his master instruction classes to demonstrate essential techniques required of animators of any skill level or method, in an updated edition that provides expanded coverage of such topics as animal gaits and live action. Simultaneous.

Developing the Leader Within You is Dr. Maxwell’s first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. “Leadership is influence. That’s it. Nothing more; nothing less.” The Traits of Leadership. “Leadership is not an exclusive club for those who were ‘born with it.’ The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader.” The Difference Between Management and Leadership. “Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader.” God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip you to improve your leadership and inspire others.

Herbert Marcuse is one of the most influential thinkers of our time. Born in Berlin, Marcuse studied philosophy with Husserl and Heidegger at the Universities of Freiburg and Berlin. Marcuse's critical social theory ingeniously fuses phenomenology, Freudian thought and Marxist theory; and provides a solid ground for his reputation as the most crucial figure inspiring the social activism and New Left politics of the 1960s and 1970s. The largely unpublished work collected in this volume makes clear the continuing relevance of Marcuse's thought to contemporary issues. The texts published here, dealing with concerns during the period 1942-1951, exhibit penetrating critiques of technology and analyses of the ways that modern technology produces novel forms of

society and culture with new modes of social control. The material collected in *Technology, War and Facism* provides exemplary attempts to link theory with practice, to develop ideas that can be used to grasp and transform existing social reality. *Technology, War and Fascism* is the first of six volumes of Herbert Marcuse's *Collected Papers* to be edited by Douglas Kellner. Each volume is a collection of previously un-published or uncollected essays, unfinished manuscripts and letters by one of the greatest thinkers of our time.

Gnosis means knowledge. But we are not referring to just any knowledge. Gnosis is knowledge which produces a great transformation in those who receive it. Knowledge capable of nothing less than waking up man and helping him to escape from the prison in which he finds himself. That is why Gnosis has been so persecuted throughout the course of history, because it is knowledge considered dangerous for the religious and political authorities who govern mankind from the shadows. Every time this religion, absolutely different from the rest, appears before man, the other religions unite to try to destroy or hide it again. Primordial Gnosis is the original Gnosis, true Gnosis, eternal Gnosis, Gnostic knowledge in its pure form. Due to multiple persecutions, Primordial Gnosis has been fragmented, distorted and hidden.

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

This eBook edition of "The Social Contract" has been formatted to the highest digital standards and adjusted for readability on all devices. *The Social Contract*, originally published as *On the Social Contract; or, Principles of Political Rights* by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his *Discourse on Inequality* (1754). *The Social Contract* helped inspire political reforms or revolutions in Europe, especially in France. *The Social Contract* argued against the idea that monarchs were divinely empowered to legislate. Rousseau asserts that only the people, who are sovereign, have that all-powerful right. Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of the earth can be controlled—a point located in Paris, France, at Foucault's Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth. Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.

A Wiltshire village, 2019. Rob and his fiancée Georgie are checking out the village hall for their wedding reception. Rob's mum wonders if they are rushing into things. Lorca's classic is set in a modern village in Barney Norris's explosive retelling. Just when they begin to talk her round, an old flame who could shatter the wedding plans turns up, and very soon Georgie's past is making her question who really is the love of her life... Barney Norris's explosive retelling of Lorca's classic tragedy sets the action firmly in a modern day village community that's rocked by revelations and gossip

This classic text is an exploration of the practical aspects of thermodynamics and heat transfer. It was designed for daily use and reference for system design and for troubleshooting common engineering problems-an indispensable resource for practicing process engineers.

Helps develop the staying power and endurance to see the plans God has given people through to the end, and gives them the character and confidence to find joy in even the toughest of struggles.

By using an issues-oriented approach, the new edition of this respected text grabs student interest with real-life issues that hit home. This text includes new coverage and pedagogy that encourages students to think critically about hot-button issues and includes outstanding new features that take students beyond memorization and encourage them to ask questions in new ways as they learn to interpret data. Show students how biology matters Biology's connections to real life are reflected in every chapter of this new edition, beginning with opening Impacts, Issues essays a brief case study on a biology-related issue or research finding and is revisited throughout the chapter, reminding students of the real-world significance of basic concepts. Additional, online exercises promote critical thinking about issues students will face as consumers, parents, and citizens. Link concepts from chapter to chapter Links to Earlier Concepts appear near the Key Concepts, to help students remember what they've learned in earlier chapters and apply it to the new material to come. At the beginning of each section, students are reminded of the earlier link that is most appropriate for their current. Leaving him was the hardest thing I've ever done, but I have to put our people first. Werewolf City is at war and I'll do whatever it takes to turn the tides in the wolves' favor, even if it means stepping up in my new role. The Paladins are a secretive people that I know nothing about. What I thought would be a quick trip into their lands turns into a fight for my life. The future Sawyer and I have dreamed of together threatens to crumble. I'm torn. Do I choose love and a sure future with the man of my dreams, or do I follow my heart and save a dying people I know nothing about, no matter the cost? Either way I have to make it back to him; I can't imagine a life in which we don't exist together.

From the outside, Alice's marriage looks successful. It's true that Ken was never her first choice, but four decades in, she's learned to tolerate him. Their two sons have chosen their own paths, Tim as a successful banker and Matt a carefree globetrotter she can't keep up with. But when circumstances collide to make her question the life she's quietly accepted, Alice realises she's been lying to herself for years. It's time to stand up and put her own happiness first, but where do you begin when you've turned your back on everything? Alice craves the support of someone who understands her, but Tim won't take sides and his trophy wife won't give her the time of day. It seems the only person she can really rely on in her new start is herself. Unless ... Can her other son come through for her? Matt's been travelling so long that she barely knows which continent he's on. But could his experience as the black sheep of the family be just what she needs to finally reveal the secret she's bottled up for years--and find the happiness she gave up on so long ago?

A Deleuzian reading of Whitehead and a Whiteheadian reading of Deleuze open the possibility of a critical aesthetics of contemporary culture. In *Without Criteria*, Steven Shaviro proposes and explores a philosophical fantasy: imagine a world in which Alfred North Whitehead takes the place of Martin Heidegger. What if Whitehead, instead of Heidegger, had set the agenda for postmodern thought? Heidegger asks, "Why is there something, rather than nothing?" Whitehead asks, "How is it that there is always something new?" In a world where everything from popular music to DNA is being sampled and recombined, argues Shaviro, Whitehead's question is the truly urgent one. *Without Criteria* is Shaviro's experiment in rethinking postmodern theory, especially the theory of aesthetics, from a point of view that hearkens back to Whitehead rather than Heidegger. In working through the ideas of Whitehead and Deleuze, Shaviro also appeals to Kant, arguing that certain aspects of Kant's thought pave the way for the philosophical "constructivism" embraced by both Whitehead and Deleuze. Kant, Whitehead, and Deleuze are not commonly grouped together, but the juxtaposition of them in *Without Criteria* helps to shed light on a variety of issues that are of concern to contemporary art and media practices.

She thought she could save those she loved. He thought he could save her. They'll both learn the truth. *FIDELITY*, the dramatic conclusion to the epic five-novel series *INFIDELITY*, following Lennox "Nox" Demetri, Alexandria "Charli" Collins, the Montagues, Demetris, Fitzgeralds, and Spencers is finally here. When the vows are complete and the dust settles, who will be left standing? No one is safe, and no alliance is above suspicion in the much-anticipated finale to this hot romantic-suspense saga. Our heroine has survived betrayal, cunning, deception, and entrapment...what will happen when she's faced with fidelity? Infidelity, it isn't what you think. From New York Times and USA Today bestselling author Aleatha Romig comes a sexy, new dominant hero who knows what he wants and a strong-willed heroine who has plans of her own. With classic twists, turns, deceptions, and devotions, this new, epic romantic suspense will have readers swooning one minute and screaming the next. Have you been Aleatha'd? *FIDELITY* is the fifth and FINAL of five full-length novels in the *INFIDELITY* series. \*This series does not condone nor does it advocate cheating.

The thirty-four stories in this seminal collection powerfully display what have become Lydia Davis's trademarks—dexterity, brevity, understatement, and surprise. Although the certainty of her prose suggests a world of almost clinical reason and clarity, her characters show us that life, thought, and language are full of disorder. *Break It Down* is Davis at her best. In the words of Jonathan Franzen, she is "a magician of self-consciousness."

'When we claim to have been injured by language, what kind of claim do we make?' - Judith Butler, *Excitable Speech* *Excitable Speech* is widely hailed as a tour de force and one of Judith Butler's most important books. Examining in turn debates about hate speech, pornography and gayness within the US military, Butler argues that words can wound and linguistic violence is its own kind of violence. Yet she also argues that speech is 'excitable' and fluid, because its effects often are beyond the control of the speaker, shaped by fantasy, context and power structures. In a novel and courageous move, she urges caution concerning the use of legislation to restrict and censor speech, especially in cases where injurious language is taken up by aesthetic practices to diminish and oppose the injury, such as in rap and popular music. Although speech can insult and demean, it is also a form of recognition and may be used to talk back; injurious speech can reinforce power structures, but it can also repeat power in ways that separate language from its injurious power. Skillfully showing how language's oppositional power resides in its insubordinate and dynamic nature and its capacity to appropriate and defuse words that usually wound,

Butler also seeks to account for why some clearly hateful speech is taken to be iconic of free speech, while other forms are more easily submitted to censorship. In light of current debates between advocates of freedom of speech and 'no platform' and cancel culture, the message of *Excitable Speech* remains more relevant now than ever. This Routledge Classics edition includes a new Preface by the author, where she considers speech and language in the context contemporary forms of political polarization.

*International Trade: Theory and Policy* provides engaging, balanced coverage of the key concepts and practical applications of the discipline. An intuitive introduction to trade theory is followed by detailed coverage of policy applications. With this new 11th Edition, Global Edition, the author team of Nobel Prize-winning economist Paul Krugman, renowned researcher Maurice Obstfeld, and Marc Melitz of Harvard University, continues to set the standard for International Economics courses.

Important new work of social theory and challenge to Anthony Giddens from author of *Culture and Agency*.

Frank, warm, funny, USEFUL."—Patrick Ness, *New York Times* bestselling author "This egregious gap has now been filled to a fare-thee-well by Dawson's book."—Booklist **\*STARRED REVIEW\***

Jane I've always been on my own. My life used to consist of nothing but work, keeping Allen out of trouble, and if I had time, sleep. Then I became their maid. Max Every day more than half a million people tune in to watch my show. They trust me. I know it's because I'm the only son of the prominent Emerson family. However, I like to believe it because I'm honest no matter what story I report on. I'm honest about everything but the man I've been f\*\*king for the last four years... and now her. Wesley I want three things: First, Maxwell Emerson and Jane Chapman both in my bed. Second, to be the best bloody chef in the country. Third, to figure out how to simultaneously get the first and second things I want without any of us getting hurt. *Three People One Love Story*

This is a new release of the original 1926 edition.

The author offers advice on such matters as mastering emotions, overcoming debilitating habits such as over-eating, drinking and drug abuse, unleashing the hidden power of body and mind, improving personal and professional relationships, and taking control of personal finances.

Return to the beloved world of Julie Murphy's #1 *New York Times* bestselling *Dumplin'*—now a popular Netflix feature film starring Jennifer Aniston—in this fabulously joyful, final companion novel about drag, prom, and embracing your inner Queen. Waylon Russell Brewer is a fat, openly gay boy stuck in the small West Texas town of Clover City. His plan is to bide his time until he can graduate, move to Austin with his

twin sister, Clementine, and finally go Full Waylon so that he can live his Julie-the-hills-are-alive-with-the-sound-of-music-Andrews truth. So when Clementine deviates from their master plan right after Waylon gets dumped, he throws caution to the wind and creates an audition tape for his favorite TV drag show, Fiercest of Them All. What he doesn't count on is the tape getting accidentally shared with the entire school. . . . As a result, Waylon is nominated for prom queen as a joke. Clem's girlfriend, Hannah Perez, also receives a joke nomination for prom king. Waylon and Hannah decide there's only one thing to do: run—and leave high school with a bang. A very glittery bang. Along the way, Waylon discovers that there is a lot more to running for prom court than campaign posters and plastic crowns, especially when he has to spend so much time with the very cute and infuriating prom king nominee Tucker Watson. Waylon will need to learn that the best plan for tomorrow is living for today . . . especially with the help of some fellow queens. . . .

Mentally retarded Charlie Gordon participates in an experiment which turns him into a genius but only temporarily.

We all have feelings, it's what we do with them that counts. Using the techniques and tools of cognitive behavioral approaches and Rational Emotive Behavioral Therapy, Lynn Clark can help anyone learn to manage their troublesome emotions for a happier, more peaceful life. SOS Help for Emotions teaches adult readers what to do to manage feelings in ways that don't get them in trouble or hurt others. Concepts include: 11 common irrational beliefs and self-talk 10 cognitive distortions 5-step self-analysis and improvement process 5 "hot" connecting links 4 anger myths 3 major "musts" that shape our irrational behaviors self help sections for anxiety, anger, & depression An essential book for anyone teaching anger management and emotional skills. From Parents Press

The stunning conclusion to THE ANATOMY OF JANE... It's simple really. Jane prefers to never get romantically involved with either of the two men that could be the father of her child. Wesley wants to open another successful restaurant and forget all about the mnage trois he had with Maxwell and Jane. Maxwell wants the three of them back together and will do anything to make it happen...even if means getting on his knees. See...simple, right? Three lovers, one love story...
