Girl, Serpent, Thorn is “an alluring feminist fairy tale” (Kirkus Reviews) about a girl cursed to be poisonous to the touch and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it’s not just a story. As the day of her twin brother’s wedding approaches, Soraya must decide if she’s willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn’t afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster.

"I don't do patrols, I don't go hunting, I just stick close to you. You live your life. I'll keep you safe," Tamani said, sweeping a lock of hair from her face. "Or die trying." Laurel hasn't seen Tamani since she begged him to let her go last year. Though her heart still aches, Laurel is confident that David was the right choice. But just as life returns to normal, Laurel realizes that a hidden enemy lies in wait. Once again, Laurel must turn to Tamani to protect and guide her, for the danger that now threatens Avalon is one that no faerie thought would ever be possible. And for the first time, Laurel cannot be sure that her side will prevail.

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Pettersson "A delicious treat for Georgina fans!" -Kat Richardson "If

damnation is this fun, sign me up!" -Lilith Saintcrow

Georgina Kincaid has formidable powers. Immortality, seduction, shape-shifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her... Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse—that Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't—and that Hell is far from the worst place to spend eternity... Praise for Richelle Mead and her Succubus series. . . "This is one of those series I'm going to keep following." --Jim Butcher, New York Times bestselling author "The mix of supernatural mystery, romance, and reluctant succubus is great fun." --Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal." –Booklist

But Laurel won't have to fight alone; David and Tamani, two boys she loves in different ways, will be by her side, along with her best friend, Chelsea. Readers of the Need and Graceling series will want to follow Laurel's story from its beginning in Wings to its heart-stopping end in Destined.

The first graphic novel in the Carnal series, *Pride of the Lions* takes place on the continent of New Africa and focuses on three main species of humanistic animals. After the Great War decades earlier between the hyenas and the lions, the victorious and once united lion prides now lay scattered across the land, torn by civil unrest over territory disputes and food shortages. The hyena clans that survived the war were forced deep into the Earth and now live in a massive underground city under the control of a terrible witch. The buffalo race is indifferent to most other species and have walled themselves off from the rest of the kingdoms. Humans have lost their hold on the African territories long ago and live as a simple, nomadic species. The first book opens with Long Eyes, an old sapphire-eyed lion who is determined to save the lion kingdom and rescue his warrior son, Oron, who has gone missing. Long Eyes believes Oron is the key to uniting the prides. A young lioness tracker named Omi is sent out with the protection of two lion brothers to locate the missing warrior, but what they find is something that may unravel the very foundation of life for all species.

Shape-shifting succubus Georgina Kincaid, who gets her energy from seducing men, is frustrated by her non-sexual relationship with best-selling author Seth Mortensen and her attraction to Dante, a dream interpreter, while dealing with a mysterious force that is draining her energy. Original.

Sydney Sage is an Alchemist, one of a group of humans who dabble in magic and serve to bridge the worlds of humans and vampires. They protect vampire secrets—and human lives. In *The Indigo Spell*, Sydney was torn between the Alchemist way of life and what her heart and gut were telling her to do. And in

one breathtaking moment that Richelle Mead fans will never forget, she made a decision that shocked even her. . . . But the struggle isn't over for Sydney. As she navigates the aftermath of her life-changing decision, she still finds herself pulled in too many directions at once. Her sister Zoe has arrived, and while Sydney longs to grow closer to her, there's still so much she must keep secret. Working with Marcus has changed the way she views the Alchemists, and Sydney must tread a careful path as she harnesses her profound magical ability to undermine the way of life she was raised to defend. Consumed by passion and vengeance, Sydney struggles to keep her secret life under wraps as the threat of exposure—and re-education—looms larger than ever. Pulses will race throughout this smoldering fourth installment in the New York Times bestselling Bloodlines series, where no secret is safe.

The final installment in Richelle Mead's sweeping, enthralling Glittering Court series answers the trilogy's biggest question: what is the secret that drives Tamsin to win at all costs? Tamsin Wright is unstoppable. She must become the Glittering Court's diamond: the girl with the highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music--everything a high-society wife would need to know. Once she's married, she'll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal--and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven't prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin's heart begins to be pulled in different directions. But she can't let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that would unravel everything she's worked for if it's uncovered.

Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyō, a gorgeous shape-shifter who redefines animal attraction. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.
