

Rivstart A1 A2 Textbok

Following on from Graham Bizley's successful *Architecture in Detail*, *Architecture in Detail II* presents 40 case studies of detailing on recent construction projects. Over 150 full colour drawings and photos provide a reference compendium for the professional architect seeking detailing inspiration. Originally featured in *Building Design's In Detail* magazine, the included projects represent some of the most interesting and innovative techniques in recent architecture. Graham Bizley's beautifully presented detail drawings allow the architect to easily see how ideas and techniques can be applied to other projects. The book is organised by building type for quick and easy reference.

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Swedish. "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* *Short Stories in Swedish for Beginners* has been written especially for students from high-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A1-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level to help you progress confidently - Realistic spoken dialogues to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, *Short Stories in Swedish for Beginners* will make learning Swedish easy and enjoyable.

Are you trying to learn Swedish - but can't find the right reading material? We understand how difficult it is to find Swedish learning material. Finding the right teacher, books or even peers to study with can be incredibly difficult, and we've been there before. There is a demand... but not enough supply. It can get frustrating. Which is why we've created *Swedish Short Stories for Beginners*, a book made to ensure that young and old students at the entry level of learning can take advantage of a valuable opportunity in learning the Swedish tongue. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on Swedish, but that you will understand and be able to pick it apart piece by piece in your quest for learning. How *Swedish Short Stories for Beginners* works: - Each story will contain an important lesson of the tools and skills needed to learn the Swedish language (nouns, pronouns, future tense, traveling terms, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. - The summaries follow: a synopsis in Swedish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Swedish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a fluent Swedish speaker, and we'll certainly make that dream come true! So look no further! Pick up your copy of *Swedish Short Stories for Beginners* and start learning Swedish right now!

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

NOW A NATIONAL BESTSELLER The return of the cutting-edge thriller series *Net Force*, created by Tom Clancy and Steve Pieczenik and written by Jerome Preisler. The number one threat to our nation's security is in cyberspace. The new US president wants to tackle the urgent problem head-on and launches a top secret line of defense: *Net Force*. But before the organization can be announced, the country is hit by an unprecedented, two-pronged terror attack. Not yet empowered by Congress nor embraced by a dubious intelligence community, still untested, unproven and officially unnamed, *Net Force's* elite group of cyber experts and field operatives must lead the fight against the ongoing waves of hacks while tracking down the mastermind. Their failure could mean global catastrophe. Success may lead them to become the highest-level security agency in

the United States. A story that seems ripped from tomorrow's headlines, Net Force: Dark Web relaunches one of the most prescient thriller series at a time when cybersecurity is more vital than ever.

DK Eyewitness Travel's full-color guidebooks to hundreds of destinations around the world truly show you what others only tell you. They have become renowned for their visual excellence, which includes unparalleled photography, 3-D mapping, and specially commissioned cutaway illustrations. Each guide is packed with the up-to-date, reliable destination information every traveler needs, including extensive hotel and restaurant listings, themed itineraries, lush photography, and numerous maps.

This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Sprkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain)

Med reviderade Rivstarts tydliga struktur och varierade övningar lär sig dina elever svenska snabbare. Rivstart är ett enspråkigt nybörjar- och fortsättningsmaterial i svenska som främmande språk och vänder sig till språkinlärare i och utanför Sverige. Med såväl humor som allvar tränas alla färdigheter utan överdriven upprepning och onödigt tragglande för att passa den studievana eleven.

Ideal for: Beginning. Compiled under the sponsorship of the China National Office for Teaching Chinese as a Foreign Language (NOTCFL) and in consultation with the Chinese Proficiency Test (HSK) Guidelines, the New Practical Chinese Reader (NPCR) series is designed to help native English speakers easily learn Chinese. Based on the time-tested Practical Chinese Reader (PCR), the entirely revised and updated NPCR combines the grammatical strengths of the old PCR with contemporary material and more emphasis on learning to use Chinese in everyday conversation. NPCR consists of 70 lessons in six volumes, covering beginning to intermediate levels, for three years of instruction. Features include balanced training in speaking, pronunciation, grammar, and vocabulary; gradual increases in difficulty, and a cyclical approach to learning with constant review of language structures, functions, and cultural knowledge; an abundance of practice material suitable for students to use inside and outside the classroom; and a new, systematic approach to the teaching of Chinese characters. Students first learn the fundamental rules of Chinese script and basic strokes, and then progress to simple characters that form the foundation for mastering multi-component words.

This is a vital revision aid for postgraduate radiology students taking the Fellowship of the Royal College of Radiology (FRCR) Part 2 final exams. Part 2 comprises two elements: 2a includes a series of six multiple choice exams covering the major body systems, and 2b contains a written exam and an oral viva typically taken at the beginning of the fourth year of specialty training.

Kinyarwanda Alphabet Coloring Book

Do you want to have more meaningful conversations in Swedish? Do you want to feel comfortable in a variety of situations? Based on authentic texts, such as songs, poems, and conversations between native speakers, this course will help you improve and build upon the language you already have so that you develop your skills to a level where you can enjoy communicating in Swedish. You will be introduced to the more advanced points of Swedish grammar, as well as more colloquial language, and develop your vocabulary so you can express your opinion on a number of topics, as well as react to other people's opinions. You will enjoy learning about the culture, history, and geography of Sweden and its influence on the language. What will I achieve by the end of the course?By the end of Enjoy Swedish you will have increased your capacity to understand the spoken and written language, and furthered your ability to communicate with Swedish speakers, orally and in writing. Is this course for me?If you already know some Swedish and want to take it further, this is the course for you. It's perfect for the self-study learner, with a one-to-one tutor, or for the post-beginner classroom.

Each chapter of First Russian Reader for Students is filled with words that are organized by topic, then used in a story in Russian. Questions and answers rephrase information and text is repeated in English to aid comprehension. The quick and easy-to-use format organizes many of everyday situations from knowing your way around the house, studying at university, or going shopping. First Russian Reader for Students makes use of the ALARM Method to efficiently teach its reader Russian words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Connection can exist at any level of our being: We can be mentally linked, emotionally linked, energetically linked, and/or physically linked to something. The Connection Process presents three powerful esoteric processes that restore you from a state of separation to a state of connection with yourself and others. By engaging in the processes, you'll be able to: perceive fundamental truths about yourself and others; see, hear, feel, and understand yourself and others; and develop a deep sense of connectedness with the world. Think about how good it would feel for someone to completely understand you and how great it would be if they were so perceptive of your internal world that they knew exactly what you need or what to say. Think of how good it would be to enjoy harmony in your relationships instead of suffering through conflicts. Connect with yourself, others, and the world around you with your heart, body, emotion, and mind and enjoy the lasting joy that comes from making true connections.

Touched by a Miracle One Man's Miraculous Encounter with Eternity At eighteen, Thomas Welch experienced a deadly fall that turned into an encounter with eternity. Thomas Welch was touched by a miracle. He was in the presence of the Lord. I have been touched by that miracle, and countless others around the world have heard about it and read about it. For the glory of God, I now have been called by God to share with you in ministry and song to spread the word of faith, hope, and love. I do believe in miracles. This true story was documented at the Good Samaritan Hospital in Portland Oregon. Believe God for your miracle today. Anona Kay Silva "I was dead for an hour, most of that time, under ten feet of water...I was returned to life by a divine resurrection." -Thomas Welch "I have interviewed Thomas Welch on two occasions on television and have known him for many years. I feel that his experience is profound and genuine." -Pat Robertson, President, The Christian Broadcasting Network, Inc.

Two women trapped by a past that won't let go . . .At first sight, Monika and Maj-Britt are as different as two people can possibly be. They have nothing in common but the determination to obliterate their memories and be left alone. But when a tragic accident brings them face to face, the emotional voids at the centre of their lives threatens to engulf them and they are forced to confront the secrets and the sadness they had hoped to bury. A suspenseful psychological thriller, Shame reveals the ordinary days of the odd and the lonely as they twist into self-destruction and holds out a glimmering hope of redemption and acceptance.

Absolute Financial English is a complete course for students preparing for the ICFE examination and for anyone studying English for finance and accounting purposes.

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 This new edition of Swedish: A Comprehensive Grammar is a complete reference guide to modern Swedish grammar. It has been fully updated to reflect recent changes in a few areas of usage and to employ the new standards that have been set in the description of language. The Grammar is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types. The volume is organised to promote a thorough understanding of Swedish grammar. It presents the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon. Throughout, the emphasis is on Swedish as used by present-day, native speakers. An extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Features include: * detailed treatment of common grammatical structures and parts of speech * extensive exemplification * particular attention to areas of confusion and difficulty * Swedish/English contrasts highlighted throughout the book * a new chapter on word formation.

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Now available for the first time in print and e-book formats Classical and Contemporary Sociological Theory: Text and Readings offers students with the best of both worlds—carefully-edited excerpts from the original works of sociology's key thinkers accompanied by an analytical framework that discusses the lives, ideas, and historical circumstances of each theorist. This unique format enables students to examine, compare, and contrast each theorist's major themes and concepts. In the Fourth Edition of this bestseller, examples from contemporary life and a rich variety of updated pedagogical tools (tables, figures, discussion questions, and photographs) come together to illuminate complex ideas for today's readers. Attention Instructors! Free digital resources are included with this text. Learn more.

Each chapter includes dialogues, basic vocabulary and easy-to-follow discussions of grammar. This book also features exercises, cultural information and a comparison of Swedish and English. Includes 2 Audio CDs featuring native speakers.

From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

This fully revised second edition of *Swedish: An Essential* grammar incorporates the changes proposed to the Swedish grammar by Svenska Akademiens Grammatik. All examples have been fully updated, the bibliography has been expanded and a number of tables clarified. *Swedish: An Essential* grammar provides a fresh and accessible description of the language. It is suitable for independent study or for class-based students. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners.

Colloquial Greek: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Greece as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Greek in a broad range of situations. No prior knowledge of the language is required. *Colloquial Greek* is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar index and bilingual glossaries can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in Greece An overview of the sounds of Greek Balanced, comprehensive and rewarding, *Colloquial Greek* is an indispensable resource both for independent learners and students taking courses in Greek. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Thanks to the availability of texts on the Web in recent years, increased knowledge and information have been made available to broader audiences. However, the way in which a text is written—its vocabulary, its syntax—can be difficult to read and understand for many people, especially those with poor literacy, cognitive or linguistic impairment, or those with limited knowledge of the language of the text. Texts containing uncommon words or long and complicated sentences can be difficult to read and understand by people as well as difficult to analyze by machines.

Automatic text simplification is the process of transforming a text into another text which, ideally conveying the same message, will be easier to read and understand by a broader audience.

The process usually involves the replacement of difficult or unknown phrases with simpler equivalents and the transformation of long and syntactically complex sentences into shorter and less complex ones. Automatic text simplification, a research topic which started 20 years ago, now has taken on a central role in natural language processing research not only because of the interesting challenges it possesses but also because of its social implications. This book presents past and current research in text simplification, exploring key issues including automatic readability assessment, lexical simplification, and syntactic simplification. It also provides a detailed account of machine learning techniques currently used in simplification, describes full systems designed for specific languages and target audiences, and offers available resources for research and development together with text simplification evaluation techniques.

This simple, classic 6 x 9 inch journal and notebook contains 120 pages and is great for taking notes and helping you study. Each page is blank with a large box and empty lines for note taking, graphics, and writing practice. Look good carrying it around with this nice colorful matte finished cover.
