Translated by the author 'Tamasdrove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

It is very kind of people to invite me to their parties, especially as I do not throw parties myself or invite anyone anywhere. At more than one party I have been known to throw things at people. In spite of this-or maybe because of it-I get invited to these affairs. There's nothing like being able to see the funny side of things in life. Whether it is a belt that decides to get hooked on to another passenger's bag or monkeys who visit and take refuge in the loo or even the omelettes that don't turn out exactly the way they were intended, Ruskin Bond brings alive each of these situations with wry humour and a generous dose of wit. Party Time in Mussoorie is as much fun to read as it is to attend any of the weird and wonderful parties Ruskin Bond describes in this collection.

Kabir was a 15th century Indian spiritual master who left a legacy of extraordinary poems which continue to capture the imagination of a diverse audience today. The poems downplay the importance of ritual and austerity, and teach that God is not confined to centers of worship or places of pilgrimage but found everywhere in creation. Most importantly, God is within us and this is where we must meet him. Kabir elevates us into the realm of the spirit - a world of beauty, majesty, even romance, where the relationship between lovers is a recurring metaphor for our relationship to the divine. For the last century, Rabindranath Tagore's classic

translation, "Songs of Kabir," has been the standard, but over the years it has suffered the ravages of time. In "Kabir Says," David Masterman has reworked Tagore's translation and breathed new life into it for the 21st century reader. But this edition goes beyond merely updating language and style; it considerably enhances the poetic form and flow of the English translation, and a new introduction and appendix have also been added to add depth to the reader's understanding.

Fateema opened her diary and began writing: “Jihad as mentioned by the Prophet is a war against injustice and oppression. Islam means peace and surrender. Islam does not recommend killing innocent people. The Prophet released hundreds of slaves from bondage and sent them back to their native land.” There was a lot more she could write. She would one day. Not for others, but to her own people she would explain the meaning of

the word 'Islam'. For a bright young woman like Fateema Lokhandwala, the idea that one day she might own her own house is a daring dream. Her father has spent his life, slaving away selling scrap metal so that his children might 'jump the fence of poverty and illiteracy'. Fateema dreams not only of owning her own house, but of higher education, a better job, a wider world. Her brother, Kareem, is persuaded down a very different path – to join the jihad, to become a holy warrior. Ila Arab Mehta's moving and sharply observed novel follows one woman's struggle to find her way in a world torn by communal violence, to reconcile her conflicting loyalties to her family and friends, to find a place that she can ultimately call 'home', a place where fences –between communities, between people – are no longer necessary. • A novel on a controversial and topical theme by one of Gujarat's best known writers • The story of a young Muslim woman caught in the world of identity politics Published by Zubaan.

Ravan and Eddie are the unlikeliest of companions. For one thing, Ravan is Hindu, while Eddie is Catholic. For another, when Ravan was a baby and fell from a balcony, that fall had a dramatic, and very literal, impact on Eddie's family. But Ravan and Eddie both live in Central Works Department Chawl No. 17—and if you grow up in the crowded Mumbai chawls, you get to participate in your neighbors' lives, whether you like it or not. As we watch the two unlikely heroes of Kiran Nagarkar's acclaimed novel rocket out of the starting blocks of their lives, leaving earth-mothers and absentee fathers, cataclysms and rock 'n' roll in their wake, we're compelled to sit up and take notice. Mumbai, Ravan and Eddie is a comic masterpiece about two larger- and truer-than-life characters and their bawdy, Rabelaisian adventures in postcolonial India. It is also a timeless journey of self-discovery, a quest for the meaning of guilt and responsibility, sin and sex, crime and punishment. Dr. Bhimrao Ambedkar was an Indian jurist, scholar, political leader and a Buddhist revivalist. He was the Chief Architect of the Indian Constitution. He played a great role in framing of Indian Constitution. He was the first Law Minister of India. He spent his whole life fighting against Social discrimination and untouchability. He was posthumously awarded the highest civilian award: the Bharat Ratna, in 1990. Dr. Ambedkar is viewed as messiah of dalits and downtrodden in India. Though he was the son of large family of then called 'Untouchable' Mahar caste, still he managed to get the highest degree of education and scaled even higher political heights and wisdom. The inside pages contain an interesting and elevating account of how an average boy of a lowcaste and not so rich family fought against the discrimination and became the messiah of dalits and downtrodden in India. The book also gives its readers minute detail about his life and personality. We hope the book will prove successful in clinching the readers' interest.
