In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

Describes the case of a young woman suffering from anxiety attacks, explains how hypnosis revealed her memories of past lives, and discusses the usefulness of regression therapy

In his groundbreaking first book, *Your Soul's Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Soul's Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in *Your Soul's Gift* you can:

- Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned
- Emerge from victim consciousness to know yourself as the powerful creator of your life
- Forgive those who have hurt you and create a lasting inner peace
- Understand the qualities you came into this lifetime to cultivate and express
- See profound purpose in experiences that once appeared to be meaningless suffering
- Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.

Brian L. Weiss, M.D., psychiatrist and New York Times best-selling author, offers soothing sanity in turbulent times. This short course in meditation gives readers the tools they need for physical, emotional, and spiritual healing, and includes an audio download of a guided meditation. This book was previously published by Hay House as *Meditation: Achieving Inner Peace and Tranquility in Your Life*. In *Directing Our Inner Light*, Brian L. Weiss, M.D., offers an audio download of a guided meditation and explains the techniques he has used to help thousands of patients around the world harness the healing powers of meditation. You'll learn how relaxation, visualization, and regression can be used to release fears in a holistic way, strengthen the immune system, and alleviate chronic pain and illness, among other benefits. The practice of meditation also helps rid the mind of stress, intrusive thoughts, and the pressures of the world, opening you up to what's truly important. The more you meditate, the further you move away from the level of everyday consciousness (encompassing frustration, anxiety, and worry), and the closer you draw to the higher perspective of enlightenment. As you progress along this path, it becomes easier to achieve increasingly higher levels

A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...

Many Lives, Many Masters: The True Story of a Psychiatrist, His Young Patient, and Past-Life Therapy by Brian L. Weiss Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) The story about how a skeptical doctor discovered evidence on past lives and developed a method using them to cure his patients. There are many stories about how a skeptic turns into a believer but this one stands out. A skeptical doctor was astonished when he discovered one of his patients recalling past-life traumas. Those wounds from the past seem to be responsible of his recurring nightmares and anxiety attacks. Doctor Weiss manages to channel his new knowledge and develop a method called "past life regression" which recovers memories of incarnations in order to address them and cure the patient of his traumas. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "For truly we are all angels temporarily hiding as humans." - Brian L. Weiss After discovering about past lives, Brian L. Weiss entered a new phase in his career; one that would use memories from the past lives of patients in order to heal them. His method of hypnosis worked so he started heading in a new path in order to help each one of his patients. His work in parapsychology is outstanding and his method of past life regressions is brilliant. Definitely a book worth reading. A skeptic doctor discovered evidence that baffled him and change his mind about reincarnation. P.S. *Many Lives, Many Masters* is an amazing book that shows us a new approach on psychological treatment. P.P.S. Fascinating true accounts from Dr. Slate and his subjects highlight the effectiveness of these empowering techniques. —Explore your past and future lives —Delve into life between lifetimes —See how many past lives you have lived —Communicate with departed loved ones —Meet your spirit guides —Discover new spiritual dimensions Once you begin to retrieve your past life experiences, you can apply the lessons learned toward present-day healing, spiritual growth, and enlightenment for the continued evolution of your soul.

In this timeless and profound inquiry, Aristotle presents a view of the psyche that avoids the simplifications both of the materialists and those who believe in the soul as something quite distinct from body. *On the Soul* also includes Aristotle's idiosyncratic and influential account of light and colors. *On Memory and Recollection* continues the investigation of some of the topics introduced in *On the Soul*. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

Book one of the New York Times-bestselling *All Souls* trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

A unique, insightful, and practical look into the enormous power of past life regression therapy to unlock a healing pathway that can help you resolve enduring personal issues, enrich your life, and answer burning spiritual questions about your purpose on this earth. In this rare and fascinating intimate glimpse at past life regression therapy, licensed therapist Ann Barham invites us into her office as she helps her clients mine their unconscious memories for the key past life experiences that can provide specific guidance for their current situations. No longer simply the stuff of new age practitioners, past life regression therapy is a

powerful tool that can improve your understanding of your personal challenges and deepen your connection with the world around you. Barham demystifies this intriguing phenomenon, sharing her client's astounding stories, each a clue to the profound influence the personalities of the past have on our thoughts and actions today. As modern science and technology advance at overwhelming rates, many of us crave the healing insights and feelings of eternal love that survivors of near death experiences frequently report. Through past life therapy, everyday people are able to experience prior lifetimes all the way through their deaths, tapping into abiding spiritual truths and answering essential questions about human existence.

Eliminating Stress, Finding Inner Peace is an important step on the healing journey. Stress kills—there's no doubt. It eats away at you, affecting your level of happiness, as well as your stomach lining. It raises your blood pressure and directly harms your cardiovascular system. It depresses your immune system and allows chronic illnesses to overwhelm you—causing pain, disability, and even death. Basically, stress prevents you from experiencing life's many pleasures. Stress is a mental state that can cause severe negative emotional and physical consequences. It can be entirely eliminated, or at least greatly lessened, by adjusting our understanding and attitudes, and by learning simple, yet very effective, relaxation techniques. This book, with its accompanying stress-reduction audio download, will help you deeply relax. It will enable you to release the acute and chronic tension you constantly carry in your body and mind. It can also help you remove the blocks and obstacles to your inner peace and contentment, and prevent stress-related illness and disease. To heal yourself in this manner is an act of self-love, because you're taking the time and expending the energy to work on yourself physically and emotionally, thereby bringing more joy into your life. You'll find that regular practice with the audio will produce profound, long-lasting results.

Have you ever asked yourself, why do we reincarnate? How does reincarnation fit into quantum mysticism and our true purpose in life? What is the true nature of my being? What is consciousness? Why am I here? How is that going to make me happy right now? Take a mystical journey beyond the empirical reality of life on earth with wisdom clients received by connecting to a state of superconsciousness during life-between-lives spiritual regression, along with commentaries by the author. Understand your purpose here on earth and beyond. He travels the world conducting regression sessions and speaking about the nature of our soul.

The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of *Many Lives, Many Masters*. Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives, Many*

Masters. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. *Mirrors of Time*, by Brian Weiss, M.D., allows you to take regression therapy to the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading *Mirrors of Time* and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? *Your Soul's Plan* (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference.

Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace.

Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the*

Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. "Describes how to recognize past-life memories as they arise from the subconscious mind." --Fate magazine.

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that

you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* "[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe

The bestselling author of *Many Lives, Many Masters* breaks new ground to reveal how progression therapy into future lives can help transform us in the present. How often have you wished you could peer into the future? In *Same Soul, Many Bodies*, Brian L. Weiss, MD, shows us how. Through envisioning our lives to come, we can influence their outcome and use this process to bring more joy and healing to our present lives. Dr. Weiss pioneered regression therapy—guiding people through their past lives. Here, he goes beyond that to demonstrate the therapeutic benefits of progression therapy—guiding people through the future in a scientific, responsible, and healing way. Through dozens of case histories detailing both past-life and future-life experiences, Dr. Weiss shows how the choices that we make now will determine our future quality of life. From Samantha, who overcame academic failure once she learned of her future as a great physician, to Evelyn, whose fears and prejudices ended after she envisioned prior and forthcoming lives as a hate victim, Dr. Weiss gives concrete examples of lives transformed by regression and progression therapy. A groundbreaking work, *Same Soul, Many Bodies* is sure to deeply affect peoples’ lives as they strive toward their future

Acclaimed Canadian poet Steven Price has conjured a stunning debut novel that explores what we ask from each other, and how much we are prepared to give. Set in the city of Victoria, British Columbia, *Into That Darkness* opens at the moment when a massive earthquake hits the entire west coast with devastating results. Amid the destruction of the city, survivors are left to negotiate a calamity in which bonds of civility are pushed to their limits and often broken. When Arthur Lear hears a voice crying in the rubble, he finds himself descending deep under a collapsed building in a desperate attempt to save a young boy and his mother. But what he discovers there will change him forever — as circumstances lead him across the city’s broken landscape, through the chaos of its hospitals and streets, in a harrowing search for the mother’s lost daughter. Over the days that follow, Lear’s very sense of humanness will be tested and compromised, as he faces the limits of himself and his fellow survivors, in his long journey home. A novel for our age of anxiety and fear, Steven Price delivers a powerful story about the physical manifestation of the darker things lurking in our culture, in ourselves.

Prepare for a powerful transformation as you experience the profound lesson of your past lives!

In his bestselling book, *THE SEAT OF THE SOUL*, Gary Zukav's driving concept was 'multi-sensory perception', an innate sense that allows people to experience the world beyond the five senses, to listen harder to who they are and ultimately to save one's life. Now in *SOUL STORIES*, Gary Zukav brings this concept and many others vividly alive, with marvellous true stories of how they manifest themselves in individual lives. This book is enormously practical in the way the author builds on each specific story to a discussion of its application to the reader's needs, leading to a deeper understanding of authentic power and inner peace. And best of all, it is wonderfully readable and even more accessible than *THE SEAT OF THE SOUL*.

believer," Stemman uses his skills as a professional journalist to perform an in-depth exploration of reincarnation. Using case studies, anecdotes, and physical evidence from the best-documented cases from around the world, Stemman shines a bright light on this subject, inviting readers to decide for themselves on the basis of facts, rather than on the basis of hearsay, speculation, and superstition. Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy, the past-life recall of a renowned neurosurgeon, the research of a highly respected university professor, and the unique system of governance in the mountains of Tibet, to name just a few. He examines the lives of those affected by reincarnation, such as children who can actually remember their previous lives. Instead of shying away from the skeptics, Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research. The Big Book of Reincarnation is thorough, well researched, engaging, and the most comprehensive book ever published on this fascinating subject. Readers who love Brian Weiss's Many Lives, Many Masters and Only Love is Real will appreciate the depth of study that the author brings to this work. Topics that have long been scoffed by skeptics, past lives and reincarnation are enjoying a revival of mainstream interest after prominent medical professionals and scientists have added their personal experiences and research to a growing chorus of proof that the afterlife is no myth for the weak minded. Neurosurgeon Dr. Eben Alexander's book, Proof of Heaven, is one such example. The truth is, a deeper exploration of the human psyche and transpersonal psychology offers a frontier for the brightest minds of our day. Other popular books that explore these and related topics include: The Wheel of Life by Elisabeth Kübler-Ross Life After Death – The Burden of Proof by Deepak Chopra Life After Life: The Bestselling Original Investigation That Revealed "Near-Death Experiences" by Raymond Moody And many others Understanding your previous incarnations can turn into a fascinating journey of self-discovery and healing. You can gain insight into destructive habits that may have begun in a past life -- and then create a more positive and creative new life. In "Astrology and Your Past Lives" astrologer and regression therapist Jeanne Avery provides a simple yet profound way to understand one's blocks and blessings. By focusing on the meaning of one planet -- Saturn, the planet of limitations -- Avery shows how we "pick our own type of gravity" that connects this life to our previous incarnations. Meditation is a technique that can be used to experience peace, tranquility and an inner beauty, leading us to rethink everything around us, even ourselves. It prompts us to trust in the ability we have to use and direct our energies to purify our bodies and minds... so that we can discover and develop our spirituality. Dr Brian Weiss, author of the million copy bestseller Many Lives, Many Masters, has written a very special book to help with the practice of meditation (an audio download is also included to help guide you through the process). Meditation: Achieving Inner Peace and Tranquility in Your Life includes the techniques Dr Weiss uses on his patients for past life regression, many of whom have conquered insomnia, anxiety, phobias, weight issues and disease. Meditation can also lower blood pressure, strengthen the immune system and reduce stress. As Dr Weiss says, 'It all starts by closing our eyes, relaxing our muscles, and slowing down our breathing. Little by little, we ask our minds to block out the clamouring voices that usually bombard it... this means living this moment intensely, letting go and surrendering.' This book is the first step on a more peaceful, relaxing journey through

life.

"A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables. Mostly a compilation of superstition and folklore, the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused"--From publisher description.
